Supply Chain Logistics Management - McGraw

For an exploratory introduction into supply chain, this is a great book. Bowersox has boiled it down into an easy-to-explain and clear overview. Some topics could have been expanded into more thoroughly.

Supply Chain Logistics Management:
Amazon.co.uk: Bowersox ...

Supply Chain Logistics Management is exciting and promises to bolster traditional logistics courses and invigorate supply chain management courses, by examining traditional logistics issues within the context of the supply chain.

Supply Chain Logistics Management Bowersox
Supply chain operations require managerial processes that span across functional areas within individual firms and link trading partners and customers across organizational boundaries. Logistics, in contrast to supply chain management, is the work required to move and position inventory throughout a supply

chain.

Marc Rooijakkers - Senior Manager Supply Chain & Logistics ...

Supply Chain Logistics Management is exciting and promises to bolster traditional logistics courses and invigorate supply chain management courses, by examining traditional logistics issues within the context of the supply chain. € Supply Chain Logistics Management by Donald J. Bowersox € Supply chain operations require managerial processes that span across functional areas within individual firms and link trading partners and customers across organizational boundaries.
