The Absent Gods Trilogy Penguin

The haunting beginning to Michelle Sagara's young adult paranormal trilogy, *Queen of the Dead*. It began in the graveyard... Ever since her boyfriend Nathan had died in a tragic accident, Emma had been coming to the graveyard at night. During the day she went through the motions at her prep school, in class, with her friends, but that 's all it was. For Emma, life had stopped with Nathan ' s death. But tonight was different. Tonight Emma and her dog were not alone in the cemetery. There were two others there—Eric, who had just started at her school, and an ancient woman who looked as though she were made of rags. And when they saw Emma there, the old woman reached out to her with a grip as chilling as death... Emma was not quite like other girls. It was true that other girls had experienced grief. Other girls had also lost their fathers, or had their boyfriends die in senseless accidents. But though she hadn ' t known it till that night in the graveyard, unlike those other girls, she could see, touch, and speak with the dead...

A thrilling tale of the elusive Hope Diamond's journey across Europe during the French Revolution, with gorgeous, absorbing writing from Jeannie Mobley! Eighteen-year-old Claudie Durand's future is planned. She'll take over the family inn, watch her much prettier younger sister, Mathilde, married off to the butcher's son, and live out her days alone, without the hope of finding a love of her own. Her mother ran off to the cloister when she was young, and her gruff, abusive father has deemed her unmarriageable, a nuisance, and only good for hard labor. But outside their small village in Brittany, a revolution is brewing. When the Army of the Republic seizes their town, and Claudie finds herself at the center of the conspiracy, she and Mathilde must flee their sheltered life and take up a cause that, up till now, had always seemed like a distant conflict. As the sisters carry out a dangerous mission for the resistance: delivering a precious item to the mysterious Rooster of Rennes--Claudie's conscience is torn between the longing to return to her predictable, lonely existence and the desire to carve out a new future, reaching for the life--and love--she never dared dream of but knew deep down she truly deserved.
