Zombie Fallout 2: A Plague Upon Your Family  
Bloomsbury Publishing USA

The dead have risen, and they are hungry. They are tough, they are lethal, and they are everywhere. Savage packs of the undead wander the world, feeding on the living. And they are getting stronger... In Brattleboro, Vermont, John Mason and his beautiful young wife Sara believe that family can survive anything. When the apocalypse arrives they pack food, clothing, and weapons, then hit the road with their dog seeking refuge in the mountains of John 's youth. There John and Sara, together with family, friends, and neighbors, build a stronghold against the encroaching mass of the dead. The mindless walking dead are only the beginning of their troubles in this new, violent world. Something darker still is moving, and John, Sara, and the

other survivors must unite and fight together or be torn apart by this New Zed Order.

Black Sabbath Simon and Schuster

In your hands is a poetry journal written by an undead poet, recounting his firsthand experience during the zombie plague. Little is known about the author before he turned into a zombie, but thanks to his continued writings in this journal - even after his death - you can accompany him from infection to demise. Through the intimate poetry of haiku, the zombie chronicles his epic journey through deserted streets and barricaded doors. Each three-line poem, structured in the classic 5-7-5 syllable structure, unravels a little more of the story. You'll love every eye-popping, gut-wrenching, flesh-eating page!

*Plague of the Dead* PublicAffairs  
Your mother hollers that you're going to miss the bus. She can see it coming down the street. You

---

don't stop and hug her and tell her you love her. You don't thank her for being a good, kind, patient mother. Of course not—you launch yourself down the stairs and make a run for the corner. Only, if it's the last time you'll ever see your mother, you sort of start to wish you'd stopped and did those things. Maybe even missed the bus. But the bus was barreling down our street, so I ran. Fourteen kids. One superstore. A million things that go wrong. In Emmy Laybourne's action-packed debut novel, six high school kids (some popular, some not), two eighth graders (one a tech genius), and six little kids trapped together in a chain superstore build a refuge for themselves inside. While outside, a series of escalating disasters, beginning with a monster hailstorm and ending with a chemical weapons spill, seems to be tearing the world—as they know it—apart.

### Monument 14 Bloomsbury Publishing

Sporadic news reports indicate chaos and violence spreading through US cities. An unknown evil is sweeping the planet. The dead are rising to claim the earth as the new dominant species in the food chain. Day by Day Armageddon and its sequel Beyond Exile are the handwritten journals of one desperate survivor as he battles in the face of global disaster. Zombie fiction at its finest, these books will

---

take you to a whole new level of terror.

*Zombie Haiku* Harper Collins

Recounts the events of China's Long March, describing the odyssey of thousands of Chinese Communists from their bases to the remote north of China and discussing stories behind the March, including ruthless purges, hunger and disease, and mistreatment of women.

Plague of the Dead DevilDog Press

The Next Day is a ground-breaking graphic novel, constructed from interviews with survivors of near-fatal suicide attempts. In this poetic and profound philosophical exploration, illustrated by acclaimed small-press legend John Porcellino ("A master at miniature poignance," Entertainment

Weekly), four diverse participants each answer the same key questions about life, the decision to end it, and what comes after...The Next Day is being simultaneously developed and released as a separate interactive animated on-line experience, co-produced by the prestigious National Film Board of Canada (recipient of 70 Academy Award nominations). It is an exciting new hybrid of documentary film, animation, comic book and interactive storytelling to release in May 2011. Praise for John Porcellino: "Porcellino creates some of the most thoughtful, intelligent, sympathetic & beautiful comix in America" (TIME) "A master at miniature poignance." (Entertainment

---

Weekly)Praise for The Next Day:"The Next Day project doesn't sugarcoat the difficulties required to face and overcome to get to those years; instead, it shows that others -- who may be very much like you -- have managed to get there." (School Library Journal's Adult Books 4 Teens blog)"As a rule, Open Book doesn't post reviews or recommendations, but I am going to break that rule. If you are someone who is prone to moodiness, if you sometimes feel like life has kicked your ass so hard there's no possible way you could ever recuperate, if you've ever felt so profoundly alone that, even for a moment, you questioned your own tangible existence -- in other words, if

you're a human being -- I urge you to buy a copy of The Next Day. It is a sublimely beautiful, haunting and viscerally moving book." (Open Book Toronto)"The Next Day is intimate and accessible; it is compassionate, but unsentimental: the authors wisely don't try to suggest that everything will somehow be better in the morning. Most importantly, it may help those afflicted by mental illness realize they're not alone." (Quill and Quire)

A LOT CAN CHANGE IN THREE MONTHS:

Wars can be decided, nations can be forged . . .

. . . or entire species can be brought to the brink

of annihilation. The Morningstar virus has

swept the face of the planet, infecting billions.

Its hosts rampage; its victims don't die, but

---

are reborn as cannibalistic shamblers. SCATTERED ACROSS THE WORLD, EMBATTLED GROUPS HAVE PERSEVERED. For some, survival is the pinnacle of achievement. Others hoard goods and weapons. And still others leverage power over the remnants of humanity with a mysterious cure. Francis Sherman and Anna Demilio want only a vaccine, but to find it they must cross a ravaged landscape of the infected and the lawless living. THE BULK OF THE STORM HAS PASSED, leaving echoing thunder and softly drifting ashes. But for the survivors, the peril remains, and the search for a cure is just beginning. . . . Returning to the terrifying vision of his “awesome zombie novel” (David Moody) *Plague of the Dead*, Z.A. Recht “will once again make you turn your lights on” (J.L. Bourne) with this chilling apocalyptic thriller. *Thunder and Ashes* Atlantic Monthly Press

The United States of America is falling before the armies of the dead. Leading the sole survivors of the US Army's 10th Mountain Division out of the overrun city of New York, Captain Phil Hastings heads for the safety of Fort Indiantown Gap, a National Guard training facility deep in the woodlands of Pennsylvania. Joining with other remnants of the military, government, and civilian communities, Hastings and his men must try to keep the tsunami of corpses from taking over the world and plan the resurrection of the nation. But first, they have to outlast the ravages of the dead... ..and the living. **A Paradise Built in Hell** Simon and Schuster

---

Decades before reality television was invented, Ozzy Osbourne was subversive and dark. Ozzy was the singer in the heavy metal band Black Sabbath, and they meant business. In an era when rock bands were measured by how 'heavy' they were, no one was weightier than Black Sabbath. All four founding members of the original Black Sabbath grew up within half-a-mile of each other in a tiny Birmingham suburb. Though all shared a deep love of music--The Beatles for Ozzy, the Mothers of Invention for Geezer, the Shadows and Chet Atkins for Iommi, and Gene Kruppa for Ward—they formed their group "as the quickest way out of the slums." This is the story of how they made that dream come true--and how it then turned into a nightmare for all of them. At the height of their fame, Sabbath discovered they'd been so badly ripped off by their managers they didn't even own their own songs. They looked for salvation from Don Arden—an even more notorious gangster figure, who resurrected their career but still left them indebted to him, financially and personally. It finally came to a head when in 1979 they sacked Ozzy: "For being too out of control--even for us," as Bill Ward put it. The next fifteen years were a war between the post-Ozzy Sabbath and Ozzy himself, whose solo career overshadowed Sabbath so much

---

that a reunion was entirely on his terms. Or rather, those of his wife and manager—to add a further bitter twist for Sabbath, daughter of Don Arden—Sharon Osbourne.

### Pariah IUCN

Four best friends—Check. One unforgettable week in Kauai—Check. Sun, surf, and hula girls in bikinis—Check. A creepy mansion on the forbidden side of the island.... Check? Sam and Colby's vacation in paradise goes from enchanting, to weird, to deadly, when Trey, an old acquaintance, insists they can't leave without a visit to the legendary N? Pali Coast. It turns out Trey has been living at the infamous Belle Estate, owned by a wealthy and eccentric widow—who locals believe is a witch. The only thing odder

than how a twenty-three-year-old college kid from Utah ended up living in a remote and isolated mansion on the North Shore of Kauai is that he is romantically involved with a woman old enough to be their grandmother. Belle Estate's walls hold an eerie sway over all who enter, and a dark, shadowy presence seems to be following them around the grounds. When an unfavorable change of plans forces them to stay overnight, Sam and Colby are in for the most terrifying encounter of their lives.

### Survivors St. Martin's Press

Nele Neuhaus's *The Ice Queen* is a character- and plot-driven mystery about revenge, power, and long-forgotten and covered up secrets from a time in German history that still affects the present. The body of 92-year-old

---

Jossi Goldberg, Holocaust survivor and American citizen, is found shot to death execution-style in his house near Frankfurt. A five-digit number is scrawled in blood at the murder scene. The autopsy reveals an old and unsuccessfully covered tattoo on the corpse's arm—a blood type marker once used by Hitler's SS. Pia Kirchhoff and Oliver Bodenstein are faced with a riddle. Was the old man not Jewish after all? Who was he, really? Two more, similar murders happen—one of a wheelchair-bound old lady in a nursing home, and one of a man with a cellar filled with Nazi paraphernalia—and slowly the connections between the victims becomes evident: All of them were lifelong friends with Vera von Kaltensee, baroness, well-respected philanthropist, and head of an old, rich family that she rules with an iron fist. Pia and Oliver follow the trail, which leads them all the way back to the end of World War II and the area of Poland that then belonged to East Prussia. No one is who they claim to be, and things only begin to make sense when the two investigators realize what the bloody number stands for, and uncover an old diary and an eyewitness who is finally willing to come forward.

October Baby Simon and Schuster  
The Morningstar virus. Those infected suffer delirium, fever, violent behaviour ... and a hundred per cent mortality rate. But that's not the worst of it. The victims

---

return from the dead to walk the earth. And when a massive military operation fails to contain the plague of the living dead, it escalates into a worldwide pandemic. On one side of the world, thousands of miles from home, a battle-hardened general surveys the remnants of his command: a young medic, a veteran photographer, a rash private, and dozens of refugees -- all of them his responsibility. Meanwhile in the United States, an army colonel discovers the darker side of Morningstar and collaborates with a well-known journalist to leak the information to the public...

Paradise Island Simon and Schuster

Nineteen-year-old Remy King is on a mission to get across the wasteland left of America,

and nothing will stand in her way - not violent marauders, a spoiled rock star, or an army of flesh-eating zombies.

Beyond Exile: Day by Day Armageddon

Permuted Press

"The more we felt the Germans' heavy boots in our lives, the more I knew I had to leave . . . but I was scared. Where was I going to go? What would I live on?"

The Long March Harper Collins

Hal and Sidra Stone are the creators of "Voice Dialogue" process, a therapy that transforms the inner critic from crippling adversary to productive ally. The inner critic. It whispers, whines, and needles us into place. It checks our thoughts, controls our behavior, and inhibits action. It thinks it is protecting us from being disliked, hurt, or

---

abandoned. Instead, the critical inner voice causes shame, anxiety, depression, exhaustion, and low-self-esteem. It acts as a powerful saboteur of our intimate relationships and is a major contributor to drug and alcohol abuse. Through examples and exercises, the Stones show us how to recognize the critic, how to avoid or minimize "critic attacks," and, most important, how the inner critic can become an intelligent, perceptive, and supportive partner in life.

Plague of the Dead Simon and Schuster

The "zombie apocalypse," once on the fringes of horror, has become one of the most buzzworthy genres in popular culture. Now, in *Plague of the Dead*, Z.A. Recht delivers an intelligent, gripping thriller that will leave both

new and die-hard zombie fans breathless. The end begins with a viral outbreak unlike anything mankind has ever encountered before. The infected are subject to delirium, fever, a dramatic increase in violent behavior, and a one-hundred percent mortality rate. But it doesn't end there. The victims return from death to walk the earth. When a massive military operation fails to contain the living dead it escalates into a global pandemic. In one fell swoop, the necessities of life become much more basic. Gone are petty everyday concerns. Gone are the amenities of civilized life. Yet a single law of nature remains: Live, or die. Kill, or be killed. On one side of the world, a battle-hardened general surveys the remnants of his command: a young medic, a veteran photographer, a brash Private, and dozens of refugees, all are his responsibility—all thousands of miles from home. Back in the United States, an Army colonel discovers the

---

darker side of Morningstar virus and begins to collaborate with a well-known journalist to leak the information to the public...and the Morningstar Saga has begun.

Revolution 19 Macmillan + ORM

After a zombie plague infects most of the world, the residents of a New York City apartment, who have escaped infection, fight among themselves until they spy an uninfected teenage girl outside, not getting attacked.

*Embracing Your Inner Critic* Penguin

A lawyer, Katie, and a housewife, Jenni, are thrown together by circumstance and find themselves fleeing for their lives when a horde of zombies takes over the world.

**Rise Again** Simon and Schuster

Rise Again marks a vivid and powerful fiction debut from an author who

“balances kinetically choreographed scenes of zombie carnage with studies of well-drawn characters and enough political intrigue to give his tale more gravity and grounding than most zombie gore-fests” (Publishers Weekly). A mysterious contagion. Mass hysteria. Sudden death. And a warning that would come all too late... Forest Peak, California. Fourth of July. Sheriff Danielle Adelman, a troubled war veteran, thinks she has all the problems she can handle in this all-American town after her kid sister runs away from home. But when a disease-stricken horde of panicked refugees fleeing the fall of Los Angeles swarms her small mountain community, Danny realizes

---

her problems have only just begun—starting with what might very well be the end of the world. Danny thought she had seen humanity at its worst in war-torn Iraq, but nothing could prepare her for the remorseless struggle to survive in a dying world being overrun by the reanimated dead and men turned monster. Obsessed with finding her missing sister against all odds, Danny's epic and dangerous journey across the California desert will challenge her spirit . . . and bring her to the precipice of sanity itself. . . .

exerting a subtle mind control over survivors"--

*Dancing in the Glory of Monsters* Simon and Schuster

"In this science fiction thriller, brothers are pitted against each other as a pandemic threatens to destabilize world governments by
