But nobody counted on Paris's deeply loyal fans, ParSec Nation, or the outrage that would drive Fuse and Kya to work together. As ParSec Nation takes to social media and the streets in their crusade for justice, Fuse and Kya start digging into Paris's past, stumbling across a deadly secret. With new info comes new motives. “ A much-needed collection that thinks through power, desire, and human liberation. These pieces are sure to raise the level of debate about sexuality, gender, and the ways that they tie in with struggles against our ruling institutions. ” ?Roxanne Dunbar-Ortiz, Outlaw Woman “ Against the austerity of straight politics, Queering Anarchism sketches the connections between gender mutiny, queer sexualities, and anti-authoritarian desires. Through embodied histories and incendiary critique, the contributors gathered here show how we must not stop at smashing the state; rather normativity itself is the enemy of all radical possibility. ” —Eric A. Stanley, co-editor of Captive Genders What does it mean to "queer" the world around us? How does the radical refusal of the mainstream codification of GLBT identity as a new gender norm come into focus in the context of anarchist theory and practice? How do our notions of orientation inform our politics?and vice versa? Queering Anarchism brings together a diverse set of writings ranging from the deeply theoretical to the playfully personal that explore the possibilities of the concept of "queering," turning the dominant, and largely heteronormative, structures of belief and identity entirely inside out. Ranging in

topic from the economy to disability, politics, social structures, sexual practice, interpersonal relationships, and beyond, the authors here suggest that queering might be more than a set of personal preferences?pointing toward the possibility of an entirely new way of viewing the world. Contributors include Jamie Heckert, Sandra Jeppesen, Ben Shepard, Ryan Conrad, Jerimarie Liesegang, Jason Lydon, Susan Song, Stephanie Grohmann, Liat Ben-Moshe, Anthony J. Nocella, A.J. Withers, and more. Deric Shannon, C.B. Daring, J. Rogue, and Abbey Volcano are anarchists and activists who work in a wide variety of radical, feminist, and queer communities across the United States.
