Each Clymer manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting, to a complete overhaul of your vehicle. If you're a do-it-yourselfer, then you will find this service and repair manual fantastically more comprehensive than the factory manual. When it comes to repairs and modifications, Kawasaki KLR650 is an indispensable part of the tool box. Get ahold of your copy today, and keep your bike running tomorrow.  
Haynes Publications  
Maimonides was the greatest Jewish philosopher and legal scholar of the medieval period, a towering figure who has had a profound and lasting influence on Jewish law, philosophy, and religious consciousness. This book provides a comprehensive and accessible introduction to his life and work, revealing how his philosophical sensibility and outlook informed his interpretation of Jewish tradition.  
Moshe Halbertal vividly describes Maimonides's childhood in Muslim Spain, his family's flight to North Africa to escape persecution, and their eventual resettling in Egypt. He draws on Maimonides's letters and the testimonies of his contemporaries, both Muslims and Jews, to offer new insights into his personality and the circumstances that shaped his thinking. Halbertal then turns to Maimonides's legal and philosophical work, analyzing his three great books--Commentary on the Mishnah, the Mishneh Torah, and the Guide of the Perplexed. He discusses Maimonides's battle against

all attempts to personify God, his conviction that God's presence in the world is mediated through the natural order rather than through miracles, and his locating of philosophy and science at the summit of the religious life of Torah. Halbertal examines Maimonides's philosophical positions on fundamental questions such as the nature and limits of religious language, creation and nature, prophecy, providence, the problem of evil, and the meaning of the commandments. A stunning achievement, Maimonides offers an unparalleled look at the life and thought of this important Jewish philosopher, scholar, and theologian.

*Opposites Attract...and can thrive in a marriage built on God.* The book starts with the results of a survey detailing the ten most important qualities that each man or woman wants in a spouse, then teaches us how we can be the person who breeds that quality in our husband or wife.

Throughout the book the authors use their own personalities and experience with marriage to demonstrate how to do marriage right.

Former AMA racing champion Reg Pridmore, known worldwide for his popular CLASS Motorcycle Schools, brings his decades of experience on the track, street and classroom, to the readers of this new riding skills book. After reviewing the basics, Pridmore shows advance students how to focus on control in cornering, braking, and acceleration. A long-time proponent of the value of body-steering, Pridmore's insightful text explains how this controversial technique helped him win championships and how it can help everyday riders and budding racers become smoother, better riders. Sections on street strategies and riding gear make this a comprehensive how-to riding skills book for anyone looking to improve their skills.
