American Motorcyclist
Revisit the

definitive book on Pearl Harbor in advance of the 78th anniversary (December 7, 2019) of the "date which will live in infamy" At 7:53 a.m., December 7, 1941, America's national consciousness and confidence were rocked as the first wave of Japanese warplanes took aim at the U.S. Naval fleet stationed at Pearl Harbor. As intense and absorbing as a suspense novel, *At Dawn We Slept* is the unparalleled and exhaustive account of the Japanese bombing of Pearl Harbor. It

is widely regarded as the definitive assessment of the events surrounding one of the most daring and brilliant naval operations of all time. Through extensive research and interviews with American and Japanese leaders, Gordon W. Prange has written a remarkable historical account of the assault that sixty years later America cannot forget. "The reader is bound to feel its power....It is impossible to forget such an account." —The New York Times Book Review "At Dawn We Slept is the definitive account of Pearl Harbor." —Chicago Sun-Times *Motorcross and Off-Road Motorcycle Performance Handbook* American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is.
