[So I'm a Double Threat](#) Dixie Wardens, Inc.

Molly Jenkins has one naughty little secret: her job as a bestselling erotic fiction author. Until her inspiration runs dry--thanks to a creepy ex--and it's time to skip town and move back to tiny Tumble Creek, Colorado. One look at former high school hunk chief of police Ben Lawson and Molly is back in business. The town gossip is buzzing at her door and, worse still, a stalker seems to be watching her every move. Thankfully, her very own lawman has taken to coming over, often. The only problem now is that Molly may have to let the cat out of the bag about her chosen profession, and straitlaced Ben will definitely not approve....

[The Hook Up](#) The Edge

A troubled ex con, the child he was never supposed to meet, and a feisty grad student who refuses to give up on love...Before age sixteen I was kicked to the streets.Since then I've been living up to a violent legacy.Which is why a man like me isn't cut out to be a dad.And if this kid had another option I wouldn't try to be one now.But for once I'm going to step up.I'll try to be better than I am for the sake of my son.I don't know if I'll ever be free of my sins.I do know it might not be wise to get close enough to find out.Into this chaos walks Isabella Gentry.She was warned to keep her distance.I was the one who warned her.She's beautiful and hopeful and headstrong and spoiled.And, thanks to a weird chain of events, she's also my freaking roommate.A part of me wants to turn her world upside down in the cruelest way imaginable.The rest of me wants to worship the ground she walks on.This can go one of two ways.Either I'll decide to be

the worst version of myself.Or I'll surrender the past in order to build a family and a future.And maybe along the way I'll prove something.That the villain everyone loves to hate might be redeemable yet...

[Boomtown](#) Macmillan

In the post-9/11 era, a flood of memoirs has wrestled with anxieties both personal and national.

[The Power Trip](#) Harper Collins

Clark Gable arrived in Hollywood after a rough-and-tumble youth, and his breezy, big-boned, everyman persona quickly made him the town's king. He was a gambler among gamblers, a heavy drinker in the days when everyone drank seemingly all the time, and a lover to legions of the most attractive women in the most glamorous business in the world, including the great love of his life, Carole Lombard. In this well-researched and revealing biography, Warren G. Harris gives an exceptionally acute portrait of one of the most memorable actors in the history of motion pictures—whose intimates included such legends as Marilyn Monroe, Joan Crawford, Loretta Young, David O. Selznick, Jean Harlow, Judy Garland, Lana Turner, Spencer Tracy, and Grace Kelly—as well as a vivid sense of the glamour and excess of mid-century Hollywood.

[Your Wildest Dreams, Within Reason](#) Crown

Archetype

Written in side-splitting and often cringe-inducing detail, Paul Feig takes you in a time machine to a world of bombardment by dodge balls, ill-fated prom dates, hellish school bus rides, and other aspects of public school life that will keep you laughing in recognition and occasionally sighing in relief that you aren't him. Kick Me is a nostalgic trip for the inner geek in all of us.

[Cool, Calm & Contentious](#) Infobase Publishing

Your Wildest Dreams, Within Reason collects Mike Sacks's unique humor pieces--craigslist ads,

lesser-known tantric positions, letters to famous authors, lists, jokes, and the occasional illustration--into one handsome volume. Ever accidentally sent a mass e-mail to your office describing your Not Safe-For-Work fantasy kingdom? Or been confused about the ground rules at a cuddle party? Looking to rent an overpriced room in the Hamptons from a co-dependent sociopath with a checkered past (and a hot tub)? Good. Your Wildest Dreams, Within Reason collects Mike Sacks's unique humor pieces--Craigslist ads, lesser-known tantric positions, letters to famous authors, Shaft living in the suburbs, a classic-rock DJ suffering a nervous breakdown, the occasional list--into one handsome, convenient volume. Originally published in The New Yorker, Vanity Fair, Esquire, and McSweeney's, among other venerable publications, Sacks's writing is original and sharp, yet broadly funny. Whether it's a groom tweeting his wedding and honeymoon in real time, or a publisher offering editorial suggestions for The Diary of Anne Frank, Sacks's work tangles contemporary social satire with his absurdist sensibilities.

experiments to help solve sexual problems
Saving You, Saving Me: You & Me Trilogy
Penguin

Sam never thought she would fall for the one mysterious guy she has been speaking to over the phone for months, the boy the counselors called Daggars. She wasn't supposed to talk to him outside of their sessions. But as she began to peel the layers of Daggars and learn who he is, the one boy she is supposed to be saving, might just be the one who is saving her. --Back cover.

High-Low-Split Poker, Seven-Card Stud and Omaha Eight-Or-Better for Advanced Players
Little, Brown

The third book in the "For Advanced Players" series. It is really books 3 and 4 for two reasons. First, many of the concepts are similar for both games. Second, players mastering one game can easily make the transition to the other. Some of the ideas discussed in the seven-card stud eight-or-better section include starting hands, when an ace raises, disguising your hand on third street, play on fourth street, fifth street, sixth street, seventh street, position, bluffing, staying to the end, and scare cards. Some of the ideas discussed in the Omaha eight-or-better section include general concepts, position, low hands, high hands, your starting hand, how to play your hand, play on the flop, multiway versus short handed play, scare cards, getting counterfeited, and your playing style. A great deal of this material has never appeared in print before.

A Covert Affair National Geographic Books
Lost in love and don't know much? Paul Feig knew even less... Like any other red-blooded, straight young man, Paul Feig spent much of his teenage years trying to solve the mystery of women. Unlike

most red-blooded, straight teenage boys, however, Paul Feig was sadly at a considerable disadvantage. He was tall and gangly. He had a love for musical theater. And, perhaps the death knell for his burgeoning sex life, Paul was a tap dance student. (And we have the pictures to prove it--see the front cover.) Infused with the same witty and infectiously readable style of his first book, *Kick Me*, *Superstud* chronicles the trials and tribulations of Feig's young dating life with all the same excruciating detail as an on-air gastric bypass--and you just won't be able to tear yourself away. Feig's series of shudder-to-think but oddly familiar (come on--we've all been dumped by someone we didn't even like that much) anecdotes include: his first date, at an REO Speedwagon concert with the most endowed girl in school, who leaves him sitting next to a puddle of puke; his first breakup, accomplished by moving across the country; his mortifying date with his secretly bigoted girlfriend; his discovery of a new self-love technique that almost lands him in the hospital; and his less-than-idealistic "first time," which he nevertheless elevates to biblical proportions. In *Superstud*, Paul Feig tells all in a hilarious but true testament to geekdom, love, and growing up.

To America with Love National Geographic Books
Comedian Lewis Black unleashes his trademark subversive wit while recounting his own life story in his New York Times bestselling memoir. You've seen him on *The Daily Show* with Jon Stewart offering up his trademark angry observational humor on everything from politics to pop culture. You've seen his energetic stand-up performances on HBO, Comedy Central, and in venues across the globe. Now, for the first time, Lewis Black translates his volcanic eruptions into book form in *Nothing's Sacred*, a collection of rants against stupidity and authority, which oftentimes go hand in hand. With subversive wit and intellectual honesty, Lewis examines the events of his life that shaped his antiauthoritarian point of view and developed his comedic perspective. Growing up in 1950s suburbia when father knew best and there was a

sitcom to prove it, he began to regard authority with a jaundiced eye at an early age. And as that sentiment grew stronger with each passing year, so did his ability to hone in on the absurd. True to form, he puts common sense above ideology and distills hilarious, biting commentary on all things politically and culturally relevant. "No one is safe from Lewis Black's comic missiles." (New York Times) You have been warned....

Strays St. Martin's Press

Shortlisted for the Man Booker Prize, this big, brilliant, profoundly observed novel by National Book Award Finalist Joshua Ferris explores the absurdities of modern life and one man's search for meaning. Paul O'Rourke is a man made of contradictions: he loves the world, but doesn't know how to live in it. He's a Luddite addicted to his iPhone, a dentist with a nicotine habit, a rabid Red Sox fan devastated by their victories, and an atheist not quite willing to let go of God. Then someone begins to impersonate Paul online, and he watches in horror as a website, a Facebook page, and a Twitter account are created in his name. What begins as an outrageous violation of his privacy soon becomes something more soul-frightening: the possibility that the online "Paul" might be a better version of the real thing. As Paul's quest to learn why his identity has been stolen deepens, he is forced to confront his troubled past and his uncertain future in a life disturbingly split between the real and the virtual. At once laugh-out-loud funny about the absurdities of the modern world, and indelibly profound about the eternal questions of the meaning of life, love and truth, *TO RISE AGAIN AT A DECENT HOUR* is a deeply moving and constantly surprising tour de force.

Freaks and Geeks, the Complete Scripts Tin House

Books

Bestselling author Jennet Conant brings us a stunning account of Julia and Paul Child's experiences as members of the Office of Strategic Services (OSS) in the Far East during World War II and the tumultuous years when they were caught up in the McCarthy Red spy hunt in the 1950s and behaved with bravery and honor. It is the fascinating portrait of a group of idealistic men and women who were recruited by the citizen spy service, slapped into uniform, and dispatched to wage political warfare in remote outposts in Ceylon, India, and China. The eager, inexperienced 6 foot 2 inch Julia springs to life in these pages, a gangly golf-playing California girl who had never been farther abroad than Tijuana. Single and thirty years old when she joined the staff of Colonel William Donovan, Julia volunteered to be part of the OSS's ambitious mission to develop a secret intelligence network across Southeast Asia. Her first post took her to the mountaintop idyll of Kandy, the headquarters of Admiral Lord Louis Mountbatten, the supreme commander of combined operations. Julia reveled in the glamour and intrigue of her overseas assignment and lifealtering romance with the much older and more sophisticated Paul Child, who took her on trips into the jungle, introduced her to the joys of curry, and insisted on educating both her mind and palate. A painter drafted to build war rooms, Paul was a colorful, complex personality. Conant uses extracts from his letters in which his sharp eye and droll wit capture the day-to-day confusion, excitement, and improbability of being part of a cloak-and-dagger operation. When Julia and Paul were transferred to Kunming, a rugged outpost at the foot of the Burma Road, they witnessed the chaotic end of the war in China and the beginnings of the Communist revolution that would shake the world. A Covert Affair chronicles their friendship with a brilliant and eccentric array of OSS agents, including Jane Foster, a wealthy, free-spirited artist, and Elizabeth MacDonald, an adventurous young reporter. In Paris after the war, Julia and Paul remained close to their intelligence colleagues as they struggled to start new lives, only to find themselves drawn into a far more terrifying spy drama. Relying on recently unclassified OSS and FBI documents, as well as

previously unpublished letters and diaries, Conant vividly depicts a dangerous time in American history, when those who served their country suddenly found themselves called to account for their unpopular opinions and personal relationships.

Jerry Spinelli Little, Brown Books for Young Readers

Power! Sex! Money! Fame! - the new Hollywood wives are back with a vengeance. Ambitious, young, smart and lethal, whatever they don't have, they want - and whatever these women want, they get. You will meet Lissa Roman, mega movie and singing star, her wild daughter Nicci, Michael Scorsinni, the handsome private investigator with an edge, and Taylor Singer, a sometime actress married to the Hollywood mogul. Into their lives comes Eric Vernon, a dangerous psychopath with kidnapping on his mind... Her I wanted to have a pity party of one when I went for that beer. I never imagined I would meet a dark and dangerous man. That man took me on the wildest ride of my life. Literally and Figuratively. He quickly became my entire world. Him I didn't know I was looking for her. I saw her warming that bar stool and knew she would be mine. A man like me doesn't deserve the likes of her. But damned if I didn't take it. Her When we met for the first time we didn't know that we already had a connection. A cruel game was being played, and we didn't know the rules. Sam would save us, but at what cost? Sam was one of my main reasons for living. If he wasn't in this world anymore, would I still want to be a part of it?

Have Yourself a Movie Little Christmas

Plain Jane Books

Ken Kesey's bracing, insightful novel

about the meaning of madness and the value of self-reliance, and the inspiration for the new Netflix original series Ratched Boisterous, ribald, and ultimately shattering, Ken Kesey's One Flew Over the Cuckoo's Nest has left an indelible mark on the literature of our time. Turning conventional notions of sanity and insanity on their heads, the novel tells the unforgettable story of a mental ward and its inhabitants, especially tyrannical Big Nurse Ratched and Randle Patrick McMurphy, the brawling, fun-loving new inmate who resolves to oppose her. We see the story through the eyes of Chief Bromden, the seemingly mute half-Indian patient who witnesses and understands McMurphy's heroic attempt to do battle with the powers that keep them all imprisoned. Hailed upon its publication as "a glittering parable of good and evil" (The New York Times Book Review) and "a roar of protest against middlebrow society's Rules and the invisible Rulers who enforce them" (Time), Kesey's powerful book went on to sell millions of copies and remains as bracing and insightful today as when it was first released. This new deluxe hardcover edition commemorates the fiftieth anniversary of the original publication of the novel on February 1, 1962, and will be a must have for any literature lover.
