What Does a Concept Artist Do? Concept artists, also called "conceptual artists," create visual images of ideas for use in areas such as animation, comic book illustration, gaming, advertising, print, and many others. Concept artists work with other art departments to ensure that the right visual style is reflected in each part of the project.

The reason I chose to post about it here, is because it is one of the most visually stunning games I've ever played on a Nintendo hand held. I love the art style of the characters, I absolutely love the hand drawn and pieced together animated backgrounds, and the story is awesome. Visually, it is one of the most stunning games I've ever seen.
