Porsche 956 / 962 Owner's Workshop Manual Dundurn By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and

Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story

The Audi TT is one of the few cars which transcends the automotive world, and is applauded for its design per se. Since its launch in early 1999, the TT has been a spectacular sales success, particularly in the UK and the USA.

Quattro four-

wheel-drive makes the TT unique amongst the current crop of coupes and roadsters. Nearly six years after it was first unveiled to the press, the car still turns heads, and has inspired a burgeoning aftermarket accessory and tuning industry. This all-color book will fascinate all Audi TT owners and sports car enthusiasts in general.
