The Art & Craft of Pyrography Independently Published

This exciting pioneering story, based on actual events, introduces readers to a fascinating chapter in American history, when FDR set up a New Deal colony in Alaska to give loans and land to families struggling during the Great Depression. Terpsichore can't wait to follow in Laura Ingalls Wilder's footsteps . . . now she just has to convince her mom. It's 1934, and times are tough for their family. To make a fresh start, Terpsichore's father signs up for President Roosevelt's Palmer Colony project, uprooting them from Wisconsin to become pioneers in Alaska. Their new home is a bit of a shock—it's a town still under construction in the middle of the wilderness, where the residents live in tents and share a community outhouse. But Terpsichore's not about to let first impressions get in the way of this grand adventure. Tackling its many unique challenges with her can-do attitude, she starts making things happen to make Alaska seem more like home. Soon, she and her family are able to start settling in and enjoying their new surroundings—everyone except her mother, that is. So, in order to stay, Terpsichore hatches a plan to convince her that it's a wonderful—and civilized—place to live . . . a plan that's going to take all the love, energy, and Farmer Boy expertise Terpsichore can muster.

The Southern Comfort series continues with “a wonderfully romantic, often humorous tale . . . a nice homage to Jane Austen's *Pride and Prejudice* (The Book Diva's Reads). “It is a truth universally acknowledged that a single woman in possession of a ramshackle house must be in want of a handyman.” Just because English professor Grace Williams is a woman whose “new” house is crumbling around her doesn't mean she needs an arrogant, condescending man's help, even if he does look gorgeous in faded jeans and a tool belt. What she needs is a working bathroom, not a ridiculous crush. Jake Burdette has no use for the university types who stumble around Willow Springs, with their noses in the air whenever they're not in a book. He may not be a scholar, but he's proud of the hard, honest work he does—even if he would appreciate a little more of it. He doesn't need Grace's pity, even if he does wish she wasn't so adorably sexy. They're all wrong for each other. But Grace's troublesome house seems to feel differently . . . Praise for Sarah Title's Southern Comfort Romance series “Wild, witty, and wonderful.”—Jo Goodman, New York Times bestselling author “Quite a sexy book.”—USAToday.com “A really cute and fun story . . . It's sexy and made me laugh!”—Smexy Books “A fast-paced read that provided just as many smiles from the humor as it did sizzles from the romance.”—The Book Diva's Reads
