How to deal with currents while swimming outdoors

Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance.

If all else fails, don't fight against the current. Sometimes you will find yourself in a current. It's very rare for an outdoor swimmer to swim at the coast and never get caught in a current. Whether it is a rapidly formed rip current or a slower forming type, the best advice is to not fight directly against the direction of flow.

Swim against the current - Idioms by The Free Dictionary

Swim against the Current is a rollicking read, telling the uplifting stories of feisty grassroots people and groups who're not just talking about change but actually producing it—in politics, business, health care, banking, religion, and other aspects of American life. Oscar Wilde said, "Be yourself. Everyone else is already taken."
