Seasoned trends forecaster and consultant Annie Auerbach takes a fresh look at women ' s professional lives today by rethinking the 9 to 5 in this " no-nonsense guide to thinking and behaving more flexibly in order to have a happier, better, less frenetic life " (Marie Claire)—now widely available for American readers and updated with

---

an author note addressing work in the post-Covid age. The recent coronavirus outbreak has proven what Annie Auerbach has long championed: working 9-5 in an office doesn't work for most us. It's time to change the rules. We can be efficient and productive when we're allowed the freedom of flexibility—to meet deadlines working during the hours and in the places we choose. But before the coronavirus pandemic, only 47 percent of American workers had access to flexible working options. Annie Auerbach advises major corporations, including Nike, Google, Unilever, and Pepsico. She understands work culture and the needs of employees. The world is changing for working women, but until the recent pandemic, companies turned a blind eye. Now, it's time to make this change routine. Auerbach reiterates the importance of leaving the office cubicle behind and explores the realities many women experience working from home and the changes to their daily lives, including the trickle-down effects, from emotional labor to balancing childcare and education with work, to even biohacking the female body's unique rhythms. What happens when women embrace the concept of flex? We become more creative, more strategic with our time and energy, and more engaged with our personal lives. As Auerbach makes clear, we reject "our toxic culture of presenteeism, time-pressure, and

---

ultimately burnout. It helps us escape the army of octopus lady jugglers, crazed with the exhaustion of “having it all.” It allows us to live longer lives more sustainably. It gives us self-worth.”

This book focuses on Portuguese as an additional language and its young learners in three case studies within the Portuguese-speaking world: Portuguese as a second language in Cape Verde, Portuguese as a heritage language in Switzerland and Portuguese as a foreign language in Macao SAR. The term “additional language” is used as an umbrella term

for all three contexts. An analysis of these three case studies is presented, with a focus on the organization of explicit and implicit language policies with regards to population mobility and also motivational issues, language attitudes and language use by the sample population.

With over 200 reusable stickers of beautiful winter outfits, decorations and accessories, plus a fold-out back cover to 'park' stickers whilst they're not in use.  
Automating Management Information Systems: Barcode engineering and implementation Sterling Publishing Company, Inc.  
The original edition of this accessible and

interdisciplinary textbook was the first to consider the ethical issues of digital media from a global perspective, introducing ethical theories from multiple cultures. This second edition has been thoroughly updated to cover current research and scholarship, and recent developments and technological changes. It also benefits from extensively updated case-studies and pedagogical material, including examples of “ watershed ” events such as privacy policy developments on Facebook and Google+ in relation to ongoing changes in privacy law in the US, the EU, and Asia. New for the second edition is a section on “ citizen journalism ” and its

---

implications for traditional journalistic ethics. With a significantly updated section on the “ ethical toolkit, ” this book also introduces students to prevailing ethical theories and illustrates how they are applied to central issues such as privacy, copyright, pornography and violence, and the ethics of cross-cultural communication online. Digital Media Ethics is student- and classroom-friendly: each topic and theory is interwoven throughout the volume with detailed sets of questions, additional resources, and suggestions for further research and writing. Together, these enable readers to foster careful reflection upon, writing about, and

discussion of these issues and their possible resolutions. Ultrasound Program Management American Water Works Association Rebel Press Media delves deep into the untold truth about how the mainstream media has sold out and continues to lie about what's really going on... Connecting the dots between the current state of the world and the truth about the next world wars, population control, vaccine chips, and passports. Rebel Media Press explains how The Great Reset will unfold and how our governments, globalists, China, and Russia will dictate future politics in the West. What impact will "Build Back Better" have on you?

What will happen in the next world war? What role will the coronavirus play in advancing the New World Order? What does it all mean, and how can you prepare for the next chapter of our history? Symbols + Images + Codes Blue Q Books A joint project by The Society for Preservation of Natural History Collections & The Royal Ontario Museum. Portuguese as an Additional Language Hassell Street Press A collection of narrative and ballad-style poems by Rose Hartwick Thorpe, including her most famous work, the Civil War-era ballad 'Curfew Must Not Ring To-Night'. Tortilleras Negotiating Intimacy: Love, Friendship, and Sex in Queer Mexico City is the first ethnography in English to focus primarily on women ' s sexual and intimate cultures in Mexico. The book

shows the transformation of intimacy in the lives of three generations of women in queer spaces in contemporary Mexico City, as their sexual citizenship changes, including references to same-sex marriage and anti-discrimination laws. The book shows how these individuals reconfigure relationships through marriage, polyamory, friendship, and sex. Tortilleras Negotiating Intimacy suggests that " new " intimate

---

cartographies are emerging in Mexico City, ultimately redefining relationships, gender, and mexicanidad. Building on ethnographic data collected over the past decade, including forty-five in-depth interviews with women between the ages of twenty-two and sixty-five participating in LGBT spaces, Tortilleras Negotiating Intimacy shows how lesbian women (mainly cis, but some trans) negotiate friendship, same-

sex marriage, polyamory, and sexual practices, reinventing love, eroticism, friendship, and ultimately the social organization of Latin American societies. Nelson Mandela 's

two great-

grandchildren ask

their grandmother,

Mandela 's youngest

daughter, 15

questions about their

grandad – the global

icon of peace and

forgiveness who spent

27 years in prison.

They learn that he

was a freedom fighter

who put down his

weapons for the sake

of peace, and who

then became the

President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child 's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

first time in an English-typographic letters. language edition, The Stroke puts forward a genuine theory of writing that is, the concepts behind letters on the page, whether by pen, pencil, or brush. Concerned not with art calligraphy and beautiful forms, The Stroke is a description of the phenomenon of letters and how they are made in writing. Starting from basic principles, Noordzij begins with the white space that creates definition by surrounding letters. Then, using simple geometrical concepts, he describes in minute detail how the strokes of writing can be formed. His theory serves to repair the split that grew up, with the invention of printing, between written and

With The Stroke, Noordzij can be seen as a prophet of digital typography committed to freeing typefaces from the constraints of their embodiment in metal. Web Publishing with Html5 and Css3 in One Hour a Day HarperCollins This book addresses the wide range of issues that face the program leader – from how to choose a site and how to negotiate for equipment, to how to determine staffing requirements and how to anticipate and defuse possible turf issues with other programs and services in the hospital or healthcare facility.

The early chapters of this book focus on the leadership of your program whether in your department or institution. The second section centers on education at all levels recognizing that smaller machines have made ultrasound available for medical students to advanced practitioners. The third section provides detailed logistics on equipment, maintenance, and safety. The fourth section focuses on a quality improvement program and includes a chapter on the workflow process. For those

---

with limited budgets we also offer a section on practical operating and educational solutions. The fifth section offers insight into hospital level credentialing, quality assurance, national politics, and recent issues with accreditation. This is followed by reimbursement and coding. The last section covers topics in specialized communities. Chapters focus on ultrasound in global health, emergency medical services, pediatrics, critical care, community and office based practices. Multiple US working documents including checklists, graphs,

spreadsheets, tables, and policy appendices are included.
