Jason Steadman is a thirty-year-old sales executive living in Boston and working for an electronics giant, a competitor to Sony and Panasonic. He's a witty, charismatic guy who's well liked at the office, but he lacks the "killer instinct" necessary to move up the corporate ladder. To the chagrin of his ambitious wife, it looks as if his career has hit a ceiling. Jason's been sidelined. But all that will change one evening when Jason meets Kurt Semko, a former Special Forces officer just back from Iraq. Looking for a decent pitcher for the company softball team, Jason gets Kurt, who was once drafted by the majors, a job in Corporate Security. Soon, good things start to happen for Jason—and bad things start to happen to Jason's rivals. His career suddenly takes off. He's an overnight success. Only too late does Jason discover that his friend Kurt has been secretly paving his path to the top by the most "efficient"—and ruthless—means available. After all, as Kurt says, "Business is war, right?" But when Jason tries to put a stop to it, he finds that his new best friend has become the most dangerous enemy imaginable. And now it's far more than just his career that lies in the balance. A riveting tale of ambition, intrigue, and the price of success, *Killer Instinct* is Joseph Finder at his best. *San Francisco Chronicle ** Pittsburgh Post Gazette

****The Instant NEW YORK TIMES Bestseller**** New York Times bestselling author Joseph Finder returns with an explosive new thriller about a female judge and the one personal misstep that could lead to her—and her family's—downfall. It was nothing more than a one-night stand. Juliana Brody, a judge in the Superior Court of Massachusetts, is rumored to be in consideration for the federal circuit, maybe someday the highest court in the land. At a conference in a Chicago hotel, she meets a gentle, vulnerable man and has an unforgettable night with him—something she'd never done before. They part with an explicit understanding that this must never happen again. But back home in Boston, Juliana realizes that this was no random encounter. The man from Chicago proves to have an integral role in a case she's presiding over—a sex-discrimination case that's received national attention. Juliana discovers that she's been entrapped, her night of infidelity captured on video. Strings are being pulled in high places, a terrifying unfolding conspiracy that will turn her life upside down. But soon it becomes clear that personal humiliation, even the possible destruction of her career, are the least of her concerns, as her own life and the lives of her family are put in mortal jeopardy. In the end, turning the tables on her

adversaries will require her to be as ruthless as they are.

A desperate father is offered a loan by Thomas Galvin, one of the wealthiest men in Boston. But the moment the money is wired into his account, the DEA comes knocking on his door. He's given a choice: an indictment for accepting drug money, or become part of the sting to bring Galvin down.

Defending Jacob Head of Zeus

From the author of the New York Times–bestselling and Edgar Award–winning *The Expats* As dawn approaches in New York, literary agent Isabel Reed is turning the final pages of a mysterious, anonymous manuscript, racing through the explosive revelations about powerful people, as well as long-hidden secrets about her own past. In Copenhagen, veteran CIA operative Hayden Gray, determined that this sweeping story be buried, is suddenly staring down the barrel of an unexpected gun. And in Zurich, the author himself is hiding in a shadowy expat life, trying to atone for a lifetime's worth of lies and betrayals with publication of *The Accident*, while always looking over his shoulder. Over the course of one long, desperate, increasingly perilous day, these lives collide as the book begins its dangerous march toward publication, toward saving or ruining careers and companies, placing everything at risk—and everyone in mortal peril. The rich cast of characters—in publishing and film, politics and espionage—are all forced to confront the consequences of their ambitions, the schisms between their ideal selves and the people they actually became. The action rockets around Europe and across America, with an intricate web of duplicities stretching back a quarter-century to a dark winding road in upstate New York, where the shocking truth about the accident itself is buried. Gripping, sophisticated, layered, and impossible to put down, *The Accident* proves once again that Chris Pavone is a true master of suspense.

"As moving as it is gripping. A winner on all fronts."—Booklist (starred review) "Heart-pounding... This is Gross's best work yet, with his heart and soul imprinted on every page."—Kirkus Reviews (starred review) Poland, 1944. Alfred Mendl and his family are brought on a crowded train to a Nazi concentration camp after being caught trying to flee Paris with forged papers. His family is torn away from him on arrival, his life's work burned before his eyes. To the guards, he is just another prisoner, but in fact Mendl—a renowned physicist—holds knowledge that only two people in the world possess. And the other is already at work for the Nazi war machine. Four thousand miles away, in Washington, DC, Intelligence lieutenant Nathan Blum routinely decodes messages from occupied Poland. Having escaped the Krakow ghetto as a teenager after the Nazis executed his family, Nathan longs to do more for his new country in the war. But never did he expect the proposal he receives from "Wild" Bill Donovan, head of the OSS: to sneak into the most guarded place on earth, a living hell, on a mission to find and escape with one man, the one man the Allies believe can ensure them victory in the war. Bursting with compelling characters and tense story lines, this historical thriller from New York Times bestseller Andrew Gross is a deeply affecting, unputdownable series of twists and turns through a landscape at times horrifyingly familiar but still completely new and compelling.

The inside story of Lee Harvey Oswald's path to killing John F. Kennedy. Reissued to mark the 50th anniversary of the Kennedy assassination, *Marina and Lee* is an indispensable account of one of America's most traumatic events, and a classic work of narrative history. In her meticulous, at times even moment by moment, account of Oswald's progress toward the assassination, Priscilla Johnson

McMillan takes us inside Oswald's fevered mind and his manic marriage. When Marina, only a few weeks after giving birth to their second child, hears of Kennedy's death and discovers that Lee's rifle is missing from the garage where it was stored, she knows that her husband has killed the President. McMillan came to the story with a unique knowledge of the two main characters. In the 1950s she had worked for Kennedy and had known him well for a time. Later, working in Moscow as a journalist, she interviewed Lee Harvey Oswald during his attempt to defect to the Soviet Union. When she heard his name again on November 22, 1963, she said, "My God! I know that boy!" Marina and Lee was written with the complete and exclusive cooperation of Oswald's Russian-born wife, Marina Prusakova, whom McMillan debriefed for seven months in the immediate aftermath of the President's assassination and her husband's nationally televised execution at the hands of Jack Ruby. The truth is far more compelling, and unsettling, than the most imaginative conspiracy theory. Marina and Lee is a human drama that is outrageous, heartbreaking, tragic, fascinating. . . and real. From the Trade Paperback edition.

Nick Heller is tough, smart, and stubborn. And in his line of work, it's essential. Trained in the Special Forces, Nick is a high-powered intelligence investigator—exposing secrets that powerful people would rather keep hidden. He's a guy you don't want to mess with. He's also the man you call when you need a problem fixed. Desperate, with nowhere else to run, Nick's nephew, Gabe makes that call one night. After being attacked in Georgetown, his mother, Lauren, lies in a coma, and his step-dad, Roger, Nick's brother, has vanished without a trace. Nick and Roger have been on the outs since the arrest, trial, and conviction of their father, the notorious "fugitive financier," Victor Heller. Where Nick strayed from the path, Roger followed their father's footsteps into the corporate world. Now, as Nick searches for his brother, he's on a collision course with one of the most powerful corporations in the world—and they will stop at nothing to protect their secrets, in Joseph Finder's thrilling *Vanished*.

The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft. Dramatically and entertainingly, *Bad Paper* reveals why. It tells the story of Aaron Siegel, a former banking executive, and Brandon Wilson, a former armed robber, who become partners and go in quest of "paper"—the uncollected debts that are sold off by banks for pennies on the dollar. As Aaron and Brandon learn, the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs. Introducing an unforgettable cast of strivers and rogues, Jake Halpern chronicles their lives as they manage high-pressure call centers, hunt for paper in Las Vegas casinos, and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers. He also tracks a "package" of debt that is stolen by unscrupulous collectors, leading to a dramatic showdown with guns in a Buffalo corner store. Along the way, he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers. The result is a vital exposé that is also a bravura feat of storytelling.

"Private investigator Nick Heller is hired to infiltrate a powerful family whose wealth and reputation hide something far more sinister"---

Plan B HarperCollins UK

"Joseph Finder is incapable of writing a bad thriller. I'd follow Nick Heller anywhere."—C. J. Box, #1 New York Times bestselling author of *Long Range* In New York Times bestselling author Joseph Finder's electrifying new thriller, private investigator Nick Heller infiltrates a powerful wealthy family hiding something sinister. Nick Heller is at the top of his game when he receives some devastating news: his old army buddy Sean has died of an overdose. Sean, who once saved Nick's life, got addicted to opioids after returning home wounded from war. Then at Sean's funeral, a stranger approaches Nick with a job, and maybe also a way for Nick to hold someone accountable. The woman is the daughter of a pharmaceutical kingpin worth billions. All Nick has to do is find the document that proves the family knew the drug's dangers. But Nick soon realizes that the sins of the patriarch are just the beginning. Beneath the surface are barely conceal cabals and conspiracies—a twisting story of family intrigue and lethal corporate machinations. In a deadly game of chess that pits Nick against a family dynasty, against brothers and sisters with schemes of their own, he learns how far his enemy is willing to go to protect its name and its wealth.
