The One Man Simon and Schuster
Somewhere in Baltimore's Johns Hopkins Medical Center lies a wounded man, William

Covington--a man half-paralyzed by a gunshot wound to the head. He has trouble speaking, is subject to seizures, and is learning to walk all over again. Company Mano be there--the story of a man on the brink.

House on Fire Grove Press

In New York Times bestselling author Joseph Finder's electrifying new

thriller, private investigator Nick Heller infiltrates a powerful wealthy family hiding something sinister. Nick Heller is at the top of his game when he receives some devastating news: his old army buddy Sean has died of an overdose. Sean, who once saved Nick's life, got addicted to opioids after returning home wounded from war. Then at Sean's funeral, a stranger approaches Nick with a job, and maybe also a way for Nick to hold someone accountable. The woman is the daughter of a pharmaceutical kingpin worth billions. Now she wants to become a whistleblower, exposing her father and his company for burying evidence that its biggest money-maker was dangerously addictive. It was a lie that killed hundreds of thousands of people, including Sean. All Nick has to do is find the document that proves the family knew the drug's dangers. But Nick soon realizes that the sins of the patriarch are just the beginning. Beneath the surface are barely concealed cabals and conspiracies: a twisting story of family intrigue and lethal corporate machinations. In a deadly game of chess that pits Nick against a family

dynasty, against brothers and sisters with schemes of their own, Nick learns how far his enemy is willing to go to protect its name and its wealth.

Vanished Dutton

Brad Parks's smart-mouthed, quick-witted reporter returns in *The Girl Next*

Door—another action-packed entry in his award-winning series, written with an unforgettable mix of humor and suspense.

Reading his own newspaper's obituaries, veteran reporter Carter Ross comes across that of a woman named Nancy Marino, who was the victim of a hit-and-run while she was on the job delivering copies of that very paper, the *Eagle-Examiner*. Struck by the opportunity to write a heroic piece about an

everyday woman killed too young, he heads to her wake to gather tributes and anecdotes. It's the last place Ross expects to find controversy—which is exactly what happens when one of Nancy's sisters convinces him that the accident might not have been accidental at all. It turns out that the kind and generous Nancy may have made a few enemies, starting with her boss at the diner where she was a part-time waitress, and even including the publisher of the *Eagle-Examiner*. Carter's investigation of this seemingly simple story soon has him in big trouble with his full-time editor and sometime girlfriend, Tina Thompson, not to mention the rest of his bosses at the paper, but he can't let it go—the story is just too good, and it keeps getting better. But will his nose for

trouble finally take him too far?

Bad Paper St. Martin's Press New York Times bestselling author Joseph Finder delivers an exhilarating and timely thriller exploring how even the most powerful among us can be brought down by a carefully crafted lie and how the secrets we keep can never truly stay buried. The chief justice of the Supreme Court is about to be defamed, his career destroyed, by a powerful gossip website that specializes in dirt on celebs and politicians. Their top reporter has written an exposé claiming that he had liaisons with an escort, a young woman prepared to tell the world her salacious tale. But the chief justice is not without allies and his greatest supporter is determined to stop the story in its tracks. Nick Heller is a private spy—an intelligence operative based in Boston, hired by lawyers, politicians, and even foreign governments. A high-powered

investigator with a penchant for doing things his own way, he's called to Washington, DC, to help out in this delicate, potentially explosive situation. Nick has just forty-eight hours to disprove the story about the chief justice. But when the call girl is found murdered, the case takes a dangerous turn, and Nick resolves to find the mastermind behind the conspiracy before anyone else falls victim to the maelstrom of political scandal and ruined reputations predicated upon one long-buried secret.

When the Sacred Ginmill Closes Penguin

More than simply a vital collection development tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

Killer Instinct American Library Association

The Federal Trade Commission receives more complaints about rogue debt collecting than about any activity besides identity theft. Dramatically and entertainingly, *Bad Paper* reveals why. It tells the story of Aaron Siegel, a former banking executive, and Brandon Wilson, a former armed robber, who become partners and go in quest of "paper"—the uncollected debts that are sold off by banks for pennies on the dollar. As Aaron and Brandon learn, the world of consumer debt collection is an unregulated shadowland where operators often make unwarranted threats and even collect debts that are not theirs. Introducing an unforgettable cast of strivers and rogues, Jake Halpern chronicles their lives as they manage high-pressure call centers, hunt for paper in Las Vegas casinos, and meet in parked cars to sell the social security numbers and account information of unsuspecting consumers. He also tracks a "package" of debt that is stolen by unscrupulous collectors, leading to a dramatic showdown with guns in a Buffalo corner store. Along the way, he reveals the human cost of a system that compounds the troubles of hardworking Americans and permits banks to ignore their former customers. The result is a vital exposé that is also a bravura feat of storytelling.

Red Baker Cornell
University Press
"A high octane thrill ride!"
- San Francisco Chronicle
on *Paranoia*
Joseph Finder's New York Times bestseller *Paranoia* was hailed by critics as "jet-propelled," the "Page Turner of the Year," and "the archetype of the thriller in its contemporary form." Now Finder returns with *Company Man* - a

heart-stopping thriller about sense of morality - and her ambition, betrayal, and the price of secrets. Nick Conover is the CEO of a major corporation, a local boy made good, and once the most admired man in a company town. But that was before the layoffs. When a faceless stalker menaces his family, Nick, a single father of two since the recent death of his wife, finds that the gated community they live in is no protection at all. He decides to take action, a tragedy ensues - and immediately his life spirals out of control. At work, Nick begins to uncover a conspiracy against him, involving some of his closest colleagues. He doesn't know who he can trust - including the brilliant, troubled new woman in his life. Meanwhile, his actions are being probed by a homicide detective named Audrey Rhimes, a relentless investigator with a strong

own, very personal reason for pursuing Nick Conover. With everything he cares about in the balance, Nick discovers strengths he never knew he had. His enemies don't realize how hard he'll fight to save his company. And nobody knows how far he'll go to protect his family.

Mesmerizing and psychologically astute, Company Man is Joseph Finder's most compelling and original novel yet. Suspicion Macmillan + ORM

From a #1 bestselling author, a formidable assassin is assigned his most dangerous mission yet in this "home run" of an espionage thriller (David Baldacci, New York Times bestselling author). It is the fall of 1951, and the Korean War is raging. Twenty-six-year-old Nikolai Hel

has spent the last three years in solitary confinement at the hands of the Americans. He has the skills to be the world's most fearsome assassin and now the CIA needs him. They offer him freedom, money, and a neutral passport in exchange for one small service: to go to Beijing and kill the Soviet Union's commissioner to China. It's almost certainly a suicide mission, but Hel accepts. Now he must survive chaos, violence, suspicion, and betrayal while trying to achieve his ultimate goal of satori—the possibility of true understanding and harmony with the world.

High Crimes Running Press Adult
Joakim Zander delivers another "compelling, timely, and character-

centered thriller" (Booklist) in this riveting story of international espionage. November 2015. Jacob Seger arrives in Lebanon eager to make the most of his internship at the Swedish embassy in Beirut. But when he meets the handsome and mysterious Yassim at a glamorous party his first night in the city, he is swept up into a passionate, obsessive affair that renders everything else in his life insignificant. When terrorist claims against Yassim are brought to light, Jacob must confront his role in a complicated game he is wholly unprepared to play. Unsure who to believe or trust, he knows only that he must flee Beirut—and fast. Meanwhile in Sweden Klara Wallden

returns to the Stockholm archipelago to bury her beloved grandfather, her best friend Gabriella by her side. What should be a trip of mourning and solitude quickly turns perilous, however, when Gabi is arrested under suspicion of terrorist activity. After finding notes in Gabi ' s purse about a clandestine meeting with a young Swedish diplomat, Klara springs into action, determined to clear her friend ' s name. Following Gabi ' s trail, Klara comes face-to-face with Jacob, as well as with George Loow, a suave lobbyist from her past to whom she finds herself inexorably drawn. Now Klara, George, and Jacob set off on a race across Europe to stop a pending terrorist attack—and get to the bottom of

Yassim ' s true identity.
Buried Secrets St. Martin's Press

Includes an excerpt from the author's *Fixer*.

The Cutaway Simon and Schuster

When Rick Hoffman loses his job and apartment, his only option is to move back into the home of his miserable youth, now empty and in decay since his father's stroke. But when he starts to pull it apart, he makes an electrifying discovery that will put his life in peril, and change everything he thought he knew about his father.

Power Play Harper Collins

Jason Steadman is a thirty-year-old sales

executive living in Boston and working for an electronics giant, a competitor to Sony and Panasonic. He's a witty, charismatic guy who's well liked at the office, but he lacks the "killer instinct" necessary to move up the corporate ladder. To the chagrin of his ambitious wife, it looks as if his career has hit a ceiling. Jason's been sidelined. But all that will change one evening when Jason meets Kurt Semko, a former Special Forces officer just back from Iraq. Looking for a decent pitcher for the company softball team, Jason gets Kurt, who was once drafted by the majors, a job in Corporate Security.

Soon, good things start to happen for Jason—and bad things start to happen to Jason's rivals. His career suddenly takes off. He's an overnight success. Only too late does Jason discover that his friend Kurt has been secretly paving his path to the top by the most "efficient"—and ruthless—means available. After all, as Kurt says, "Business is war, right?" But when Jason tries to put a stop to it, he finds that his new best friend has become the most dangerous enemy imaginable. And now it's far more than just his career that lies in the balance. A riveting tale of ambition, intrigue, and the price

of success, Killer Instinct is Joseph Finder at his best. *San Francisco Chronicle ** Pittsburgh Post Gazette Company Man St. Martin's Press
PARANOIA JOSEPH FINDER Adam Cassidy is twenty-six and a low level employee at a high-tech corporation who hates his job. When he manipulates the system to do something nice for a friend, he finds himself charged with a crime. Corporate Security gives him a choice: prison - or become a spy in the headquarters of their chief competitor, Trion Systems. They train him. They feed him inside information. Now, at Trion, he's a

star, skyrocketing to the top. He finds he has talents he never knew he possessed. He's rich, drives a Porsche, lives in a fabulous apartment, and works directly for the CEO. He's dating the girl of his dreams. His life is perfect. And all he has to do to keep it that way is betray everyone he cares about and everything he believes in. But when he tries to break off from his controllers, he finds he's in way over his head, trapped in a world in which nothing is as it seems and no one can really be trusted. And then the real nightmare begins... From the writer whose novels have been called "thrilling" (New York

Times) and "dazzling" (USA Today) comes an electrifying new novel, a roller-coaster ride of suspense that will hold the reader hostage until the final, astonishing twist. Now a major motion-picture starring, Harrison Ford, Liam Hemsworth and Gary Oldman.

The Covert Sphere

Harper Collins

In the Pacific during WWII, Billy Boyle must discover if skipper, and future president, Jack Kennedy is a cold-blooded killer. 1943: In the midst of the brutal, hard-fought Solomon Islands campaign between the Allies and the Japanese forces, Lieutenant Billy Boyle receives an odd assignment: he 's sent by the powerful Kennedy

family to investigate a murder in which PT skipper (and future president) Jack Kennedy has been implicated. The victim is a native coastwatcher, an allied intelligence operative, whom Kennedy discovered on the island of Tulagi with his head bashed in. That ' s Kennedy ' s story, anyhow. Kennedy was recovering in the Navy hospital on the island after the sinking of his PT-109 motor torpedo boat. The military hasn ' t decided yet whether to make him a hero for surviving the attack, or have him court-martialed for losing the boat, and the last thing the Kennedy clan wants is a murder charge hanging over his head. Billy knows firsthand that he shouldn ' t trust Jack: the

man is a charmer, a womanizer, and, when it suits his needs, a liar. But would he kill someone in cold blood? And if so, why? The first murder is followed by two more, and to find the killer, Billy must sort through a tangled, shifting web of motives and identities, even as combat rages all around him.

Never Tell a Lie

Minotaur Books

The author recounts how he and his family survived an investigation by the Independent Counsel, Lawrence Walsh.

The Friend Macmillan

Kick Lannigan, 21, is a survivor. Abducted at age six in broad daylight, the police, the public, perhaps even her family assumed the

worst had occurred.

And then Kathleen Lannigan was found, alive, six years later. In the early months following her freedom, as Kick struggled with PTSD, her parents put her through a litany of therapies, but nothing helped until the detective who rescued her suggested Kick learn to fight. Before she was thirteen, Kick learned marksmanship, martial arts, boxing, archery, and knife throwing. She excelled at every one, vowing she would never be victimized again. But when two children in the Portland area go missing in the same month, Kick goes into a tailspin. Then an enigmatic man Bishop

approaches her with a proposition: he is convinced Kick's experiences and expertise can be used to help rescue the abductees. Little does Kick know the case will lead directly into her terrifying past...

“ The Newsroom meets Gone Girl ”
(Cosmopolitan) in this stunning psychological thriller featuring a young television producer investigating the disappearance of a beautiful Georgetown lawyer—perfect for fans of Paula Hawkins and Gillian Flynn. When brilliant TV news producer Virginia Knightly, “ a tenacious, lovable heroine ” (Publishers Weekly, starred review),

receives a disturbing “ MISSING ” notice on her desk related to the disappearance of a beautiful young attorney, she can ’ t help but suspect that the lawyer may be at the heart of something far more sinister. When she realizes that she is the only one at her studio who seems to care, Knightly decides to investigate on her own. Risking her career, her life, and perhaps even her own sanity, Knightly dives deep into the dark underbelly of Washington, DC business and politics in an investigation that will drag her mercilessly through the inextricable webs of corruption that bind the press, the police, and politics in our nation ’ s capital. Harkening to dark

thrillers such as Luckiest Girl Alive and Big Little Lies, The Cutaway is a ravishingly suspenseful thriller.

Seven Wonders Grand Central Publishing
When the reclusive mathematician Jeremy Grady is murdered, it's up to his estranged brother Jack to find out why. Jack's search leads him on a far-flung journey -- from Brazil, India, Peru, and beyond -- as he unravels the mystery that links the Seven Wonders of the World, and discovers that Jeremy may have hit upon something that's been concealed for centuries. With the help of scientist Sloane Costa, they discover a conspiracy to hide a roadmap to the Garden of Eden -- and the truth behind a mythological

ancient culture. With a heart-pounding pace and panoramic backdrops, Seven Wonders is an electrifying read, and will be the first in a trilogy. Suspicion Dutton
Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United

States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration.

Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and

organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.
