Rooted in the study of objects, British Art in the Nuclear Age addresses the role of art and visual culture in discourses surrounding nuclear science and technology, atomic power, and nuclear warfare in Cold War Britain. Examining both the fears and hopes for the future that attended the advances of the nuclear age, nine original essays explore the contributions of British-born and ?gr?rtists in the areas of sculpture, textile and applied design, painting, drawing, photo-journalism, and exhibition display. Artists discussed include: Francis Bacon, John Bratby, Lynn Chadwick, Prunella Clough, Naum Gabo, Barbara Hepworth, Peter Lanyon, Henry Moore, Eduardo Paolozzi, Peter Laszlo Peri, Isabel Rawsthorne, Alan Reynolds, Colin Self, Graham Sutherland, Feliks Topolski and John Tunnard. Also under discussion is new archival material from Picture Post magazine, and the Festival of Britain. Far from insular in its concerns, this volume draws upon cross-cultural dialogues between British and European artists and the relationship between Britain and America to engage with an interdisciplinary art history that will also prove useful to students and researchers in a variety of fields including modern European history, political science, the history of design, anthropology, and media studies.

Terms of Surrender is a story about when coming of age arrives late. On Harlow Ausby's fortieth birthday, she still feels as out of place in polished Charleston as the moon in a midday sky. From her strawberry-red hair to the matching birthmark that seems to swallow her left leg, Harlow's uncommon looks have always made her feel less than worthy of the image-conscious Ausby name. As her often cruel and critical mother, Vivian, lies dying in a

hospital bed, Harlow reexamines the choices--or lack thereof--that have brought her to a crossroads in her life. She is freshly divorced from a social climber she never loved, nursing a newly empty nest, and shocked to run into the love of her life--a man whose heart she broke twenty years earlier--and his wife, her former best friend. What she doesn't realize is that everything is about to change. Over the course of one monumental day, a secret as old as Harlow surfaces. Moving from the present to the past and then back again, Harlow's story explores rich female friendships, deep rifts between mothers and daughters, and simmering under-the-surface social scandal. Terms of Surrender is a novel that women will want to discover, because it's a story they may already know. They just haven't read it yet.

And yes, because she looks so damnably sexy, however, he refuses to give into lust. No matter how much she tempts him. But when the ghosts up the ante and try to kill them, Bastian realizes he will have to keep Jane close. Very, very close. Purely to protect her, of course. At least that's what he tells himself. This urban fantasy boxed set contains the first three novels in The Ascension Series and totals 300,000 words. When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she's also the most powerful demon to ever walk the Earth—a once-human creature that other demons now look up to as a deity. Rylie Gresham is Alpha of the last werewolf pack. They're hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone's trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise's former partner James Faulkner: a half-witch, half-angel bent on becoming God. He doesn't care what it takes to get into Eden, and the werewolf pack

gets trapped at the center of the conflict. Elise will do anything to keep James—or anyone else—from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line trying to save the world yet again...even if it means losing her friends among the werewolves, the man she once loved, and her soul itself. **ABOUT SACRIFICED IN SHADOW** Lincoln Marshall is a small-town deputy with a very big problem. Six members of his church have been found dead, killed by a rogue werewolf. He'll have to make a deal with the Devil to save victims that have gone missing—maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings—and uncover the secrets buried in Northgate. **ABOUT OATHS OF BLOOD** Werewolves are immune to every illness and can heal any wound. It should be impossible for one to become possessed by a demon. But that's exactly what Seth Wilder is facing: a werewolf gone insane from possession. He has no choice but to deliver her to the only exorcist in America, Elise Kavanagh, who also happens to be a powerful demon known as the Godslayer. Elise is in hiding when Seth and Rylie Gresham, Alpha werewolf, arrive seeking her help. She agrees, but everything has its price. What they learn about the possessed werewolf changes everything—Hell and Earth, the pack, and the future of the entire world... **ABOUT RULED BY STEEL** Elise Kavanagh failed to prevent the Breaking, and now Hell is spilling onto Earth. She's delved deep into the City of Dis in an attempt to stop the infernal armies – but even the legendary Godslayer is unprepared to face Dis's fiercest demons, not to mention the responsibility of liberating the humans they've enslaved. On Earth, rogue angel Nash Adamson is wing-deep in damage control after the Breaking, and his fellow angels don't want to get involved. War is approaching the werewolf sanctuary. If Heaven won't help them, he'll have to turn to Hell for salvation. Everything hinges on who can control the City of Dis. Elise and her allies have no choice but to rule by steel... **Search Terms:** exorcist, fallen angels, demon hunter, cheap box set, bargain box set, urban fantasy boxed set **Seven Surrenders Blood Law** The Blood Sword Legacy Bound by a brotherhood forged in the hell of a Saracen prison, eight Blood Swords -- mercenary knights for William the Conqueror -- set out to claim their legacies the only way they can: by right of arms, by right of victory, by right of conquest. For Sir Rohan du Luc, known as the Black Sword, enemies fall easily beneath his assault...until he comes face-to-face with a foe more worthy than any battle-hardened knight. Bold and courageous though she is, Saxon maiden Isabel of Alethorpe cannot stop Rohan de Luc from seizing Alethorpe and its people in the name of William the Conqueror. Then Rohan demands not just the manor, but Isabel herself. She vows that her heart will remain her own, even if she is forced to allow him to lay claim to her body. But while the lady's lips say no, Isabel's traitorous body is awakened to desire by the seductive attentions of this potent invader. Can she remain true to her Saxon heritage and her hopes that her brother may have survived the battlefield, or will Sir Rohan's skilled touch capture her unwilling heart as surely as his prowess with his sword captured her father's lands? **Malazan Book of the Fallen: Books 1-4** Shadow Moon Press The next fast-paced, thrilling adventure from bestselling author D.
