Lost Kingdoms
Ballantine Books
"Outlander meets
Camelot" (Kirsty
Logan, author of
The Gracekeepers)
in the first book
of an exciting
historical series
that reveals the
untold story of
Languoreth—a
powerful and, until
now, tragically
forgotten queen of
6th-century
Scotland—twin
sister of the man
who inspired the
legendary character
of Merlin.
Intelligent,
passionate,
rebellious, and
brave, Languoreth
is the
unforgettable
heroine of *The Lost*

Queen, a tale of
conflicted loves
and survival set
against the
cinematic backdrop
of ancient
Scotland, a magical
land of myths and
superstition
inspired by the
beauty of the
natural world. One
of the most
powerful early
medieval queens in
British history,
Languoreth ruled at
a time of enormous
disruption and
bloodshed, when the
burgeoning forces
of Christianity
threatened to
obliterate the
ancient pagan
beliefs and change
her way of life
forever. Together

with her twin brother Lailoken, a warrior and druid known to history as Merlin, Languoreth is catapulted into a world of danger and violence. When a war brings the hero Emrys Pendragon, to their door, Languoreth collides with the handsome warrior Maelgwn. Their passionate connection is forged by enchantment, but Languoreth is promised in marriage to Rhydderch, son of the High King who is sympathetic to the followers of Christianity. As Rhydderch's wife, Languoreth must assume her duty to fight for the preservation of the Old Way, her kingdom, and all she holds dear. "Moving, thrilling, and ultimately spellbinding" (BookPage), *The Lost Queen* brings this remarkable woman to life—rescuing her from obscurity, and reaffirming her place at the center of the most enduring legends of all time. "Moving, thrilling, and ultimately spellbinding, *The Lost Queen* is perfect for readers of historical fiction like *The*

Clan of the Cave
Bear and Wolf Hall,
and for lovers of
fantasy like
Outlander and The
Mists of Avalon”
(BookPage).

**Northumbria: The Lost
Kingdom** Rizzoli Publications

A fast-paced romp through apartheid-era South Africa that exemplifies the creative human capacity to overcome seemingly omnipotent enemies and overwhelming odds. The picaresque hero of this novel, Duggie, is a dispossessed black street kid turned con man. Duggie’s response to being confined to the lowest level of South Africa’s oppressive and humiliating racial hierarchy is to one-up its absurdity with his own glib logic and preposterous schemes. Duggie’s story, as one critic puts it, offers “an encyclopedic catalogue of rip-offs, swindles, and hoaxes” that regularly land him in jail

and rely on his white targets’ refusal to admit a black man is capable of outsmarting them. Duggie exploits South Africa’s bureaucratic pass laws and leverages his artificial leg every chance he gets. As “a worthless embarrassment to the authorities and a bad example to the convicts,” Duggie even manages to get himself thrown out of jail. From Duggie’s Depression-era childhood in urban Johannesburg to World War II and the rise of the white supremacist apartheid regime to his final, bitter triumph, Boetie’s narrative celebrates humanity’s relentless drive to survive at any cost. This new edition of Boetie’s out-of-print classic features a recently discovered photograph of the author, an introduction replete with previously unpublished research, numerous annotations, and is accompanied by Lionel Abrahams’ haunting poem, “Soweto Funeral,” composed after attending Boetie’s interment, all of which render

the text accessible to a new generation of readers. The Lost Kingdom of Fallada Volume 1 Box Set Atria Books The Lost Kingdom of Anian Regnum: The Mystery of Ancient British Columbia, Canada An Alternative History Article on the History of British Columbia, Canada There is a mystery about British Columbia, Canada- a historical mystery that is just as significant as any other historical mystery in our past. No one remembers the story of Ancient British Columbia, and we are not taught about it in school. Not so long ago, ' Anian Regnum ' was inscribed on all the oldest maps, searched for by the Explorers of Old, believed by those who came after, and spoken of in written history by respected Historians. This unknown place of Anian Regnum was shown to be established within the mountains of British Columbia before it was British Columbia- but it is now forgotten in time and disregarded as myth. Could it be possible that ' Anian Regnum ' did exist, and might we begin to assemble the fragmented annals of our

written history to find the Lost Kingdom.

The Lost Queen Little, Brown Books for Young Readers

This book is a collection of research articles that are presented in a simple way, but can be used as material for further reflection on what had happened in Aceh after conflict and tsunami. There are eleven research article titles here which basically describe that Aceh is a rich country in natural resources but looks poor. Aceh has a rich cultural heritage but is not recorded in various Indonesian national history books. Aceh is an Islamic sharia province, but various implementations of Islamic values ??and also various values ??contained in various Acehnese cultural heritages also seem to still

have to be fought for as learning capital in rebuilding the lives of the Acehnese people after conflict and tsunami. So far, there are still many people from outside of Aceh region looking at the Acehnese with “negative thinking” and also have even attached the various negative stereotypes such as “Aceh pungo” (crazy) and so on. Aceh is like a “black portrait” but there is still a horizon of hope after conflict and tsunami to try to restore the existing of Acehnese ethnicity through a values ??revitalization program as reflected in the various post-conflict and tsunami cultural heritages. Its means here is that we have essentially lost of Acehnese values. With the lost of Acehnese values, it also means that we have lost our cultural identity as

Acehnese who have their own ethnicity.
Lost Kingdom Open Road + Grove/Atlantic
For many of us the history of Africa is, at best, vague. We might think of Egyptian pyramids, legendary queens (of Sheba or Cleopatra) and Zulu warriors. The truth, however, is one of remarkably diverse, creative, culturally rich civilisations. In this book, which accompanies an 8-part BBC series, Gus Casely-Hayford takes us on a fascinating journey through the history of this remarkable continent. We will encounter archaeological sites of staggering beauty that rival the Great Wall of China, vast and ancient universities that predate Oxford and Cambridge, kingdoms of

extraordinary wealth, artistic traditions that still inspire artists today, great religious sites that surpass the Vatican, and a country with more pyramids than Egypt. In recent years new archaeological and anthropological research has opened up the study of African history in ways previously unimaginable. Long-lost kingdoms are suddenly being brought back to life. Civilisations that had faded into myth are revealing their secrets. Using this latest research, Gus Casely-Hayford is able to tell the history of Africa's major kingdoms in an entirely new, colourful and richly-informed way. Accessible and inspiring, *The Lost Kingdoms of Africa* is both a major addition to our understanding of this

oft-overlooked history and a source of genuine delight and wonder. Familiarity Is the Kingdom of the Lost Metropolitan Museum of Art Perfect for fans of *The School for Good and Evil* and *A Tale of Magic...*, this Barnes & Noble Children's Book Award finalist and Amazon Best Book of the Month is a charming fantasy debut that puts a new spin on the legend of Camelot. Twelve-year-old Ellie can't help that she's a witch, the most hated member of society. Determined to prove her worth and eschew her heritage, Ellie applies to the Fairy Godmother Academy—her golden ticket to societal acceptance. But Ellie's dreams are squashed when she receives the dreaded draft letter to serve as a knight of King Arthur's legendary Round Table. She can get out of the draft—but only if

she saves a lost cause. Enter Caedmon, a boy from Wisconsin struggling with the death of his best friend. He first dismisses the draft as ridiculous; magic can't possibly exist. But when Merlin's ancient magic foretells his family's death if he doesn't follow through, he travels to the knights' castle, where he learns of a wicked curse leeching the knights of their power. To break the curse, Ellie and Caedmon must pass a series of deathly trials and reforge the lost, shattered sword of Excalibur. And unless Ellie accepts her witch magic and Caedmon rises to become the knight he's meant to be, they will both fail—and the world will fall to the same darkness that brought King Arthur and Camelot to ruin.

Exciting Stories Society and
Technological Change continues to be the essential text for exploring the relationship between

human societies and the ever-evolving landscape of technology. The ninth edition follows the historical trajectory of technological development and its profound impact on various aspects of human life, from communication and healthcare to economic systems and governance. At the same time, it shows how these technologies have themselves been shaped by social, economic, cultural, and political forces, and that the study of technology is important not just for its own sake but also for what it tells us about the kinds of societies we make for ourselves. With its engaging writing style and thought-provoking content, this new edition continues to be an indispensable resource for students, scholars, and anyone seeking a deep understanding of the intricate bond between society and technology in our ever-evolving world.

NEW YORK TIMES BESTSELLER • A deeply moving memoir of illness and recovery that traces one young woman 's journey from diagnosis to remission to re-entry into "normal" life—from the founder of The Isolation Journals and a subject of the Netflix documentary American

Symphony ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The Washington Post, Bloomberg, The Rumpus, She Reads, Library Journal, Booklist “ I was immersed for the whole ride and would follow Jaouad anywhere. . . . Her writing restores the moon, lights the way as we learn to endure the unknown. ” —Chanel Miller, The New York Times Book Review “ Beautifully crafted . . . affecting . . . a transformative read . . . Jaouad ’ s insights about the self, connectedness, uncertainty and time speak to all of us. ” —The

Washington Post In the summer after graduating from college, Suleika Jaouad was preparing, as they say in commencement speeches, to enter “ the real world. ” She had fallen in love and moved to Paris to pursue her dream of becoming a war correspondent. The real world she found, however, would take her into a very different kind of conflict zone. It started with an itch—first on her feet, then up her legs, like a thousand invisible mosquito bites. Next came the exhaustion, and the six-hour naps that only deepened her fatigue. Then a trip to the doctor and, a few weeks shy of her

twenty-third birthday, a cure is not where the diagnosis: leukemia, work of healing ends; with a 35 percent chance of survival. Just like that, the life she had imagined for herself had gone up in flames. By the time Jaouad flew home to New York, she had lost her job, her apartment, and her independence. She would spend much of the next four years in a hospital bed, fighting for her life and chronicling the saga in a column for The New York Times. When Jaouad finally walked out of the cancer ward—after countless rounds of chemo, a clinical trial, and a bone marrow transplant—she was, according to the doctors, cured. But as she would soon learn, a

work of healing ends; it ' s where it begins. She had spent the past 1,500 days in desperate pursuit of one goal—to survive. And now that she ' d done so, she realized that she had no idea how to live. How would she reenter the world and live again? How could she reclaim what had been lost? Jaouad embarked—with her new best friend, Oscar, a scruffy terrier mutt—on a 100-day, 15,000-mile road trip across the country. She set out to meet some of the strangers who had written to her during her years in the hospital: a teenage girl in Florida also recovering from

cancer; a teacher in California grieving the death of her son; a death-row inmate in Texas who 'd spent his own years confined to a room. What she learned on this trip is that the divide between sick and well is porous, that the vast majority of us will travel back and forth between these realms throughout our lives. Between Two Kingdoms is a profound chronicle of survivorship and a fierce, tender, and inspiring exploration of what it means to begin again. Kingdom Journeys University of Pennsylvania Press Blending history and fantasy, science and art, the story of how

dinosaurs were discovered and reimagined comes to life through splendid illustrations in this handsome slipcased volume. Stegosaurus, Triceratops, Brontosaurus, Tyrannosaurus...these exotic prehistoric creatures continue to fascinate more than 200 million years after they last roamed the earth. Dinosaur skeletons have been reconstituted, reconstructed, and interpreted by scientists and artists since the first fossils were uncovered near Cañon City, Colorado, in 1877, sparking the Bone Wars. In 1907, the Carnegie Museum of Natural History mounted "Dippy" the Diplodocus, which sparked dinomania, igniting the imagination of

popular culture and Hollywood. From the Morrison Formation to Montana's Hell Creek, and from Mongolia's Gobi Desert to Argentina's Patagonia, new discoveries and excavations have uncovered a lost kingdom that has inspired myriad homages.

Shakespeare's Lost Kingdom Random House Northumbria was one of the great kingdoms of Britain in the Dark Ages, enduring longer than the Roman Empire. Yet it has been all but forgotten. This book puts Northumbria back in its rightful place, at the heart of British history. From the impregnable fastness of Bamburgh Castle, the kings of Northumbria ruled a vast area, and held sway as High Kings of Britain. From the tidal island of Lindisfarne, extraordinary saints and learned scholars

brought Christianity and civilization to the rest of the country. Now, thanks to the ongoing work of a dedicated team of archaeologists this story is slowly being brought to light. The excavations at Bamburgh Castle have revealed a society of unsuspected sophistication and elegance, capable of creating swords and jewellery unparalleled before or since, and works of art and devotion that still fill the beholder with wonder.

[The Witch, the Sword, and the Cursed Knights](#) Vernon Press

From a preeminent scholar of Eastern Europe and the prizewinning author of Chernobyl, the essential history of Russian imperialism. In 2014, Russia annexed the Crimea and attempted to seize a portion of Ukraine -- only the latest iteration of a centuries-long effort to expand Russian boundaries

and create a pan-Russian nation. In *Lost Kingdom*, award-winning historian Serhii Plokhyy argues that we can only understand the confluence of Russian imperialism and nationalism today by delving into the nation's history. Spanning over 500 years, from the end of the Mongol rule to the present day, Plokhyy shows how leaders from Ivan the Terrible to Joseph Stalin to Vladimir Putin exploited existing forms of identity, warfare, and territorial expansion to achieve imperial supremacy. An authoritative and masterful account of Russian nationalism, *Lost Kingdom* chronicles the story behind Russia's belligerent empire-building quest.

Currently #1 on Goodreads "Best Kid's Action/Adventure Books", "Recommended Modern Children's Fantasy" and "Books for 13/14 year-olds" lists.

Switch! A fantasy adventure about magic, friendship and bravery, but also about bad judgement, rascally witches and thoroughly irresponsible adults. Trouble is brewing in the secret African rift valley of Karibu and Gogo Maya, the witch, and her leopard are about to make matters worse. Of all the dubious magic tricks they know, they choose a risky 'switch'

they've been working on, to escape from somebody lurking in the forest.

Unfortunately they overshoot, switching right out of Karibu and drawing an ordinary Zimbabwean boy into the vacuum they leave behind them. The whole disaster that followed might have been averted if another boy had not gone and sucked up what was left of the witch's power, leaving her too weak to switch back again. CPR, the daft boy called it. He should know better than to risk kissing a witch! If you had to choose between Joe's two best friends or his cousin, Ethan, to lead an adventure into the bush to rescue him, Ethan would be the last one you'd pick because, well ... he's useless that way. Yet the witch's leopard

inexplicably starts issuing classified as YA, but plans right into his head. there is no reason why Apparently he's Joe's adults can't enjoy it too. best hope because he has All the adventure of Tom absorbed some of the Sawyer, and all the "life's witch's questionable Lessons learned" as well. magic powers. The book The Lost Kingdom of Moyon (Bujuur): Iruwng

(King) Kuurkam Ngoruw Moyon & The People of Manipur is not to produce a new history of Moyon, Who were earlier known as Bujuur, but rather to tell the true and authentical historical account of the Moyon people through the ages and centuries how their creator led them during their past lives. It also deals concerning kingship, and introduce the kingdom of God. Society and Technological Change Topazart

“ Revealed: The Kingdom of Locs Nazirite Vow Continues - Volume 2”** truly a fulfillment Step into the hallowed halls of history as you embark on a riveting journey that unfolds like a gripping court case in "Revealed:

The Kingdom of Locs Nazirite Vow Continues - Volume 2." Imagine yourself as the judge, presiding over a case that will reshape your understanding of faith, self-governance, and the indomitable spirit of a nation. The plaintiff, the enigmatic HH Empress Queen Christina Clement, takes the stand with an unwavering resolve to present her case. She stands as a representative of the Loc Nation, a community intricately tied to the sacred Nazirite vow. With her authoritative voice, she lays out the argument that this vow is more than a mere relic of the past—it's a living testament to a global struggle, a beacon of self-governance, and a call to action that resonates across borders. The courtroom buzzes with anticipation as Clement builds her argument brick by brick, her words resonating like the pounding of a gavel. Drawing evidence from the annals of history, she masterfully weaves together the threads of the Nazirite vow's connection to biblical scriptures, shedding light on its profound significance. She delves into the shadows of a dark era—the illegal slave trade—a global atrocity that shook the foundations of humanity. With every carefully curated piece of evidence, she invites you, the judge, to ponder the depths of this historical interplay. As you listen to the proceedings, you'll be introduced to a staggering number: 1.4

trillion Loc Nationites and 4.2 million Black individuals worldwide. Their stories and experiences are the crux of the evidence presented. Their voices echo in the courtroom, a collective chorus that reverberates through time, begging for recognition and justice. But the courtroom drama doesn't end there. The rule book is laid bare, contributions of the International Jurists Commission a prestigious entity within the legal world—the principles of justice, the declaration of self-governance, and the pursuit of truth. You, the reader, are summoned to render your judgment. Will you stand with the plaintiff, recognizing the Nazirite vow as a beacon of hope and change and should be recognized as

artifact of faith? Who is responsible for the illegal slave trade church, government or both? Should Loc nation and African Americans be properly compensated for the extreme years of wicked acts all nations have experienced and proclaimed self governance? What would be the fair remedy? Or will you take a different stance, swayed by the intricate dance between history, faith, and personal conviction? "Revealed: The Kingdom of Locs Nazirite Vow Continues - Volume 2" is not merely a book—it's a court case that beckons you to join the pursuit of justice, to explore the tangle of narratives that bind the past and the present, and to make a decision that resonates with the heartbeat of

humanity. Enter the courtroom of history, take your seat as the judge, and immerse yourself in the pages of this monumental work that challenges you to answer the ultimate question: What would be your judgment?

Song for a Lost Kingdom, Book I DTTV PUBLICATIONS

A gripping and beautifully illustrated story set in the heart of the Amazon, featuring dramatic encounters with animals, dangerous rapids, and extraordinary discoveries.
