Romance. Adventure. Mystery. This book has none of these things. What it does have in spades is a bunch of very short stories, many of which were first published in the local newspaper. For too long, short stories have not been nearly short enough. The collection you're holding in your hot little

hands aims to remedy this. The Meaning of Life (And Other Short Stories) is a collection of Stuart McCullough's best writing. Rest assured that the short stories included in this collection have all either been hand-picked or (at the very least) right mouse clicked and dragged, to ensure that only the absolute cream of the crop has ended up between the covers.

"...these are stories crying out to be turned into a gritty television drama - think a true story version of The Night Manager." Sydney Morning Herald 'I fix things. I can build you a house or remodel your bathroom. I can also make bad situations - and bad people - disappear.' Meet Mike. Runs a building site, drives a ute, likes a beer, loves his nail-gun. But Mike is hiding in plain sight. When the Pentagon call him in as 'Big Unit', he's another kind of contractor - one as handy with a Colt M4 as he is with a Skilsaw, a man as accustomed to danger, death, and pain as he is to a hammer and nails. In six action-packed true stories we follow a man who left foreign intelligence for a life 'on the tools', only to discover there's too many dangerous scenarios and terrible people still out there. The good guys need a James Bond in Blundstones. They need The Contractor. Tradie. Spy. Big Unit. Follow Big Unit as he goes undercover to save a family trapped by an ISIS-run drug cartel in the seedy back streets of Northern Pakistan to terrorist-besieged Paris to a deadly game of cat-and-mouse with Australia's most wanted murderer. **SHORTLISTED FOR THE NED KELLY AWARD FOR BEST TRUE CRIME 2018**

The extraordinarily intense novel Conscious of Guilt enters the mind of a man who has been pushed to the very limits. Seventy-year-old Eric Brand is a struggling pensioner living in London with his frail wife, Helen. The Brands are devastated when their son and daughter-in-law are brutally murdered by a gang. Helen collapses at the news and ends up in a coma. Consumed with rage and believing he has nothing to lose, Eric vows revenge. After weeks of frustration, he tracks the gang down and acquires a gun. Recognizing Eric's ruthlessness and seeming lack of conscience, Eric is approached by a man wanting him to become a contract killer. Will he be seduced by the siren call of the gun or will he regret what he has done in the name of vengeance? Will Eric feel Conscious of Guilt?

The Contractor Echo

A \$15 million ransom. A plane down in the remote swamps of Darwin. A new partner - the uptight Kim Petinsky ... Special Agent Vin Cooper is not having a good week. After returning from an enforced sabbatical, still guilt-ridden over his partner Anna's death, Vin agrees to help out an acquaintance of hers - a Vegas showgirl. Alabama's boyfriend Randy is missing; his plane has gone down in mysterious circumstances and she's been sent a bloody ransom package. What starts as an informal missing person investigation spirals into a full-blown multi-agency screw-up. Not only was Randy hiding some very high-level secrets, but it also appears he is connected to a missing nuclear weapon. Worst-case scenario is that the warhead is in the hands of the tyrannical Benico Von Weiss, a man with particular

interests: luxury cruiseliners, busty blondes, Nazi memorabilia and poisonous snakes. And, of course, drugs, guns and vengeance against America. Vin and Petinsky follow the leads from Darwin, to the favelas of Rio de Janeiro and further still into Tanzania, but their investigation is turning up little except a trail of dead bodies. It ' s soon clear that war lord Von Weiss is using their investigation as mere sport. But Vin has never liked losing ... And with a potential plutonium mushroom cloud hanging over his head, all bets are off as he risks his job, his life – and ultimately the lives of others – to bring von Weiss to justice.

The thunderclap of sexual revolution collides with the black cloud of illegitimacy. Sixteen-year-old Lindsay Townsend is pretty and popular at school. At home, it ' s a different story. Dad belts her and Mum ' s either busy or battling a migraine. So when sexy school-teacher Jon Halliwell finds her irresistible, Lindsay believes life is about to change. She ' s not wrong. Lindsay and Jon pursue their affair in secret, because if the school finds out, Jon will lose his job. If Lindsay ' s dad finds out, there will be hell to pay. But when a dramatic accident turns her life upside down, Lindsay is separated from the man she loves. Events spiral beyond her control, emotions conflicting with doubt, loneliness and fear, and Lindsay becomes enmeshed in a shocking true-life Australian scandal. The schoolyard beauty will discover the dangerous games of the adult world. Games that destroy lives. Lindsay is forced into the toughest choice of her young life. The resulting trauma will forever burden her heart. Reflecting the social changes of 1970s Australia, The Swooping Magpie is a chilling psychological tale of love, loss and grief, and, through collective memory, finding we are not alone.

Conscious of Guilt Pipe Dream Books

War Lord Ross Taylor

"It has been the best part of 12 years since I investigated a fatal accident and dealt with grieving relatives. It has taken me 12 years to have the strength to write about it, to put pen to paper and record what has caused me so much grief and anguish." So writes Craig Hodge, one of Victoria Police's leading investigators of fatal road accidents. A police officer for 20 years, eight of which he spent with the Accident Investigation Section (now the Major Collision Investigation Unit), Hodge attended the horrific scenes of more than 350 accidents that resulted in deaths and serious injuries. In ROAD KILL, Hodge recounts harrowing investigations and details the processes involved in finding out the causes of such tragedies, which often led to prosecutions. His story is a cautionary tale in which responsible driving messages loom large. ROAD KILL also provides a poignant account of the emotional and psychological impact such carnage has on all involved, not least of all on investigators like Hodge, who struggled at times to find a balance between being sensitive to

victims and their families, while also trying to remain emotionally detached for his own sanity and wellbeing.

The Book, Hello Sunshine, is the life story of a London child who was still an infant when World War 11 began. It tells of his frightening experiences during that time, then, when Peace came it goes on to describe happier times living and growing up on the North East Kent coast. The story then moves through Chris ' life as a young waiter, a British soldier, serving in Germany and Malaya, a Merchant seaman then a London Fireman. It tells of the struggle make ends meet with a wife and two small children before making the decision to emigrate to Australia. Chris describes the wonderful life he has been able to lead in the Sunshine State of Queensland. There is something to laugh about on nearly every page despite getting the sad news of the death of his younger brother, David just after celebrating his young family ' s first Christmas in Australia. Overall, the book has an optimistic sense about it which reflects Chris ' s attitude to life and should encourage anybody thinking about starting a new life in a new country to have a go. After all, if Chris can do it, why can ' t you?

When six high security prisoners escape from Barnaby Prison on the western edge of the Great Dividing Range in southern New South Wales, it will never bode well for anyone they meet. Leaving a trail of destruction behind them, fate seems to direct the steps of the rapists, murderers, hit men and crime bosses towards Hidden Valley, a peaceful close-knit community on the edge of the national park. When confronted with dangers far greater and more sinister than the wild dogs decimating their sheep, the residents of the valley realise that given the right circumstances, anyone can become a killer.

An actor, presenter, producer, and director, David Branson was a dazzling fountain of energy whose artistic endeavors throughout Australia enlivened and advanced the careers of many performing artists. In this book, many of those share intriguing encounters with this particularly individual figure of inspiration, reflecting upon and revealing how he—and they—helped to shape the grass-roots avant-garde of the performing arts in Australia. Author Joel Swadling, who worked with Branson, highlights how Branson gained fame throughout Australia as one of the founders of Splinters Theatre of Spectacle, a twelve-year experiment in multimedia, cross-discipline outdoor ritual, and through other endeavors. After Branson ' s death, the avant-garde excitement of Canberra faded for a time without his spirit and guidance. If This Is the Highway (I ' ll Take the Dirt Road) celebrates and illuminates the impact of one of the avant-garde ' s most talented titans.

The bestselling and ABIA Award shortlisted memoir from Osher Gunsberg, one of Australia's most loved celebrities, about life, love and living with mental illness - powerful, dark, funny and heartwrenching. It's hard to remember a time when Osher Gunsberg (or Andrew G as he was then) wasn't on TV - he's just always been there, looking at ease in the spotlight, beaming a big smile, with a questionable haircut. He was there hanging out with The Offspring backstage at the Warped Tour on Channel V; announcing to a national audience of three million people that Guy Sebastian was our first Australian Idol; and later capturing the heart of the nation by hosting every season of The Bachelor, The Bachelorette and now Bachelor in Paradise. But while everything looks great from the outside, the real picture has not always been quite so rosy. Osher has always known he's different to most other people. Struggling with anxiety, panic attacks and weight issues since he was young, he tried for years to drink away the anxiety and depression. He ended up unemployed, divorced, suicidal and certifiable on the other side of the world, yet somehow he managed to put the broken pieces of his mind back together and make a life for himself again. He lives with a mental illness - and he's come to terms with it to live an authentic, rich and fulfilling life. An honest, revealing, raw, funny and heartfelt memoir from one of Australia's most well-known and well-liked celebrities - now with two new, additional chapters.

Winner, Prize for Fiction, The 2018 Victorian Premier ' s

Literary Awards ' Melanie Cheng is an astonishingly deft and incisive writer. With economy and elegance, she creates a dazzling mosaic of contemporary life, of how we live now. Hers is a compelling new voice in Australian literature. ' Christos Tsiolkas

Australia Day is a collection of stories by debut author Melanie Cheng. The people she writes about are young, old, rich, poor, married, widowed, Chinese, Lebanese, Christian, Muslim. What they have in common—no matter where they come from—is the desire we all share to feel that we belong. The stories explore universal themes of love, loss, family and identity, while at the same time asking crucial questions about the possibility of human connection in a globalised world. Melanie Cheng is a writer and general practitioner. She was born in Adelaide, grew up in Hong Kong and now lives in Melbourne. Her debut collection of short stories, Australia Day, won the Victorian Premier ' s Literary Award for an Unpublished Manuscript in 2016 and the Victorian Premier ' s Literary Award for Fiction in 2018. Room for a Stranger is her first novel. ' A stunning debut that takes its place among Australian short story greats. ' AU Review ' The book bears witness to the author ' s empathetic eye, multicultural characterisation and easy facility with dialogue... This short story collection explores what it means to belong, to be Australian; its insight from different vantage points and its photo-realistic narrative make it an exciting and impressive debut. ' Judges ' Report, Victorian Premier ' s Literary Awards, 2018 ' All of her characters—a diverse cast of difference races and faiths—are searching for connection or a sense of belonging, and coming up short. Despite its title the focus of this collection is not explicitly on that increasingly controversial public holiday. Rather, it is on the struggles, internal and external, that occur when people from different backgrounds meet by chance or are brought together... Australia Day is a bittersweet, beautifully crafted

collection that will be much admired by fans of Cate Kennedy and Tony Birch. ' Books+Publishing ' Melanie Cheng ' s voice is strong, compassionate and embracing in these 14 stories that reflect the diversity of Australians and the starkness of human frailty. The recurring theme in all these stories is the ability to reform lives that, at first, might seem to be shattered beyond repair. ' Good Reading, FOUR STARS ' The different cultures, the intriguing characters all left me wanting more. I ' d love to see some longer fiction from Melanie Cheng in the future but I ' ll happily accept anything and everything she writes. A fantastic talent who has nailed the art of the short story. ' Sam Still Reading ' What a wonderful book, a book with bite. These stories have a real edge to them. They are complex without being contrived, humanising, but never sentimental or cloying—and, ultimately, very moving. ' Alice Pung ' In each story, Melanie Cheng creates an entire microcosm, peeling back the superficial to expose the raw nerves of contemporary Australian society. Her eye is sharp and sympathetic, her characters flawed and funny and utterly believable. ' Jennifer Down ' Melanie Cheng ' s stories are a deep dive into the diversity of humanity. They lead you into lives, into hearts, into unexplored places, and bring you back transformed. ' Michelle Wright ' The characters stay in the mind, their lives and experiences mirroring many of our own, challenging us to think how we might respond in their place. An insightful, sometimes uncomfortable portrayal of multicultural Australia from an observant and talented writer. ' Ranjana Srivastava ' A bittersweet, beautifully crafted collection. ' Books+Publishing ' Australia Day is an absorbing panorama of contemporary Australia... These are 14 powerfully perceptive stories, written with love, humour, realism, and a distinct edginess. While the terrain covered might be familiar, Cheng ' s take on our treasured multiculturalism feels fresh... It ' s necessary reading, not only because it ' s a microcosm of who we are, but because each story is a gem, and a joy to behold. ' Simon McDonald ' If only the PM might pick up a copy, even by mistake. ' Saturday Paper ' A wonderful feat of storytelling... Melanie Cheng is an exciting new writer. ' Readings ' A sumptuous collection of fourteen short stories, which are disparate but with modern Australia or Australians at their heart, exploring issues of racism, infidelity, grief, parenthood, children and ageing... they are heartfelt and Melbourne-based Cheng paints the characters beautifully. ' Herald Sun ' A panorama of contemporary multicultural Australia that explores each and everyone ' s desire to belong. ' Book Bonding ' A diverse, captivating collection of short stories. ' Better Read Than Dead ' The happy surprise of Cheng ' s work as a collection lies in her resolute grasp of the absolute normalcy of a culture that not so many years ago was divided and dually suspicious. The census gives us the facts but it takes fiction to make reality three-dimensional. ' Sydney Morning Herald ' The author ' s empathetic eye and easy facility with dialogue make the anthology a strong debut, with the longer stories in particular offering breadth and depth... It feels like Cheng has taken a wide sample from the census to craft this inclusive portrait of contemporary Australia. ' Big Issue ' Cheng ' s work is polished and affecting. Australia Day is that thing we all chase: a complex, engaging and timely read. ' Lifted Brow ' Cheng paints a holistic snapshot of Australian life, with the result being a collection of stories that are simultaneously cynical and hopeful... The ambiguity inherent in labelling something " Australian" is also manifest in Cheng ' s characters, prompting the reader to interrogate their own definition of what it means to be Australian. ' Kill Your Darlings ' Melanie Cheng writes

prose that gets straight to the heart of the matter and tells it how it is...The more I sit here and reflect on each story in this collection, the stronger and more powerful they become. ' Sam Still Reading ' Wonderful. ' Christos Tsiolkas, Sydney Morning Herald ' s Year in Reading ' Melanie Cheng ' s Australia Day brought this prodigal reader of short fiction back into the fold. And what better return than through Cheng ' s creation of illuminated characters of colour—young, old, rich, poor, married, widowed, Muslim, Chinese...Cheng ' s Australia Day explores the density and difficulty inherent in being culturally and physically different and serves to remind me that when our six families of adopted children from China gather in Queenscliffe on Australia Day each year, raising two flags on the pole instead of one that we, like all of Cheng ' s characters, are restoring belonging from our individual and collective loss. ' Wheeler Centre, 2017 Favourites ' This smart, engaging short story collection offers fresh perspectives on what it means to be Australian today. The stories also explore identity and belonging in a variety of other ways, delving into family, love, class and education. Big themes aside, every story is beautifully written and a total pleasure to read. ' Emily Maguire, Australian Women ' s Weekly ' The stories are unpretentious, diverse, and a lot of the time, disconcertingly real. Cheng ' s characters are just as well realised; they live on in your head long after you ' ve put her book down. ' Lifted Brow, Favourite Books of 2017 ' Offering a fresh viewpoint on modern Australia, debut author Cheng is a significant new voice on the literary scene. ' PS News '[Cheng ' s] individual characters suggest the ways in which we might move forward...Australia Day imagines a tomorrow where we can love our communities, our celebrations and our food, without leaving behind critical good taste. ' Sydney Review of Books
