The Suzuki Vitara

is a compact SUV produced by Suzuki in four generations since 1988. The second and third generation models were known as the Suzuki Grand Vitara, with the fourth and current series eschewing the "Grand" prefix. In Japan and a number of other markets, all generations have used the name Suzuki Escudo.. The original series was designed to fill the slot above the Suzuki Jimny. Having owned both motors, the G16A and the G16B. I think its better to upgrade to a G16B, than stuff around

with the other stuff trying to improve the G16A. The difference between the two is night and day IMO, and you'll have better economy with the G16B. The G16B i had with 300,000kms was far better than the G16A with half the km's on it.
