Suspension is probably the most misunderstood aspect of motorcycle performance. This book, by America's premier suspension specialist, makes the art and science of suspension tuning accessible to professional and backyard motorcycle mechanics alike. Based on Paul Thede's wildly popular Race Tech Suspension Seminars, this step-by-step guide shows anyone how to make their bike, or their kid's, handle like a pro's. Thede gives a clear account of the three forces of suspension that you must understand to make accurate assessments of your suspension's condition. He outlines testing procedures that will help you gauge how well you're improving your suspension, along with your riding. And, if you're inclined to perfect your bike's handling, he even explains the black art of chassis geometry. Finally, step-by-step photos of suspension disassembly and assembly help you rebuild your forks and shocks for optimum performance. The book even provides detailed troubleshooting guides for dirt, street, and supermoto--promising a solution to virtually any handling problem.

"More people recognize the importance of Allyship—and that's great. Unfortunately, many men still don't know what they need to do to effect change

so everyone feels valued and empowered at work. In Showing Up, Ray Arata provides clear guidance on how to turn good intentions into action. I strongly recommend it to everyone interested in helping create a more equal and productive workplace." —Sheryl Sandberg, COO of Facebook and founder of LeanIn.Org and OptionB.Org Showing Up is a revolutionary step-by-step guide—by and for men—to end toxic masculinity and enact heart-based leadership, increase diversity, bolster the bottom line, and create a workplace culture where everyone wins. The Time's Up, Me Too, and Black Lives Matter movements have sounded a wake-up—especially for men. Organizations worldwide now realize the critical importance of diversity, equity, and inclusion (DEI) for underrepresented people. It's abundantly clear: the default model of masculinity isn't working for anyone. But for a new and healthier infrastructure, for permanent and transformational shifts, we need a plan that includes men. In Showing Up, Ray Arata details the proven methods he's shared with such companies as Verizon, Bloomberg, Moody's, Intel, Toyota, Hearst, and more, teaching men to • Embrace healthy masculinity as a cornerstone of inclusionary leadership; • Identify unhealthy masculine behaviors in the workplace—like mansplaining, maninterrupting, and manopolizing; • Adopt behavior modifications aligned with being an inclusive leader and ally; • Incorporate specific language to use in healthy discussions; and • Leverage power and position to elevate underrepresented groups.

Haynes Manuals

"Falling in love with Ben Kiem, despite his rowdy pranks and bad-news friends, sensible Linda Eicher must make a difficult decision when a heartbreaking misunderstanding comes between them"--

Suzuki GSX-R600 '01 to '03, GSX-R750 '00 to '03, GSX-R1000 '01-'02 Haynes Manuals N. America, Incorporated

At least 1 in 6 men have experienced some form of sexual violence. The Bible and Sexual Violence Against Men argues that the shame and stigma around male sexual abuse are interwoven with contemporary social and cultural concepts of masculinity, and are also found in the ancient world and biblical texts themselves. This book is interdisciplinary and has three main areas of exploration: #MenToo? Exploring the myths around sexual violence against men Sexual violence against men in the Hebrew Bible Reading Jesus' enforced nudity at the crucifixion as sexual violence. Given the enduring importance of the Bible in contemporary society, this book explores the biblical texts that depict sexual violence against men. It examines critical approaches from theology, biblical, and religious studies perspectives, while also exploring insights from the fields of sociology, psychology, and criminology as well as referring to legal cases and legislation, charity work, and media-focussed articles. In seeking to serve a number of interested readers, including those who are not familiar with the Bible, short summaries of the biblical texts under discussion are given in each case.

Suzuki GSX-R Wentworth Press

Take a full-throttle tour through more than a century of Harley-Davidson history with this definitive e-guide. The Ultimate Harley-Davidson tells the story of the world's greatest motorcycle make--from its origins in a backyard shed to the international company it is today, more than 100 years later. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete e-guide for lovers of this American classic. Gloriously illustrated gallery spreads showcase more than 70 of the best-loved Harleys ever created, drawing out their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalog of every production model provides technical data and key specs for each bike. Whether you're an easy rider or born to be wild--or just mad about motorcycles--there is only one Harley-Davidson, and this is the ebook for you.
