With the help of the Clymer Suzuki  
DR250-350, 1990-1994 Repair Manual in  
your toolbox, you will be able to maintain,  
service and repair your motorcycle to extend  
its life for years to come. Clymer manuals are  
very well known for their thorough and  
comprehensive nature. This manual is loaded  
with step-by-step procedures along with

---

detailed photography, exploded views, charts and diagrams to enhance the steps associated with a service or repair task. This Clymer manual is organized by subsystem, with procedures grouped together for specific topics, such as front suspension, brake system, engine and transmission. It includes color wiring diagrams. The language used in this Clymer repair manual is targeted toward the novice mechanic, but is also very valuable for the experienced mechanic. The service manual by Clymer is an authoritative piece of DIY literature and should provide you the confidence you need to get the job done and save money too.

Suzuki 250 & 350 Twins Owners Workshop Manual Haynes Manuals

A faithful reproduction of the 1970 Floyd Clymer publication of the official factory Suzuki Workshop Manual for the T10 250cc series of motorcycles. It also includes the supplement issued by the factory for the later models of this series. There are comprehensive tables of technical data, tolerances and fits and all of the expected data from a factory publication for the repair and overhaul of all major and minor mechanical and electrical components, making it an invaluable resource for collectors and restorers of these classic Suzuki motorcycles. There are 190 illustrations

and each procedure is explained in a step-by-step method using an appropriate illustration. The translation from Japanese to English is, at times, a little quirky but the illustrations make up for any difficulty in understanding what needs to be done! Out-of-print and unavailable for many years, this book is highly sought after on the secondary market and we are pleased to be able to offer this reproduction as a service to all Suzuki enthusiasts worldwide.

Suzuki GS-GSX 250, 400 and 450 Twins Owners Workshop Manual, M736 Haynes Publications
