Crimson Darkness CreateSpace Magic has no place in this world, so technically neither do I. Those around me want to see me burn—make me explode underneath their accusing glares—but I won't. There's only one person that gets me hot, and we've never spoken to each other. He's clueless to my fascination, but knows too much about secrets I've never whispered. He's different from the rest. The black sheep... Adam. I want him in my future, but my past threatens everything I've longed for. I won't run, I'll fight. I don't know what destiny has planned. I only know love can be cruel, and fate is truly wicked.

Murder by Injection Harper Collins

The present work, the result of some forty years of investigative research, is a

logical progression from my previous books: the expose of the international control of monetary issue and banking practices in the United States; a later work revealing the secret network of organizations through which these alien forces wield political power—the secret committees, foundations, and political parties through which their hidden plans are implemented; and now, to the most vital issue of all, the manner in which these depredations affect the daily lives and health of American citizens. Despite the great power of the hidden rulers, I found that only one group has the power to issue life or death sentences to any American—our nation's physicians. I discovered that these physicians, despite their great power, were themselves subjected to very strict controls over every aspect of their professional lives. These controls, surprisingly enough, were not wielded by any state or federal agency, although almost every other aspect of

American life is now under the absolute control of the bureaucracy. The physicians have their own autocracy, a private trade association, the American Medical Association. This group, which is headquartered in Chicago, Illinois, had gradually built up its power until it assumed total control over medical schools and the accreditation of physicians. The trail of these manipulators led me straight to the same lairs of the international conspirators whom I had exposed in previous books. I knew that they had already looted America, reduced its military power to a dangerously low level, and imposed bureaucratic controls on every American. I now discovered that their conspiracies also directly affected the health of every American. This conspiracy has resulted in a documented decline in the health of our citizens. We now rank far down the list of civilized nations in infant mortality and other

significant medical statistics. I was able to document the shocking record of these cold-blooded tycoons who not only plan and carry out famines, economic depressions, revolutions and wars, but who also find their greatest profits in their manipulations of our medical care. The cynicism and malice of these conspirators is something beyond the imagination of most Americans. They deliberately mulct our people of millions of dollars each year through "charitable" organizations and then use these same organizations as key groups to bolster their Medical Monopoly. Fear and intimidation are the basic techniques by which the conspirators maintain their control over all aspects of our health care, as they ruthlessly crush any competitor who challenges their profits. As in other aspects of their "behavioural control" over the American people, their most constantly used weapon against us is their employment of federal agents and federal agencies to carry out their intrigues. The proof of this operation may be the most disturbing revelation of my work.

From New York Times

bestselling author Kay

Hooper comes a classic

love story about a man

who lives by his own

strict code—and the headstrong woman who's determined to crack it. When car trouble leaves her stranded in a deserted corner of the Rockies, love is the last thing on Teddy Tyler's mind. But there's no denying the attraction that grips her the minute she lays eyes on Zach Steele, a rugged security expert staking out a gang of gunrunners in a remote mountain cabin. Zach has survived this long by adhering to a few simple principles: Travel light, travel fast, and travel alone. Now, to keep from blowing his cover, he must hold Teddy hostage for a week—if, that is, he can keep at bay his own simmering feelings for her. Teddy's not that easily confined, especially when her man's in danger. So when a simple surveillance job turns into a deadly game of cat-and-mouse, she must convince the original lone wolf to let her help—or see their chance at love fall prey to one of Zach's deadliest enemies.

When you wish upon an earl . . . Harriet Hathaway has only ever wanted one man: the Earl of Roxley.

After a passionate interlude at a house party, Harriet is convinced Roxley will do the right thing and propose. But when she returns to London, she finds the roguish earl on the verge of proposing to another. Yet Harriet refuses to believe that her hopes of a happily-ever-after are completely lost—for she can see the desire still flickering in the earl's eyes when he looks at her from across the dance floor. And when they are alone . . . there is one wish neither can deny. . . . the most extraordinary things can happen The Earl of Roxley is in a dangerous fix—and to keep Harriet safe, he must hold her at arm's length. He won't entangle her in the murderous mystery that is threatening to destroy his family and his future. But keeping Harriet Hathaway out of his troubles proves as impossible as it is to keep the determined beauty from stealing his heart.

Ignite (Midnight Fire #1)

Bailey Ardisone

If he meets her, she will die. Twenty year old sorcerer and college student Scott Tabors

knew he'd found his heart mate the moment he saw seventeen year old Olivia Whitehead outside of a coffee shop. He longs for her, he wants her, and he knows she will be his. But due to a curse on his family, he can't meet her. Not yet. So for now, he visits her in her dreams, where he can tell her everything but his name. Olivia Whitehead and her best friend Juniper are enjoying their junior year and are as close as sisters. But Olivia can't tell anyone about the strange changes she's experiencing, beginning with steamy dreams featuring a mysterious dark haired young man. But what will happen when the school heartthrob starts showing interest? Will she wait around for her dream man, or will she move on? Then, when Olivia's life is put in danger by a new threat, Scott must find a way to save her - without condemning her to an early death.

Forever My Lady Bailey Ardisone

When it comes to passion this hot, it ' s all or nothing. Olivia Townsend ' s wealthy cousin Marissa had everything a girl could ask for—a great job, a

privileged life, and all the friends she wanted. Or, at least, all the friends money could buy. But one case of mistaken identity has turned her privileged world upside down. An abduction gone wrong lands her right in the lap of the sexiest, most dangerous man she ' s ever met. To Marissa, he ' s an enigma, but one to whom she ' s irresistibly, inexplicably drawn. With him comes a new world of freedom and passion, of dark shadows and dangerous secrets, a world where nothing is what it seems—except for the blind passion that Marissa can ' t escape—or maybe even survive. Hale Maree Penguin The King had a good head on his shoulders—for the moment, anyway. Everyone agreed that King Jorian of Xylar had been a good and just ruler. In fact, many also agreed that, in this case, it was a pity that the laws of Xylar decreed that each randomly chosen King must reign for only five years and then, after due pomp and ceremony, have his head cut off! Understandably, Jorian

himself was wholeheartedly in agreement with the second sentiment, so with the help of a spell provided by the wizard Karadur, he escaped from the beheading ceremony with his head still on his shoulders. Unfortunately, his beloved wife, Queen Estrildis, was left behind, and getting her out of Xylar would be anything but simple—particularly with the Royal Guard of Xylar hot on the trail of their fugitive monarch. With Karadur's magic, Jorian might be able to pull off the rescue. But first, he would have to locate a trove of ancient spells, deal with an enemy wizard, steal an item from a 500-year-old (but still beautiful) princess who turns into a giant serpent at inopportune moments, repair the giant tower clocks of Iraz to fulfill a prophecy, break a pirate siege, and finally fly back to Xylar in an enchanted bathtub and whisk away his beloved Estrildis before the Royal Guard notices that their King (not to

mention his head) has returned. Then things began to get complicated... At the publisher's request, this title is sold without DRM (Digital Rights Management). Barely escaping one evil by the skin of their teeth, running head first into the next was the last thing they were expecting. With Nari's best friend Zaylie held hostage by the leader of the Black Eagles, Nari's number one priority is getting Zaylie, along with everyone else she cares about, out of Nikolai's clutches safe and sound. Only, the worst thing that could possibly happen has happened—Death. Before Nari can even comprehend her worst nightmare coming true, she is pulled back into the very place she had thought she escaped. But the nightmare doesn't end there. Just as she sees a silver-lining to her otherwise gloomy cloud, she discovers heart-wrenching news and has

to yet again escape an untimely death. With the hope of undoing what would normally be permanent, Nari, with the help of the two brothers she loves most in the world, sets her mind on a mission that will ultimately mean her downfall. Is the end result worth the sacrifice? ~ Namin é is left in the Earthly realm to tend to an injured Ender and F ë a. She must learn to cope with the new human elements thrown her way, but in the process, discovers something may be terribly wrong with her family back home - the one place she can no longer get to. Continue the journey that started it all. Mycah, Rydan, Nari, and Namin é are determined to take back the throne. Except, that which starts sweet, ends bitter... Crimson Dawn Sweet Oblivion (Sweet Series #1) Josephine McMaster is pretty and smart, but very much a klutzy mess. Finally, at 26, she may have actually lost the dreaded 'McMaster the Disaster' nickname that has followed her around her whole life. Josie's quite content to be single, much to her mother's disappointment. So when a bizarre contest is announced where a socialite is holding a

lottery to pick her bridesmaids (and rake in a little extra cash), she can't roll her eyes fast enough, even if it does mean meeting Jake Hall, her one and only movie star crush. Obviously, Josie doesn't enter the bridesmaid lottery, so you can imagine her surprise when her picture pops up among the winners, thanks to Mom. With a little prodding -- okay bribing -- Josie agrees to participate. The wedding turns into the event of the year, and Josie finds herself in the middle of a paparazzi feeding frenzy, which gets even crazier after Jake Hall takes a special interest in her. Can Josie handle the pressure in the spotlight? Is it possible she might really have a chance with Jake Hall? And if she's busy worrying about all that, how in the heck is she going to keep 'McMaster the Disaster' from showing up in front of the entire world?

Everything for Us Bantam ...That which starts bitter ends sweet. What do you do when those you love are

Free! ~ Nariella has a hard life. Hated and beaten by her foster father, she finds solace in the one person who has always been there for her--Rydan, her overprotective best friend. His sheltering only gets worse once

Nari collides--literally--with Mycah. A boy being chased by two kinds of evil; a boy who Nari is convinced is either the devil or an angel. But she was wrong. He's something completely different. Then there's Namin é . A servant who lives in fear for her family, for herself, and for the dying kingdom she lives in. But there is hope, and she's the only one who can bring that hope home to save them all. Namin é will risk everything to make that happen, even if it means betraying her king. People always want the truth until they have it. To be let in on secrets until they get burned by them. Nari is no different. But once she's kidnapped, tortured, and ultimately becomes intertwined in a secret world she never could've imagined existed, she knows there's no going back to blissful ignorance. And maybe she doesn't want to. If darkness is the absence of light, what results from the absence of truth? Nothing but Oblivion. Two cups of a protective, dirty talkin' alpha who loves his Cupcake. One tablespoon of a sweet southern baker who loves her Sexy Sawyer, even when he's being a hothead. A slice of the past that shows up on their doorstep, turning their world upside down with a life-altering plea. A dash of passion. A pinch of heartache. A sprinkle of hope. Mix together in a large bowl, creating a difficult choice, a testing of one's faith, and a man who will do anything to protect his family—even if it means accepting a decision that

could result in losing the one he loves most. Bake at 350 for a rich serving of life with a love that could withstand anything. Even the unthinkable. A timeless recipe that is sure to fill your heart with a generous helping of sweet love. *** This novella follows Sawyer and Grace's journey after Sweet Temptation, book two in the Men of Honor series. It is told in dual POV, has an HEA, and no cliffhanger. Sweet Temptation should be read prior to this novella. It is highly recommended to read the other books in both the Men of Honor series and the Acts of Honor series as all the characters play recurring roles. Warning: Due to mature subject matter, such as explicit sexual situations and coarse language, this story is not suitable for anyone under the age of 18."
