My Story of Survival from within the Camp Macmillan
The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. “The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they’d read a hundred Holocaust stories or none.”—Graeme Simsion, internationally-bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

An award-winning, internationally bestselling Holocaust memoir in the tradition of Elie Wiesel’s *Night* and Primo Levi’s *Survival in Auschwitz* In the spring of 1944, gendarmes forcibly removed Tibor “Max” Eisen and his family from their home, brought them to a brickyard and eventually loaded them onto crowded cattle cars bound for Auschwitz-Birkenau. At fifteen years of age, Eisen survived the selection process and was inducted into the camp as a slave laborer. More than seventy years after the Nazi camps were liberated by the Allies, *By Chance Alone* details Eisen’s story of survival: the backbreaking slave labor in Auschwitz I, the infamous death march in January 1945, the painful aftermath of liberation and Eisen’s journey of physical and psychological healing. Ultimately, the book offers a message of hope as the author finds his way to a new life.

In this collection of essays based on his time as a Jewish prisoner in the Nazi camps, Primo Levi creates a series of sketches of the people he met who retained their humanity even in the most inhumane circumstances. Having already written two memoirs of his survival at Auschwitz, Levi knew there was still more left untold. Collected in this book are stray vignettes of fifteen individuals Levi met during his imprisonment. Whether it was the young Romani man who smuggled a creased photo of his bride past the camp guards or the starving prisoner who still insisted on fasting on Yom Kippur, the memory of these individuals stayed with Levi for long after. They represent for him “bizarre, marginal moments of reprieve.” Neither simple heroes nor victims, but people who never lost sight of their humanity in the face of unimaginable suffering. Written with the author’s signature humility and intelligence, *Moments of Reprieve* shines with lyricism and insight. Nearly forty years after their publication, Levi’s words remain as beautiful as they are necessary. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading

Primo Levi is a lesson in the resiliency of the human spirit.

First published in English in 1965, "The Reawakening" is Primo Levi's bestselling sequel to his classic memoir of the Holocaust, "Survival in Auschwitz." The inspiring story of Levi's liberation from the German death camp in January 1945 by the Red Army, it tells of his strange and eventful journey home to Italy by way of the Soviet Union, Hungary, and Romania. Levi's railway travels take him through bombed-out cities and transit camps, with keen insight he describes the former prisoners and Russian soldiers he encounters along the way. An extraordinary account of faith, hope, and undying courage, "The Reawakening" was praised by Irving Howe as "a remarkable feat of literary craft."

A haunting WWII memoir of two sisters who survived Auschwitz that picks up where Anne Frank's Diary left off and gives voice to the children we lost. On March 28, 1944, six-year-old Tati and her four-year-old sister Andra were roused from their sleep and arrested.

Along with their mother, Mira, their aunt, and cousin Sergio, they were deported to Auschwitz. Over 230,000 children were deported to the camp, where Josef Mengele, the Angel of Death, performed deadly experiments on them. Only a few dozen children survived, Tati and Andra among them. Tati, Andra, and Sergio were separated from their mothers upon arrival. But Mira was determined to keep track of her girls. After being tattooed with their inmate numbers, she made them memorize her number and told them to "always remember your name." In keeping this promise to their mother, the sisters were able to be reunited with their parents when WWII ended. An unforgettable narrative of the power of sisterhood in the most extreme circumstances, and of how a mother's love can overcome the most impossible odds, the Bucci sisters' memoir is a timely reminder that separating families is an inexcusable evil.

A True Story of Family and Survival in Auschwitz Abacus

In April-May 1994, 800,000 Rwandan Tutsis were massacred by their Hutu fellow citizens--about 10,000 a day, mostly being hacked to death by machete. In Machete Season, the veteran foreign correspondent Jean Hatzfeld reports on the results of his interviews with nine of the Hutu killers. They were all friends who came from a single region where they helped to kill 50,000 out of their 59,000 Tutsi neighbors, and all of them are now in prison, some awaiting execution. It is usually presumed that killers will not tell the truth about their brutal actions, but Hatzfeld elicited extraordinary testimony from these men about the genocide they had perpetrated. He rightly sees that their account raises as many questions as it answers. Adabert, Alphonse, Ignace, and the others (most of them farmers) told

Hatzfeld how the work was given to them, what they thought about it, how they did it, and what their responses were to the bloodbath. "Killing is easier than farming," one says. "I got into it, no problem," says another. Each describes what it was like the first time he killed someone, what he felt like when he killed a mother and child, how he reacted when he killed a cordial acquaintance, how 'cutting' a person with a machete differed from 'cutting' a calf or a sugarcane. And they had plenty of time to tell Hatzfeld, too, about whether and why they had reconsidered their motives, their moral responsibility, their guilt, remorse, or indifference to the crimes. Hatzfeld's meditation on the banal, horrific testimony of the genocidaires and what it means is lucid, humane, and wise: he relates the Rwanda horror to war crimes and to other genocidal episodes in human history. Especially since the Holocaust, it has been conventional to presume that only depraved and monstrous evil incarnate could perpetrate such crimes, but it may be, he suggests, that such actions are within the realm of ordinary human conduct. To read this disturbing, enlightening and very brave book is to consider in a new light the foundation of human morality and ethics.

A Remarkable Story of Survival and Courage in Auschwitz

HarperCollins

This is the first attempt to explain how Jewish doctors survived extreme adversity in Auschwitz where death could occur at any moment. The ordinary Jewish slave labourer survived an average of fifteen weeks. Ross Halpin discovers that Jewish doctors survived an average of twenty months, many under the same horrendous conditions as ordinary prisoners. Despite their status as privileged prisoners Jewish doctors starved, froze, were beaten to death and executed. Many Holocaust survivors attest that luck, God and miracles were their saviors. The author suggests that surviving Auschwitz was far more complex. Interweaving the stories of Jewish doctors before and during the Holocaust Halpin develops a model that explains the anatomy of survival. According to his model the genesis of survival of extreme adversity is the will to live which must be accompanied by the necessities of life, specific personal traits and defence mechanisms. For survival all four must co-exist.

The Daoshi Chronicles, Book One Harlequin

The "thought-provoking...must-read" (Ariana Neumann, author of When Time Stopped) memoir by a Holocaust survivor who saved an untold number of lives at Auschwitz through everyday acts of courage and kindness—in the vein of A Bookshop in Berlin and The Nazi Officer's Wife. In March 1942, twenty-five-year-old kindergarten teacher Magda

Hellinger and nearly a thousand other young women were deported as some of the first Jews to be sent to the Auschwitz concentration camp. The SS soon discovered that by putting prisoners in charge of the day-to-day accommodation blocks, they could deflect attention away from themselves. Magda was one such prisoner selected for leadership and put in charge of hundreds of women in the notorious Experimental Block 10. She found herself constantly walking a dangerously fine line: saving lives while avoiding suspicion by the SS and risking execution. Through her inner strength and shrewd survival instincts, she was able to rise above the horror and cruelty of the camps and build pivotal relationships with the women under her watch, and even some of Auschwitz's most notorious Nazi senior officers. Based on Magda's personal account and completed by her daughter's extensive research, this is "an unputdownable account of resilience and the power of compassion" (Booklist) in the face of indescribable evil.

Under Fire: The Story of a Squad The most powerful, brutal, and vivid novel to come out of WW-I To the men of the French Sixth Battalion, war is not about bands playing and flags waving. It is about mud, lice, and death. It is about survival under the worst possible conditions, where a wound that put you in the hospital made you a lucky man. Under Fire was one of the first novels to come out of WW-I, being published even before the war was over. It's realism and intensity set the standard for the war novels to come, including Hemingway's A Farewell to Arms, and Remarque's All Quiet on the Western Front. It's realism, however, is not manufactured. It was born out of the experiences of the author who began work on the novel literally while he was still in the trenches. The book has no plot in the traditional sense. It is a series of incidents woven together to present the reality of the war. It's power lies in the incredibly vivid pictures it presents. In 1916 it won the prestigious Goncourt Prize, given by the Academie Goncourt to the author of "the best and most imaginative prose work of the year" and is, even today, considered one of the great war novels of all time."

An inspiring true story of hope and survival, this is the testimony of a boy who was imprisoned in Auschwitz, Gross-Rosen and Buchenwald and recorded his experiences through words and color drawings. In June 1943, after long years of hardship and persecution, thirteen-year-old Thomas Geve and his mother were deported to Auschwitz-Birkenau. Separated upon arrival, he was left to fend for himself in the men's camp of Auschwitz I. During 22 harsh months in three camps, Thomas experienced and witnessed the cruel and inhumane world of Nazi concentration and death camps. Nonetheless, he never gave up the will to live. Miraculously, he survived and was liberated from Buchenwald at the age of fifteen. While still in the camp and too weak to leave, Thomas felt a compelling need to document it all, and drew over eighty drawings, all portrayed in simple yet poignant detail with extraordinary accuracy. He not only shared the infamous scenes, but also the day-to-day events of life in the camps, alongside inmates' manifestations of humanity, support and friendship. To honor his lost friends and the millions of silenced victims of the Holocaust, in the years following the war, Thomas put his story into words. Despite the evil of the camps, his account provides a striking affirmation of life. *The Boy Who Drew Auschwitz*, accompanied with 56 of his color illustrations, is the unique testimony of young Thomas and his quest for a brighter tomorrow.

After Auschwitz HarperCollins

Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel. . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of

Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

The Truce Simon and Schuster

Among the first written accounts of the concentration camps—a major literary and historical discovery. While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, *Auschwitz Report* details the authors' harrowing deportation to Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi's first lucid attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-century literature and testimony. *Auschwitz Report* is a major literary and historical discovery.

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of

a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together.
