History of the Fifty-Seventh Regiment, Pennsylvania Veteran Volunteer Infantry e-artnow

This book is a complete six-volume history of the First World War, written during the war by Sir Arthur Conan Doyle. Doyle interviewed army generals, read their papers and diaries, and he also talked to numerous soldiers in order to get a full picture. He describes all the main battles of the British Army, offering very detailed accounts of battles, where great feats of bravery and courage are given. Arthur Conan Doyle (1859-1930) was a British writer best known for his detective fiction featuring the character Sherlock Holmes. The Sherlock

Holmes stories are generally considered milestones in the field of crime fiction. Doyle is also known for writing the fictional adventures of Professor Challenger and for propagating the mystery of the Mary Celeste. He was a prolific writer whose other works include fantasy and science fiction stories, plays, romances, poetry, non-fiction and historical novels. Bye-paths of Bath and Somersetshire history Forge Books Mrs. Martha J. Lamb, formerly the editor of "The American Historical Magazine," and one of the best informed historical writers of our times, left a great legacy at her death, especially to the citizens of New York, in her masterful effort "The History of the City of New York." This

work has an increasing value with each succeeding year, and, as the late Hon. Thurlow Weed wrote, "No library is complete without it". Everything about New York, from the first day of its settlement until today, that is worth knowing, is between the pages of this valuable volume. This book is widely conceived as "the" authority on the first two centuries of New York City, forever. This is volume one out of two.

A no-man's land through which raiding armies frequently passed, Loudoun County, Virginia, was itself a land of divided loyalties—one in three voters rejected secession in 1861—but with each new regiment came strengthened resolve to salvage their shattered lives despite defeat and military occupation. In this look at Loudoun County's role in the Civil War, historian Stevan

Meserve narrates not only the large-scale fighting at Ball's Bluff in 1861 and in the Loudoun Valley cavalry battles of 1863, but also the lives of the citizens who sacrificed their crops and livestock, cared for the wounded and buried the dead of storied regiments such as White's Comanches, Cole's Potomac Home Brigade, Mosby's Rangers and the Independent Loudoun Rangers. Drawing upon military accounts and other historical documents, The Civil War in Loudoun County celebrates their eventual triumph and the vibrant communities that exist today.

History of the Twelfth West Virginia Volunteer Infantry Good Press

This Scorched Earth is an amazing tour de force depicting a family's journey from near-devastation in the Civil War to their rebirth in the American West, from New York Times bestselling author William

Gear. The Civil War tore at the very roots of our nation and destroyed most of a generation. In rural Arkansas, the Hancocks were devastated by that war. They not only lost everything, but experienced an unimaginable hell. How does a traumatized human being put themselves back together? Where does a person begin to heal his or her broken mind...and does one choose damnation or redemption? For the Hancock siblings: Doc, Sarah, Butler, and Billy, the American frontier becomes a metaphor for the wilderness within—raw, and capable of being shaped. Self-salvation, however, always comes with a price. Their journey is a testament to the power of love...and the American spirit. This is their story. And ours. It provides a colorful war memoir for an infantry that took part in the War of The Rebellion from 1861 to 1865. *History of Preble County, Ohio* Cambridge University Press Includes: The regimental history of the 12th West Virginia Infantry, originally published in 1892 The Story of Andersonville and Florence by James N. Miller A complete regimental roster and index An Excerpt: The attack on Fort Gregg, Petersburg, Virginia, April 2, 1865: ...when within 50 yards of the fort, Sergt. Emanuel M. Adams of Company D, color-bearer, fell wounded. The colors were picked up and bravely carried forward by Private Joseph R.

Logsdon of Company C, as the brigade charged on over the dead and wounded of the First Division. After our men had got into the ditch surrounding the fort, they remained there perhaps twenty minutes before they made an entrance. In the meantime the Rebels were throwing dirt, stones and various kinds of missiles upon them. At length as a movement toward entering the fort, the gallant Logsdon undertook to plant the flag of the Twelfth upon the parapet, and was killed, falling back into the ditch. The colors were then seized by Lieut. Joseph Caldwell of Company A, who leaped upon the parapet, and in attempting to plant the colors there was killed, falling also into the ditch. The flag fell inside of the fort. Then the brave boys of the Twelfth rushed to the parapet to recover their flag. They were joined by comrades of the rest of the brigade. Pouring a volley into the Rebels, the boys of the Twelfth leaped into the fort and planted their flag on the parapet - the first colors on the Rebel works. Private Joseph McCauslin, Company D, and two

comrades of the 12th received the Congressional Medal of Honor for conspicuous gallantry in the assault on Fort Gregg.

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show with Jon Stewart*, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show with Jon Stewart* brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's

most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell — plus some of *The Daily Show's* most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to

become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.
