Motojournalist Peter Jones tells all in The Bad Editor, Collected Columns and Untold Tales of Bad Behavior. This 250-page book reveals the inside story of a motojournalist's life inside the USA motorcycle industry. The book was created to be irreverent entertainment for motorcycle enthusiasts, not to even scores, vent anger, or be hard-hitting muckraking journalism. In this book, no names are mentioned, brands identified, or world problems solved. The 30 Collected Columns in this volume

first appeared, in slightly different forms, in SportRider Magazine, American Roadracing Magazine, Motorcycle Street & Strip, Speed.com, and Motorcyclist. The 19 Untold Tales of Bad Behavior are original to this book. This is the first published collection of moto-writings by Peter Jones, a familiar voice to many motorcycle enthusiasts due to his 20-plus years of motorcycle reviews, columns and lifestyle editorials in numerous periodicals. Jones is known to be a dubious writer who chooses his friends poorly and who has failed to be a positive ambassador for motorcycling.

WALNECK'S CLASSIC CYCLE TRADER, FEBRUARY 1997 Motorbooks

Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.
