The Warmth of Other Suns

as Sin

“ [A]n homage to true love, painful childhood experiences, and emotional scars that last a lifetime. It ’ s a story of forgiveness, especially for one ’ s self....Extraordinary. ” —The Washington Post From

“ America ’ s librarian ” and NPR books commentator Nancy Pearl comes an emotionally riveting debut novel about an unlikely marriage at a crossroads. George and Lizzie have radically different understandings of what love and marriage should be. George grew up in a warm and loving family—his father an orthodontist, his mother a stay-at-home mom—while Lizzie grew up as the only child of two famous psychologists, who viewed her more as an in-house experiment than a child to love. Over the course of their marriage, nothing has changed—George is happy; Lizzie remains...unfulfilled. When a shameful secret from Lizzie ’ s past resurfaces, she ’ ll need to face her fears in order to accept the true nature of the

Sweet relationship she and George have built over a decade together.

With pitch-perfect prose and compassion and humor to spare, George and Lizzie is an intimate story of new and past loves, the scars of childhood, and an imperfect marriage at its defining moments.

**AWARD WINNER • NEW
YORK TIMES**

BESTSELLER • In this

beautifully written

masterwork, the Pulitzer

Prize-winnner and

bestselling author of *Caste*

chronicles one of the great

untold stories of American

history: the decades-long

migration of black citizens

who fled the South for

northern and western cities,

in search of a better life.

From 1915 to 1970, this

exodus of almost six million

people changed the face of

America. Wilkerson

compares this epic migration

to the migrations of other

peoples in history. She

interviewed more than a

thousand people, and gained

access to new data and

official records, to write this

definitive and vividly

dramatic account of how

these American journeys

unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career,

which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is

destined to become a classic.

In the late sixteenth century, the world was on the brink of precipitous change. In H. Rider Haggard's novel *Fair Margaret*, the turmoil of this transitional period plays itself out in personal relationships. The beautiful daughter of an affluent merchant, Margaret's planned marriage is derailed when she is whisked away by a hot-blooded Spaniard. Her fiancé gives chase, and the story transitions into a high-seas adventure that will keep readers on the edge of their seats.

If You Want to Write Simon

The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created

what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most

fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

Winning a Cause Simon and Schuster

Magic bites... Created at Prince Taric's birth, Myla is a spell, an enchantment designed to appear and protect him when he needs it most. She has always been content to do her duty...until one night of forbidden passion leaves her longing to experience life--and love--as a mortal woman. Yet the risk is too great. Even if her blood runs as red as his, she can never give him the one thing he

needs: a child. Taric's blessing--and his curse--is knowing the kingdom's future depends on his producing an heir to continue the bloodline. His bond with Myla has always been that of protector and protected. When it suddenly becomes something much more, he unwittingly sentences his people to certain death. An old enemy is plotting to destroy all he holds dear: his lands, his people, his father, and his lover. And this time, even if they fight tooth and blade, their shared magic may not be enough to save them...

Warning: This book contains a shape-shifting bodyguard, sizzling sex scenes, supernatural lilac mist, swordfighting and heartbreaking sacrifices. No jaguars were harmed in the writing of this story.

“An imaginative, entertaining
adventure story.”-E.F. Bleiler
“Enchantment is just what this
writer exercised; he fixed

pictures in our minds that thirty
years have been unable to wear
away.”-Graham Green She and
Allan is one of H. Rider
Haggard’s most exciting
novels of adventure and
romance. In bringing together
two of his most compelling
characters, Allan Quatermain,
the quirky English Big-Game
hunter and explorer, and the
seductive and iconic
supernatural African Queen
Ayesha, or popularly known as
“she-who-must-be-obeyed,”
Haggard has created one of the
most exciting stories in his
body of work. When Allan
Quatermain seeks out the Zulu
witch-doctor Zikali in the
south of Africa to determine if
he can communicate with the
dead, he is instructed to travel
to a lost kingdom deep in the
interior of Africa. Zikali
reveals that the truth of his
inquiry will only be revealed if
Quatermain delivers a message
to a mysterious and
supernatural white sorceress

who rules over a tribe living in the ruins of an ancient city. Quatermain sets out on a perilous journey through uncharted lands full of cannibals, wild beasts, and treacherous brushes with death. When he finally reaches the rubble of the lost kingdom of Kôr, he is summoned into the presence of the immortal Queen Ayesha, “she-who-must-be-obeyed”, and is requested to lead her army into battle against the dreaded kingdom of Rezu. A spellbinding tale of supernatural fiction, *She and Allan* is one of the most intriguing and exotic works of early 20th century Fantasy. With an eye-catching new cover, and professionally typeset manuscript, this edition of *She and Allan* is both modern and readable.

Sweet as Sin Carina Press

Falling in love is easy; staying alive long enough to enjoy it just might be impossible. Javan Rhodes,

the hard-drinking, disreputable captain of space freighter *The Kypris*, took a mission to save himself from hitting the bottom of the food chain. Transporting Sola, a beautiful young aristocrat, from Earth to an unknown destination on the outer rim of the colonies is lucrative, but also highly illegal. As tough as it is to evade both the law and the lawless, the hardest part of the job is not falling in love with his irresistible cargo. Just as he decides that he will never be able to hand her over to the warlord she must marry, he discovers that Sola has been playing a very dangerous game—one that could not only cost them their lives, but could also affect the balance of power in an increasingly dangerous universe. 22,000 words

"This is a teeth-chattering, eyes bulging, shuddering-and-shaking, chills-at-the-back-of-your-neck ghost story. I loved it!"—R.L.

Stine, author of the

Goosebumps series For fans of *Small Spaces* and the Goosebumps series by R.L. Stine comes a chilling ghost

story based on real Chicago history about a malevolent spirit, an unlucky girl, and a haunting mystery that will tie the two together. Claire has absolutely no interest in the paranormal. She's a scientist, which is why she can't think of anything worse than having to help out her dad on one of his ghost-themed Chicago bus tours. She thinks she's made it through when she sees a boy with a sad face and dark eyes at the back of the bus. There's something off about his presence, especially because when she checks at the end of the tour...he's gone. Claire tries to brush it off, she must be imagining things, letting her dad's ghost stories get the best of her. But then the scratching starts. Voices whisper to her in the dark. The number 396 appears everywhere she

turns. And the boy with the dark eyes starts following her. Claire is being haunted. The boy from the bus wants something...and Claire needs to find out what before it's too late.
