repel the invaders. But magic can be a double-edged sword—the Foefire burned both charr and human alike. Jannah seeks to negotiate a treaty with the hated charr. But one obstacle remains. The charr legions won't sign the truce until their most prized possession, the Claw of the Khan-Ur, is returned from the ruins of fallen Ascalon. Without the artifact, there is no hope for peace between human and charr—but the undead king who rules Ascalon
