Kat Spears has worked as a bartender, museum director, housekeeper, park ranger, business manager, and painter (not the artistic kind). She holds an M.A. in anthropology, which has helped to advance her bartending career. She lives in Richmond, Virginia with her three freeloading kids. Sway is her debut novel.

### SWAY | Kirkus Reviews

In Kat Spears's hilarious and often poignant debut, high school senior Jesse Alderman, or "Sway," as he's known, could sell hell to a bishop. He also specializes in getting things people want—term papers, a date with the prom queen, fake IDs. He has few close friends and he never EVER lets emotions get in the way. For Jesse, life is simply a series of business transactions.

In the *Sway* by Kat Spears, Jesse is a drug distributor, I observed. The book never exclusively point out this, but we know he supplies drugs to the school students. And we all know the drug supplier has good influence power in schools. He does the freelance job as a low-level hitman or something similar.

Advice to Kat Spears: dump the Prologue. The book is so good, the story so riveting, the prologue isn't needed. This is the story of a few months in the life of a teenage boy whose emotions are almost completely locked down due to a mentally ill mother who committed suicide and a mostly absent father.
