is targeted
toward the
novice
mechanic, but
is also very
valuable for the
experienced
mechanic. The
service manual
by Clymer is an
authoritative
piece of DIY
literature and

should provide you the confidence you need to get the job done and save money too.

Suzuki Ts 50x Owner S Workshop Manual Haynes Manuals A faithful reproduction of the 1970 Floyd Clymer publication of the official factory Suzuki Workshop Manual for the T10 250cc series of motorcycles. It also includes the supplement issued by the factory for the later models of this series. There are comprehensive tables of technical data,

tolerances and fits and all of the expected data from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components, making it an invaluable resource for collectors and restorers of these classic Suzuki motorcycles. There are 190 illustrations and each procedure is explained in a step-by-step method using an appropriate illustration. The translation from Japanese to English is, at times, a little quirky but the illustrations make up for any

difficulty in understanding what needs to be done! Out-of-print and unavailable for many years, this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Suzuki enthusiasts worldwide. Chilton's Suzuki Samurai /Sidekick/Tracker 1986-98 Repair Manual Haynes Publishing This is the complete Suzuki Jimny JA12, JA22W Series manual with the final

F6A Engine Series as it transferred to the newer JA22W Series with the new and improved K6A Engine. Over 480 Pages or detailed factory parts diagrams and part numbers to maintain and or upgrade your Suzuki Jimny to the later model parts in the JA22W series. It is the full parts manual with labor hours listed for repair shops included. All models in the series are

included, convertible and van bodies. A must have manual for the Jimny JA12 & JA22W owner. Repair shops and Parts suppliers too a must have manual. See our other Jimny Service manuals available for maintenance and repair. Covers all JA12C, JA12V, JA12W and JA22W Models. Suzuki 1500 Int ruder/Boulevard C90 1998-2009 Haynes Publications This Workshop
