The lame walked. The blind  
could see. Lepers were  
healed. These are some of  
the miracles attributed to the  
intercession of Father  
Patrick Power. In November  
1929, a million people  
flocked to his grave in Holy  
Cross Cemetery in Malden,  
Massachusetts, to seek one  
thing, a miracle. Despite the  
fact that Power had been  
dead for nearly six decades,  
many insisted that they had  
been miraculously cured by  
him. This is the story of the

---

mysterious life, and afterlife, of this enigmatic, Irish-born, Boston priest who never made it a day past the age of 25. Using previously unpublished interviews, and archival documents, *Supernatural Power* examines the historical record surrounding all of the known miracles attributed to Father Power, during his life, and after his death. *Supernatural Power* also objectively examines the complex events of autumn, 1929, when Power's grave seemed to turn into a "wonder shrine." Is Power's final resting place still, to this day, a sacred location for the miraculous, a portal between the powers of this world, and the next? Historian John Koerner, author of *The Mysteries of Father Baker* (Western New York Wares, 2005) has once again written a meticulously researched book that examines why people, even to this day, insist that Patrick Power may have been more than just a young priest, but a gifted "wonder worker" as well.

Brain injury plunged Lia into a world of distortion and chaos, where her own thoughts and senses could no longer be trusted. Searching for medical help, she found doubt and manipulation instead. *But I'm Not Depressed* is a

bleak but ultimately hopeful tale, and a slap in the face to the culture of psychobabble.

An ancient book, a seventeen-year-old girl and an exotic boy from a supernatural world hold the key to freedom for a long-oppressed race, but that freedom could come at the cost of the human world. Seventeen-year-old Kalista is suffering from a broken heart, so when her playwright father proposes they move their lives from New York to New Mexico because he is in need of inspiration Kalista is 100% on-board with him. New Mexico proves to be the perfect balm for her wounds and she is just starting to feel some of her old spunk when Tristan Winfield comes into her life and pulls all of her barriers down. Kalista is captivated by Tristan's unusual

silver eyes and feels an inexplicable connection to him, which begins to manifest itself in her dreams with bizarre images of a waterfall and an orb. While searching for an explanation for her troubling dreams, Kalista discovers an ancient book which holds the secrets of a supernatural race of creatures. But when Killings hit town, she realizes her finding has come at a high price. She's in the middle of a power struggle now, and a secret seems to be wrapped within the pages of that book. A secret she's part of...

"With the original unabridged text of

Supernatural, I offer the reader an investigation that explores the human experience with psychedelics from the Stone Age to the Space Age and the role of these extraordinary plant medicines as tools to investigate the nature of reality itself."—Graham Hancock

Discover the pathway to the gods. Less than 50,000 years ago mankind had no art, no religion, no sophisticated symbolism, no innovative thinking. Then, in a dramatic and electrifying change, described by scientists as "the greatest riddle in human history," all the skills and qualities that we value most highly in ourselves appeared already fully formed, as though bestowed on us by hidden powers. In *Visionary*, Graham Hancock sets out to investigate this mysterious "before-and-after moment" and to discover the truth about the influences that gave birth to modern human mind. His quest takes him

on a journey of adventure and detection from the stunningly beautiful painted caves of prehistoric France, Spain, and Italy to remote rock shelters in the mountains of South Africa, where he finds a treasure trove of extraordinary Stone Age art. Hancock uncovers clues that lead him to travel to the depths of the Amazon rainforest to drink the powerful plant hallucinogen ayahuasca with Indian shamans, whose paintings contain images of "supernatural beings" identical to the animal-human hybrids depicted in prehistoric caves and rock shelters. Hallucinogens such as mescaline also produce visionary encounters with exactly the same beings. Scientists at the cutting edge of consciousness research have begun to consider the possibility that such hallucinations may be real perceptions of other "dimensions." Could the

---

"supernaturals" first depicted in the painted caves and rock shelters be the ancient teachers of mankind? Could it be that human evolution is not just the "blind," "meaningless" process that Darwin identified, but something more purposive and intelligent, something that we have barely even begun to understand? Previously published as *Supernatural*, this definitive edition includes a new Introduction by Graham Hancock as well as restored chapters that were omitted from the original paperback release.

Ally Lane is the pilot and navigator of the *The Betty Loo*, a search and rescue submarine. She took refuge from her demons on the sub a decade ago. Brian Kingston, a captain with good intentions but a heavy drinking problem, jumps at the opportunity to make more money than he can imagine on a deep-sea

dive aboard the search and rescue submarine, *The Betty Loo*. He quickly discovers just what he's gotten himself, and his crew, into. The *Betty Loo* will be going to suicidal depths on a mission to rescue *The Peacemaker*, a sub once thought to be unsinkable. After receiving an anonymous threat on the day of departure, Brian is left with no choice but to continue on the mission. But the depths of the sea aren't the only problems ahead. New crewmembers arrive, and seeds of distrust are sown within hours. And, upon arrival to *The Peacemaker*, he realizes that though not all the bodies are dead, there is no one to rescue. The crewmembers, both old and new, have to trust one another and fight for their lives against the adapting undead or join them in the floating graveyard that is *The Peacemaker*.

For thousands of years, Earth has been haunted by ghosts, menaced by vampires, disturbed by malevolent spirits, and graced by mystical powers. The desire to engage with the supernatural world lures many visitors to haunted castles, UFO hotspots, and sacred sites. In truth, we want to experience spine-tingling moments, feel the mystery, or find evidence of other worlds. From the barren deserts of southern Peru to the lush valleys of central Europe, the supernatural forms part of the ancient myths and legends of every culture. The much-feared and popularized vampire is found not only in Romania, but also in other countries such as Scotland, Ghana, and the Philippines. Ghosts not only haunt ruined medieval European castles, but</p>	<p>also lurk in American cemeteries, roam the Hex River Valley of South Africa, or inhabit deserted towns, battle sites, and islands. Legendary heroes are as numerous in Burma as they are in Greece, and mystical places can be as empowering as Ayers Rock in Australia or as baffling as Aramu Muru in southern Peru. <i>Supernatural Places</i> is a comprehensive guide to exploring the Earth's supernatural heritage and where to seek out a mystical, otherworldly <i>Supernatural</i> BRILL Using the example of the Eastern Algonkians, this book argues that Native Americans did not convert to Christianity, but rather made sense of Christianity in their own traditional ways and for their own social purposes. <b>The Ylem</b> Author House A Guide to Unleashing Your Supernatural Powers Have you ever dreamed of having supernatural powers? Christmastime,  
1921. Four senior girls from an elite preparatory school on the outskirts of Washington, D.C., set off after a terrible storm to witness the fury of a devastating flood at the nearby glen. When they spot a dark shape pass by in the raging creek, followed by a small white

dress, the possibility they were bystanders to a drowning threatens their harmonious existence. Forest Glen's National Park Seminary, with its eccentrically designed buildings, lavish gardens, and classical statuary, is a place out of step with time, a cloistered bastion of wealth and privilege isolated from the realities of life beyond its forested campus. When an enigmatic New York industrialist arrives the morning after the flood with an unexpected offer to purchase the school, the haunting mystery at the glen is compounded by the Manhattan tycoon's true designs for the property and the private demons he hopes to exorcise during his visit. "Incident at Forest Glen" is an evocative, stylish thriller exploring

---

the tension between the rigidity of academia and societal norms and the mysticism of the foreboding and untamed natural world surrounding the school. When these worlds collide, the results are tragic for the unprepared girls.

Kathrine Lee...has an amazing ability to cheer people on to become who God designed them to be by communicating life changing stories wrapped in God's truth.-Lysa TerKeurst, President of Proverbs 31 Ministries and New York Times best-selling author The world can be full of challenges. Often, we must fight to see the good in the world. Kathrine Lee refuses to give up the fight. She believes there is good in the world, despite the pain and challenges we face. Learn how she found the spiritual strength and courage to stand up to disappointments and pain and find her path forward. A path that leads to joy, hope, and adventure. Lee left the church at a young age and wandered through dark valleys until she found her way back to the light. Once there, she became a passionate crusader for love and justice. In Interrupted, Lee discusses how she made the decisions that have given her such a fulfilling, satisfying spiritual and emotional existence. She shares her concern for anyone-but especially women-who has not felt the transformative power of God's grace. As Lee writes, that pain can be turned into an amazing purpose! Proceeds of her book will help her continue her work with Pure Hope Foundation, her nonprofit that assists in the restoration of those victimized by sex trafficking. "
