In the 1910s and 1920s, when circus was the most popular form of entertainment in North America, Mabel Stark made her name in a man ' s world as the greatest female tiger trainer in history, the centre-ring finale act for the Ringling Brothers Barnum & Bailey Circus. Brazen, courageous, obsessed with tigers and sexually eccentric, Stark survived a dozen severe maulings — and five husbands. Now, at age 80 and about to lose her job, she decides that there is one last thing she needs to do: Mabel Stark wants to confess.

Avi Steinberg is stumped. After defecting from yeshiva to attend Harvard, he has nothing but a senior thesis on Bugs Bunny to show for himself. While his friends and classmates advance in the world, Steinberg remains stuck at a crossroads, his “ romantic ” existence as freelance obituary writer no longer cutting it. Seeking direction (and dental insurance) Steinberg takes a job running the library counter at a Boston prison. He is quickly drawn into the community of outcasts that forms among his bookshelves—an assortment of quirky regulars, including con men, pimps, minor prophets, even ghosts—all

searching for the perfect book and a connection to the outside world.

Steinberg recounts their daily dramas with heartbreak and humor in this one-of-a-kind memoir—a piercing exploration of prison culture and an entertaining tale of one young man ' s earnest attempt to find his place in the world.

Do you believe that people can change? Can a bank robber marry the banker's daughter without having any hidden thoughts and intentions? "A Retrieved Reformation" tells the story of Jimmy, a former prisoner, who decides to quit violating the law in the name of love. He takes

up a new identity and starts a new life as an honorable man.

However he is about to face a choice which can cost him his future. Will he sacrifice himself in order to save a child in danger or he will prefer to keep his old identity in secret? William Sydney Porter, better known as O. Henry, was an American writer who lived in the late 19th century. He gains wide popularity with his short stories which often take place either in New York or some small American towns. The plot twists and the surprise endings are a typical and integral part of O. Henry's short stories. Some of his best known works are "The Gift of the Magi", "The Cop and the Anthem", "A Retrieved Reformation". His stories often deal with ordinary people and the individual aspects of life. As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

"Profound, funny ... wild and moving ... heartbreaking accounts of a lonely black childhood.... Brown sees racial oppression in national and global context; every political word she writes pounds home a lesson about commerce, money, racism, communism, you name it ... A glowing achievement. "

—Los Angeles Times Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words: " I have all the guns and all the money. I can withstand challenge from without and from within. Am I right, Comrade? " It was August 1974. From a small Oakland-based cell, the Panthers had grown to become a revolutionary national organization, mobilizing black communities and white supporters across the country—but relentlessly targeted by the police and the FBI, and increasingly riven by violence and strife within. How Brown came to a position of power over this paramilitary, male-dominated organization, and what she did with that power, is a riveting, unsparing account of self-

discovery. Brown ' s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school, where she first sensed what it meant to be black, female, and poor in America. She describes her political awakening during the bohemian years of her adolescence, and her time as a foot soldier for the Panthers, who seemed to hold the promise of redemption. And she tells of her ascent into the upper echelons of Panther leadership: her tumultuous relationship with the charismatic Huey Newton, who would become her lover and her nemesis; her experience with the male power rituals that would sow the seeds of the party's demise; and the scars that she both suffered and inflicted in that era ' s paradigm-shifting clashes of sex and power. Stunning, lyrical, and acute, this is the indelible testimony of a black woman ' s battle to define herself.

A major new biography of the fourth U.S. president, from New York Times – bestselling author Lynne Cheney James Madison was a true genius of the early republic, the leader who did more than any other to create the nation we know today. This majestic new biography tells his story. Outwardly reserved, Madison was the intellectual driving force behind the Constitution. His visionary political philosophy—eloquently

presented in the Federalist Papers—was a crucial factor behind the Constitution's ratification, and his political savvy was of major importance in getting the new government underway. As secretary of state under Thomas Jefferson, he managed the Louisiana Purchase, doubling the size of the United States. As president, Madison led the country in its first war under the Constitution, the War of 1812. Without precedent to guide him, he would demonstrate that a republic could defend its honor and independence while remaining true to its young constitution.

The Nature Fix: Why Nature Makes Us Happier, Healthier, and More Creative Macmillan Romantic sparks fly when provincial Elliot Armstrong falls for complex and sophisticated artist Evangeline van Artevalde, and neither is being completely truthful about who they are.

True Harper Collins While in London in 1705, Robert Beverley wrote and published *The History and Present State of Virginia*, one of the earliest printed English-language histories about North America by an author born there. Like his brother-in-law William Byrd II, Beverley was a scion of Virginia's planter elite, personally ambitious and at odds with royal governors in the colony. As a native-born American--most famously

claiming "I am an Indian--he provided English readers with the first thoroughgoing account of the province's past, natural history, Indians, and current politics and society. In this new edition, Susan Scott Parrish situates Beverley and his *History* in the context of the metropolitan-provincial political and cultural issues of his day and explores the many contradictions embedded in his narrative. Parrish's introduction and the accompanying annotation, along with a fresh transcription of the 1705 publication and a more comprehensive comparison of emendations in the 1722 edition, will open Beverley's *History* to new, twenty-first-century readings by students of transatlantic history, colonialism, natural science, literature, and ethnohistory. Santa, Honey Theogony Books You met star quarterback Kevin Tucker in *This Heart of Mine*. Now get ready to meet his shark of an agent, Heath Champion, and Annabelle Granger, the girl least likely to succeed. Annabelle's endured dead-end jobs, a broken engagement . . . even her hair's a mess! But that's going to change now that she's taken over her late grandmother's matchmaking business. All Annabelle has to do is land the Windy City's hottest bachelor as her client, and she'll be the most sought-after matchmaker in town. Why does the wealthy,

driven, and gorgeous sports agent Heath Champion need a matchmaker, especially a red-haired screw-up like Annabelle Granger? True, she's entertaining, and she does have a certain quirky appeal. But Heath is searching for the ultimate symbol of success -- the perfect wife. And to make an extraordinary match, he needs an extraordinary matchmaker, right? Soon everyone in Chicago has a stake in the outcome, and a very big question: When the determined matchmaker promised she'd do anything to keep her star client happy . . . did she mean anything? If Annabelle isn't careful, she just might find herself going heart-to-heart with the toughest negotiator in town.

"Solid adventure, intrigue and speculative space-tech, from a rising star in military science fiction."- DAVID BRIN, Hugo and Nebula Award-winning author of 'EXISTENCE,' 'THE POSTMAN,' and 'STARTIDE RISING' HUMANITY IS NO LONGER ALONE IN THE UNIVERSE. AN UNKNOWABLE THREAT APPROACHES EARTH . . . AND WE ARE COMPLETELY UNPREPARED TO FACE WHAT'S COMING.

Aerospace tycoon Gordon Elliot Lee cannot stand idly by while a mysterious alien presence from Delta Pavonis bears down upon mankind's only home. Shut out from NASA and military support, Gordon is forced to go it alone, to sow the seeds for an entirely new sort of planetary defense: a space-based naval force. Joined by Nathan Kelley -- a bloodied naval warrior, scarred by his own actions in the waters off North Korea -- and Kris Munoz -- an avant garde scientific genius with more ideas than sense -- these three will scour the very edges of fringe science and engineering to attempt development of Earth's first space navy in time to oppose the Deltan invasion. Beset by ridicule, government obstruction, industrial espionage, and their own personal demons, it will take a miracle just to get off the ground. But the challenges on Earth are nothing compared to what awaits them in space. Against an unknown alien enemy with vastly superior technology, a handful of human scientists and warriors must become the sword that holds the darkness at bay. MISSILES WILL FLASH, RAILGUNS WILL RUMBLE, LASERS

WILL BURN, AND DEFENDERS WILL DIE. IF THEY FAIL, OUR END IS AT HAND. "There are brilliant first contact stories, great space combat stories, and amazing stories of technological discovery. Rarely do you find all three in the same novel. Remember the name Thomas A. Mays. You're going to be seeing it on the bestseller list."- JEFF EDWARDS, Award-winning author of 'SEA OF SHADOWS,' and 'THE SEVENTH ANGEL' "Sharply written, suspenseful and tightly plotted, A SWORD INTO DARKNESS reads like the best Tom Clancy novels, with a science fiction heart provided by Arthur C. Clark. Can't wait to read more from Thomas Mays "- GRAHAM BROWN, #1 New York Times Bestselling author of 'ZERO HOUR,' 'BLACK RAIN,' and 'THE EDEN PROPHECY' [A Patriot's History of the United States](#) Kensington Books A heated rivalry turns to sizzling passion in this beach town romance by the USA Today bestselling author of No Strings Attached. In the Florida resort town of Barefoot William, kicking off

your shoes and baring some skin is as natural as sneaking under the boardwalk for an ice cream cone and stolen kisses. Laid-back Shaye Cates, whose family owns half the boardwalk, runs their businesses by cell phone under a shady umbrella. But Shaye 's life isn ' t all sunshine. The incredibly irksome fly in her coconut tanning oil is steely-eyed Trace Saunders, whose family owns the opposite side of town. When the two rivals agree to co-run a beach volleyball tournament, the contentious partnership gets all of Barefoot William buzzing. Shaye just wants to play ball, while Trace thinks only of business. But beneath the twinkling lights of the ferris wheel, opposites can attract like surf and sand. [Curve Ball](#) Sasquatch Books The invention of mass marketing led to cigarettes being emblazoned in advertising and film, deeply tied to modern notions of glamour and sex appeal. It is hard to find a photo of Humphrey Bogart or Lauren Bacall without a cigarette. No product has been so heavily promoted or has become so deeply entrenched in American consciousness. And no product has received such sustained scientific scrutiny. The development of new medical

knowledge demonstrating the dire harms of smoking ultimately shaped the evolution of evidence-based medicine. In response, the tobacco industry engineered a campaign of scientific disinformation seeking to delay, disrupt, and suppress these studies. Using a massive archive of previously secret documents, historian Allan Brandt shows how the industry pioneered these campaigns, particularly using special interest lobbying and largesse to elude regulation. But even as the cultural dominance of the cigarette has waned and consumption has fallen dramatically in the U.S., Big Tobacco remains securely positioned to expand into new global markets. The implications for the future are vast: 100 million people died of smoking-related diseases in the 20th century; in the next 100 years, we expect 1 billion deaths worldwide.
