A State of Blood Penguin

It is 1996. Manu, a 19-year-old cowherd living on the slopes of Congo's fiercest volcano, must flee from a complex war. Taken to Uganda by a hard-drinking Texan, he is offered a chance to join an anarchic group of mercenary pilots or 'freight dogs'. Soon Manu is seeing his vast country from above and falling in love with flying - but trouble follows closely behind, no matter how fast he flies. When the past erupts back into this life, Manu is forced to leave behind the African sky for the chilly embrace of northern Europe. Will Manu be able to reinvent himself again? Can he set down the freight which has weighed on his life for so long? And is Belgian volcanologist Anke Desseaux the answer to his problems or simply another one of them?

The Last King of Scotland Penguin

Explore the fascinating history of Scotland in an easy-to-read guide Want to discover how a small country on the edge of Northern Europe packs an almighty historical punch? Jesus started with the books of Moses and then He talked about what the prophets had written about Him (Luke 24:27 PEB). This book about the Bible will change the way you think about His Word His life-changing and eternal Word.

Freight Dogs ABC-CLIO

Gruffudd ap Llywelyn was Wales' greatest king. Ambitious and battle-sure, he succeeded in doing what no Welsh king before him was capable of: he ruled all Wales as a united and independent state. He went further by turning the Viking threat to his realm into a powerful weapon and conquering border land that had been in English hands for centuries. Having emerged as a war leader, Gruffudd also proved to be much more: a patron of the arts and church, with the trappings of a king who was respected and feared on the European stage. His eventual murder at the hands of his own men narrowed the country's political ambitions and left Wales in chaos on the eve of the arrival of the Normans. Those who betrayed Gruffudd were the forebears of the famous princes who would dominate Wales until the Edwardian Conquest, meaning that the former king left no one to tell of his glory. As a result, 1,000 years after his birth, the would-be nation builder is all but forgotten. Here, Sean and Michael Davies reveal the king in all his glory, telling for the first time the story of one of Wales' greatest figures and exploring the full implications of

Gruffudd ' s rule. For, without Gruffudd, the fate of King Harold and the outcome of the Battle of Hastings would have been very different ...

What would it be like to become Idi Amin's personal physician?

Giles Foden's bestselling thriller is the story of a young Scottish doctor drawn into the heart of the Ugandan dictator's surreal and brutal regime. Privy to Amin's thoughts and ambitions, he is both fascinated and appalled. As Uganda plunges into civil chaos he realises action is imperative - but which way should he jump?

[The Last King of Scotland](#) Oxford University Press, USA

Chronicles Idi Amin's rise and fall. Amin's despotic reign of terror is viewed through the eyes of Nicholas Garrigan, a Scottish doctor who arrives in Uganda in the early 1970s to serve as Amin's personal physician. His perspective as an outsider causes him to be initially impressed by Amin's calculated rise to power and he grows increasingly monstrous. A pointed examination of how independent Uganda (a British colony until 1962) became a breeding ground for Amin's genocidal tyranny. Amin is both seductive and horribly destructive. Garrigan grows increasingly prone to exploitation.

[Henry IV, Part I](#) Vintage

From a new star of American journalism, a riveting murder mystery that reveals the forces roiling today's Africa From Rwanda to Sierra Leone, African countries recovering from tyranny and war are facing an impossible dilemma: to overlook past atrocities for the sake of peace or to seek catharsis through tribunals and truth commissions. Uganda chose the path of forgetting: after Idi Amin's reign was overthrown, the new government opted for amnesty for his henchmen rather than prolonged conflict. Ugandans tried to bury their history, but reminders of the truth were never far from view. A stray clue to the 1972 disappearance of Eliphaz Laki led his son to a shallow grave—and then to three executioners, among them Amin's chief of staff. Laki's discovery resulted in a trial that gave voice to a nation's past: as lawyers argued, tribes clashed, and Laki pressed for justice, the trial offered Ugandans a promise of the reckoning they had been so long denied. For four years, Andrew Rice followed the trial, crossing Uganda to investigate Amin's legacy and the limits of reconciliation. At once a mystery, a historical accounting, and a portrait of modern Africa, *The Teeth May Smile But the Heart Does Not Forget* is above all an exploration of how -- and whether -- the past can be laid to rest. One of Kirkus Reviews' Best Books of 2009

[A Great and Terrible King](#) The History Press

For many Americans the mention of Africa immediately conjures up images of safaris, ferocious animals, strangely dressed "tribesmen," and impenetrable jungles. Although the occasional newspaper headline mentions authoritarian rule, corruption, genocide, devastating illnesses, or civil war in Africa, the collective American consciousness still carries strong mental images of Africa that are reflected in advertising, movies, amusement parks, cartoons, and many other corners of society. Few think to question these perceptions or how they came to be so deeply lodged in American minds. *Mistaking Africa* looks at the historical evolution of this mind-set and examines the role that popular media plays in its creation. The authors address the most prevalent myths and preconceptions and demonstrate how these prevent a true understanding of the enormously diverse peoples and cultures of Africa. Updated throughout, the fourth edition covers the entire continent (North and sub-Saharan Africa) and provides new analysis of topics such as social media and the Internet, the Ebola crisis, celebrity aid, and the Arab Spring. *Mistaking Africa* is an important book for African studies courses and for anyone interested in unravelling American misperceptions about the continent.

From the New York Times bestselling author of *Churchill and Napoleon* The last king of America, George III, has been ridiculed as a complete disaster who frittered away the colonies and went mad in his old age. The truth is much more nuanced and fascinating--and will completely change the way readers and historians view his reign and legacy. Most Americans dismiss George III as a buffoon--a heartless and terrible monarch with few, if any, redeeming qualities. The best-known modern interpretation of him is Jonathan Groff's preening, spitting, and pompous take in *Hamilton*, Lin-Manuel Miranda's Broadway masterpiece. But this deeply

unflattering characterization is rooted in the prejudiced and brilliantly persuasive opinions of eighteenth-century revolutionaries like Thomas Paine and Thomas Jefferson, who needed to make the king appear evil in order to achieve their own political aims. After combing through hundreds of thousands of pages of never-before-published correspondence, award-winning historian Andrew Roberts has uncovered the truth: George III was in fact a wise, humane, and even enlightened monarch who was beset by talented enemies, debilitating mental illness, incompetent ministers, and disastrous luck. In *The Last King of America*, Roberts paints a deft and nuanced portrait of the much-maligned monarch and outlines his accomplishments, which have been almost universally forgotten. Two hundred and forty-five years after the end of George III's American rule, it is time for Americans to look back on their last king with greater understanding: to see him as he was and to come to terms with the last time they were ruled by a monarch.

A deadly game of war entangles them. Deception endangers them. Only the impossible love found in each other ' s arms can save them. Fierce Scottish warrior Robert the Bruce would do anything to release his country from English rule—and claim his rightful throne. As enemies on both sides surround him, Robert must dance a dangerous line between truth and duplicity. One misstep could topple his nation and cost him his life, yet one irresistible woman tempts him—and threatens his mission—as no other ever has. Bold beautiful Elizabeth de Burgh longs for freedom. So when she finds herself ordered by the King of England to seduce the leader of the Scottish rebellion and reveal his secrets, she yearns to fight back against their cruel plot. Except they ' ve threatened to kill her beloved cousin, leaving her no choice but to comply. As she grows closer to the handsome noble Robert and the mask that hides the man who would be king is peeled away, she cannot imagine aiding in his destruction. Bound by duty and honor but ensnared by uncontainable passion, Robert and Elizabeth must

determine if they are each other ' s biggest threat or greatest source of strength and how much they are willing to sacrifice for the one thing neither ever imagine they ' d find – extraordinary love.

The Last King of Scotland Metropolitan Books

Few kings have been more savagely caricatured or grossly misunderstood than England ' s first Stuart. Yet, as this new biography demonstrates, the modern tendency to downplay his defects and minimise the long-term consequences of his reign has gone too far. In spite of genuine idealism and flashes of considerable resourcefulness, James I remains a perplexing figure – a uniquely curious ruler, shot through with glaring inconsistencies. His vices and foibles not only undermined his high hopes for healing and renewal after Elizabeth I ' s troubled last years, but also entrenched political and religious tensions that eventually consumed his successor. A flawed, if well-meaning, foreigner in a rapidly changing and divided kingdom, his passionate commitment to time-honoured principles of government would, ironically, prove his undoing, as England edged unconsciously towards a crossroads and the shadow of the Thirty Years War descended upon Europe.

Blue Bells of Scotland The History Press

'I wish you would write Scotland's Story for littler children like me, ' asked a young friend of H.E. Marshall, causing the celebrated author to give Scotland the same treatment as previously dedicated to the England in Our Island Story. Starting with the legend of Prince Gathelus and ending with King George the IV this book features many tales, including those of Macbeth, William Wallace, Robert the Bruce and the Stewart kings. This edition features all the original images.

The Picture of Health Albannach Publishing

Idi Amin ruled the East African country of Uganda from January 1971 to April 1979 when he was ousted from power by a combined force of the Tanzania Peoples' Defence Force and Ugandan exiles operating through Tanzania. He left a controversial and conflicted legacy, as depicted by Oscar-winning film star Forest Whitaker in the hit movie "The Last King of Scotland"; but have authors and filmmakers who have attempted to tell his story to date really told the whole truth? Have they delved deep enough to uncover everything there is to know about Idi Amin, everything there is to tell about him and what actually happened during his rule and after he was forced to live in exile, first in Libya and then in Saudi Arabia? "No" says his son Jaffar Amin and other people! Was Idi Amin "Framed" or "Guilty as Charged"? Was something "insidious" going on during his rule in Uganda as alleged by many? What role did racism, colonialism, neocolonialism, classism, religion, tribalism and greed play in "creating" Idi Amin? In this unprecedented series devoted to telling Idi Amin's story in its entirety and not just "selected" parts, Margaret Akulia engages his son Jaffar Amin and other people in candid "conversation" about his legacy. As the world continues to pronounce "A Guilty Verdict" on Idi Amin after "finding him guilty beyond reasonable doubt," many people are adamant in asserting that "others" and not Idi Amin committed the "mass murders" attributed to him in Uganda which begs the question: Was Idi Amin a Hero or a Villain? This is a series devoted to uncovering Idi Amin's story in its entirety, layer by layer, telling all the truth and shedding light on the untruths! Compiled and co-written by Jaffar Amin and Margaret Akulia.
