### T1000s Manual

I have a T1000S, has anyone got DMX to work on this controller? I have connected my dongle to this and used different drivers in Vixen2, Vixen3 and Freestyler without success. When the T1000S is running stand alone I can monitor the DMX output using terminal and the controller is transmitting data out of the DMX port. So I think it must be a setting either with the drivers or somehow the ...
