following to read!

Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation Sophia

Institute Press

"Well written, often poignant and surprisingly relatable." - Kirkus Reviews "A hugely readable journey of cultural and spiritual discovery, sparkling with wit and

wisdom." - Alister McGrath "Carolyn Weber's memoir reads like a fast-paced novel. I loved the humor, skillful use of language and her compelling account of her steps to finding God at Oxford. I was totally captivated from beginning to end." - Marilyn Meberg Surprised by Oxford is the memoir of a skeptical agnostic who comes to a dynamic personal faith in God during graduate studies in literature at Oxford University. Carolyn Weber arrives at Oxford a feminist from a loving but broken family, suspicious of men and intellectually hostile to all things religious. As she grapples with her God-shaped void alongside

the friends, classmates, and professors she meets, she tackles big questions in search of Truth, love, and a life that matters. From issues of fatherhood, feminism, doubt, doctrine, and love, Weber explores the intricacies of coming to faith with an aching honesty and insight echoing that of the poets and writers she studied. Rich with illustration and literary references, *Surprised by Oxford* is at once gritty and lyrical; both humorous and spiritually perceptive. This savvy, credible account of Christian conversion and its after-effects follows the calendar year and events of the school year as it entertains, informs, and promises to engage even the most skeptical and

unlikely reader. "Surprised by Oxford is a sprightly contribution to the genre of spiritual memoirs in the vein of C.S. Lewis's *Surprised by Joy* and Lauren F. Winner's *Girl Meets God*. Carolyn Weber is an unconventional thinker whose engagingly told faith journey will speak to folks who still believe that thoughtful people cannot be Christian." - Lyle W. Dorsett

Surprised by the Healer Zondervan
What really sets the best managers above the rest? It ' s their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life,

often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect

and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance.

Circe Surprised by the Power of the Spirit For years Christians have been asking, "If you died tonight, do you know where you would go?" It turns out that many believers have been giving the wrong answer. It is not heaven. Award-winning author N. T. Wright outlines the present confusion about a Christian's future hope and shows how it is deeply intertwined with how we live today. Wright, who is one of today's premier Bible scholars, asserts that Christianity's most distinctive idea is bodily resurrection. He provides a magisterial defense for a literal resurrection of Jesus and shows how this became the cornerstone for the Christian

community's hope in the bodily resurrection of all people at the end of the age. Wright then explores our expectation of "new heavens and a new earth," revealing what happens to the dead until then and what will happen with the "second coming" of Jesus. For many, including many Christians, all this will come as a great surprise. Wright convincingly argues that what we believe about life after death directly affects what we believe about life before death. For if God intends to renew the whole creation—and if this has already begun in Jesus's resurrection—the church cannot stop at "saving souls" but must anticipate the eventual renewal by working for God's kingdom in the wider world, bringing healing and hope in the present life. Lively and accessible, this book will surprise and excite all who are interested in the meaning of life, not only after death but before it.

NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (Christianity Today) that is fundamentally transforming our understanding of white evangelicalism in America. Jesus and John Wayne is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their

VeggieTales, they ' ve read John Eldredge ' s Wild at Heart, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of “ Christian America. ” Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the “ moral majority ” backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that

Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals ' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, Jesus and John Wayne shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans. ANTHEM HarperCollins

A lawyer with a well-stamped passport and a passion for human rights, Lisa-Jo Baker never wanted to be a mom. And then she had kids. Having lost her own mother to cancer as a teenager, Lisa-Jo felt lost on her journey to

womanhood and wholly unprepared to raise children. Surprised by Motherhood is Lisa-Jos story of becoming and being a mom, and in the process, discovering that all the what to expect and how to books in the world can never truly prepare you for the sheer exhilaration, joy, and terrifying love that accompanies motherhood. Set partly in South Africa and partly in the US (with a slight detour to Ukraine along the way), Surprised by Motherhood is a poignant memoir of one womans dawning realization that being a mom isnt about being perfectits about being present. Elements of Surprise Destiny Image Publishers In compelling prose, readers are drawn into an intimate encounter with the harsh realities of infidelity, of how and why it occurs and led transparently through a pathway of awakening. Decisions are made to change, and recreate, and ultimately a transformation of a broken marriage ending in divorce becomes a new relationship.

Readers are inspired with hope and possibility. Life altering truths about love and modern marriage including the gifts and hidden dangers are explored. This is anchored in the compelling story of two people who choose to triumph over their individual and relationship failures. Plus, a step by step guide to dealing with infidelity and restoring a relationship completes this tale of love lost and love restored. Surprised by Scripture Tyndale House Publishers, Inc.

A thoughtful and provocative collection, in the vein of the intellectual spiritual classic *The Weight of Glory*, from N. T. Wright, the influential Bishop, Bible scholar, and bestselling author widely regarded as a modern C. S. Lewis. An unusual combination of scholar, churchman, and leader, N. T. Wright—hailed by *Newsweek* as “ the world ’ s leading New Testament scholar ” —is not only incredibly insightful, but conveys his knowledge in terms that excite and inspire Christian leaders worldwide, allowing them to see the Bible from a

fresh viewpoint. In this challenging and stimulating collection of popular essays, sermons, and talks, Wright provide a series of case studies which explore how the Bible can be applied to some of the most pressing contemporary issues facing us, including: Why it is possible to love the Bible and affirm evolution Why women should be allowed to be ordained Where Christians today have lost focus, and why it is important for them to engage in politics—and why that involvement benefits everyone Why the Christian belief in heaven means we should be at the forefront of the environmental movement And much more Helpful, practical, and wise, Surprised by Scripture invites readers to examine their own hearts and minds and presents new models for understanding how to affirm the Bible in today ' s world—as well as new ideas and renewed energy for deepening our faith and engaging with the world around us.

Surprised by Motherhood Harvard Business Press

In a world filled with ambiguity, we want faith to act like an orderly set of truth-claims to solve the problems that life throws at us. While there are certainties in Christian faith, at the heart of the Christian story is also paradox, and Jen Pollock Michel helps readers imagine a Christian faith open to mystery. Jesus invites us to abandon the polarities of either and or in order to embrace the difficult, wondrous dissonance of and.

Surprised by Suffering ReadHowYouWant.com At thirteen, Danya Ruttenberg decided she was an atheist. As a young adult, she immersed herself in the rhinestone-bedazzled wonderland of late 1990s San Francisco—drinking smuggled absinthe with wealthy geeks and plotting the revolution with feminist zinemakers. But she found herself yearning for something she would eventually call God. Surprised by God is a memoir of a young woman's spiritual

awakening and eventual path to the rabbinate, a story of integrating life on the edge of the twenty-first century into the discipline of traditional Judaism, without sacrificing either. It's also an unflinchingly honest guide to the kind of work that goes into developing a spiritual practice-and it shows why, perhaps, doing this in today's world requires more effort than ever.

Surprised by the Power of the Spirit Zondervan

This collection of testimonies by people who've found new life in the Catholic Church gives readers an arsenal of arguments that prove the truth of the Catholic Faith. Stories of changed lives come from a graduate of the virulently anti-Catholic Bob Jones University, an Anglican priest, a former commissioner of baseball, and more.

Surprised by Life Moody Publishers

The Healer is inviting you... God ' s word declares that there is healing for your deepest

pains, hope for your biggest disappointments, and victory over your addictions, past hurts, and past failures. His name is Jehovah Rapha, the God Who Heals, and He can redeem your broken story. In these pages, you will meet nine courageous women who have agreed to tell their stories, to share with you how they moved from hopelessness and brokenness to hope and healing. Whether from sexual abuse, betrayal in marriage, or other harrowing experiences, the Healer invited them on a unique journey of redemption in the midst of deep pain. He is inviting you, too. Linda Dillow and Dr. Juli Slattery, cofounders of Authentic Intimacy, have been writing and ministering to women in the church and clinical context for several decades. Their wisdom and experience overflow in this work to give you a trusted resource in journeying toward healing. Includes a study guide for each chapter in the

back of the book.

Surprised by Paradox Profile Books

A guide for mining the imagination to find powerful new ways to succeed. We need imagination now more than ever—to find new opportunities, rethink our businesses, and discover paths to growth. Yet too many companies have lost their ability to imagine. What is this mysterious capacity? How does imagination work? And how can organizations keep it alive and harness it in a systematic way? The Imagination Machine answers these questions and more. Drawing on the experience and insights of CEOs across several industries, as well as lessons from neuroscience, computer science, psychology, and philosophy, Martin Reeves of Boston Consulting Group's Henderson

Institute and Jack Fuller, an expert in neuroscience, provide a fascinating look into the mechanics of imagination and lay out a process for creating ideas and bringing them to life: The Seduction: How to open yourself up to surprises The Idea: How to generate new ideas The Collision: How to rethink your idea based on real-world feedback The Epidemic: How to spread an evolving idea to others The New Ordinary: How to turn your novel idea into an accepted reality The Encore: How to repeat the process—again and again. Imagination is one of the least understood but most crucial ingredients of success. It's what makes the difference between an incremental change and the kinds of pivots and paradigm shifts that are essential to transformation—especially during a crisis.

The Imagination Machine is the guide you need to demystify and operationalize this powerful human capacity, to inject new life into your company, and to head into unknown territory with the right tools at your disposal.

Surprised by God IVP Books

In *Surprised by Sound*, Roi Tartakovsky shows that the power of rhyme endures well into the twenty-first century even though its exemplary usages may differ from traditional or expected forms. His work uncovers the mechanics of rhyme, revealing how and why it remains a vital part of poetry with connections to large questions about poetic freedom, cognitive and psychoanalytic theories, and the accidental aspects of language. As a contribution to studies of sound in poetry, *Surprised by Sound* takes on two central questions: First, what is it about the

structure of rhyme that makes it such a potent and ongoing source of poetic production and extrapoetic fascination? Second, how has rhyme changed and survived in the era of free verse, whose prototypical poetry is as hostile to poetic meter as it is to the artificial sound of rhyme, including the sound of rhythmic thumping at the end of every line? In response, Tartakovsky theorizes a new category of rhyme that he terms “sporadic.” Since it is not systematized or expected, sporadic rhyme can be a single, strongly resounding rhyme used suddenly in a free verse poem. It can also be an internal rhyme in a villanelle or a few scattered rhymes unevenly distributed throughout a longer poem that nevertheless create a meaningful cluster of words. Examining usages across varied poetic traditions, Tartakovsky locates sporadic rhyme in sources ranging from a sixteenth-century sonnet to a

nonsensical, practically unperformable piece by Gertrude Stein and a 2007 MoveOn.org ad in the New York Times. With careful attention to the soundscapes of poems, *Surprised by Sound* demonstrates that rhyme's enduring value lies in its paradoxical and unstable nature as well as its capacity for creating poetic, cognitive, and psychic effects.

Surprised by Sound Penguin UK

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the *Odyssey* as a hero in her own right" (Alexandra Alter, *The New York Times*). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for

companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing

language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

Surprised By Love Wipf and Stock Publishers

In his classic Surprised by the Power of the Spirit, Jack Deere looked at the reason why many Christians (including himself at the time) struggle to believe in miraculous gifts, and he provided a

groundbreaking biblical defense of the Holy Spirit's speaking and healing activities today. In Why I Am Still Surprised by the Power of the Spirit, the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction: the Scriptures teach that God is healing and speaking today just as he did 2,000 years ago. Having almost entirely rewritten Surprised by the Power of the Spirit, this new edition comes at a time when the theological landscape has dramatically changed, and most evangelicals do believe in all the gifts of the Spirit. But many of us are still unsure how to understand those gifts, and there is much confusion today on what it means to be filled with the Spirit. This book is for those familiar with Deere's work and for newcomers alike. In it, he: Explains the nature of spiritual gifts, defining each of them. Offers sound advice on discovering and using spiritual

gifts in church. Tells documented stories of modern miracles and encounters with demonic powers. Examines the New Testament use of the phrase "filled with the Spirit" to show why and how God still fills his servants with the Holy Spirit. Introduces the newest literature defending and explaining the gifts of the Spirit. With the care of a scholar and the passion of personal experience, this new edition builds upon the legacy of Surprised by the Power of the Spirit and the profound impact it's had among Christians of many traditions.

With honesty, sensitivity, and concern for biblical truth, Sproul addresses the afterlife and the role of suffering in human experience.

Surprised by God BEYOND BOOKS HUB

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who

discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, *The Fountainhead* and *Atlas Shrugged*. *Publisher's Weekly* acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and

economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Surprised by the Voice of God Zondervan Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African

community, continued in Arrow of God and No Longer at Ease.

Surprised by the Power of the Spirit ; Surprised by the Power of God Little, Brown

This book explores the deep and abiding human need for contemplation, for coming to terms with and standing in awe of the nature and character of the God revealed in the Scriptures. When so much is wrong in the world, when our lives are troubled by so many threats, both real and imagined, we must learn to look to God and to see all things, including ourselves, in the light of who he is. A life of faithful contemplation begins to free us from the bad desires, false expectations, and corrupting illusions that bind us against our will and keep us from the fullness promised in the gospel.
