Agribusiness Management uses four specific approaches to help
readers develop and enhance their capabilities as agribusiness
managers. First, this edition of the book offers a contemporary
focus that reflects the issues that agribusiness managers face both
today and are likely to face tomorrow. Specifically, food sector
firms and larger agribusiness firms receive more attention in this
edition, reflecting their increasing importance as employers of
food and agribusiness program graduates. Second, the book
presents conceptual material in a pragmatic way with illustrations
and examples that will help the reader understand how a specific
concept works in practice. Third, the book has a decision-making
emphasis, providing contemporary tools that readers will find
