The book now includes additional challenging problems that your child can solve to prepare for the test. The book also includes explanation all 9 sections and the bonus problems in this book.

ISEE Lower Level Test Prep Learning Express (NY)

HSPT Practice Questions are the simplest way to prepare for the HSPT. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day.

Our HSPT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our HSPT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Upper Level ISEE Complete Test Preparation Inc.

"2 diagnostic tests (1 for each exam) ... [and] 8 full-length practice tests--3 in the book and 1 online each for the HSPT and TACHS--for a total of 10 full-length exams"--Cover.

Catholic High School Entrance Exams Learning Express (NY)

Vocabulary is becoming increasingly important for the HSPT/TACHS/COOP tests, and it helps to devote sufficient time to it, as it takes a long time to build an effective vocabulary. This book contains over 500 Core Vocabulary words that appear frequently in these tests, and uses some of the following techniques to help you remember these words faster and better! - Word Roots; Since many English words are derived from Greek & Latin roots, it makes sense to be aware of these. Knowing a single root can help you know a whole group of words! - Prefixes/Suffixes; Pay attention to the tone of the words, whether soft or hard, harsh or mild, negative or positive. This could help you guess when in doubt. Prefixes/Suffixes can often help you with identifying the meaning of a word, when in doubt. - Usage of the Word; Perhaps the Best way to increase your vocabulary is to read and practice. There is absolutely no substitute for that! Reading helps you learn new words from the context in which they are used, thereby making it easy to remember the new words and more importantly, how and when they are used. This book provides you with multiple examples of how a word is used in different contexts. With over 1000 practice exercises, you will get more than enough practice for the test! - Synonyms/Antonyms Being familiar with related words, increases the number and variety of your mental associations. This helps you retain the meaning of the word more easily. - Related Words In order to 'deeply' understand the meaning of a word, it is helpful to study related words at the same time. e.g. The word plenty connotes "sufficient for what is needed" while abundance means "more than what is needed". - Pronunciations Each word has a pronunciation key that helps you say the word out correctly, thereby aiding retention. - Practice makes perfect! Finally, this book has over a thousand exercises to make sure that you remember the meanings of the newly learnt words 'forever!' Many ingenious methods, scientifically correct, have been devised to aid in the remembering of particular facts. These methods are based wholly on the principle that that is most easily recalled which is associated in our minds with the most complex and elaborate groupings of related ideas. All of the above methods are designed to create a word network in your mind, thereby helping you develop a lasting understanding of the word and how to use it correctly.

The Real ACT Prep Guide (Book + Bonus Online Content), (Reprint) Test Prep Books

The HSPT is a fast-paced test that covers a wide range of concepts. Comprehensive practice is essential for scoring well on the HSPT. TACHS Exam Study Guide National Geographic Books

The Princeton Review realizes that acing the COOP and HSPT is very different than getting straight As in school. TPR doesn't try to teach students everything there is to know about math, reading, and English -- only the techniques they'll need to score higher on the COOP and HSPT. There's a big difference. In Cracking the COOP & HSPT, TPR will teach test-takers how to think like the test-makers. This is accomplished by teaching students how to: Use process of elimination to eliminate choices that look right but are planted to fool the test-taker Use "Ballparking" on mathematics sections to narrow the answer choices and save time Learn how pace oneself, to avoid "dumb mistakes", and earn a higher score Improve scores by focusing on the material most likely to be tested *This book includes 4 full-length simulated exams: 2 COOP and 2 HSPT. All of The Princeton Review's sample test questions are like the ones test-takers will see on the actual COOP and HSPT tests, and every solution is fully explained. Contents Include: Part I: Cracking the COOP What is the COOP? Memory Sequences Analogies Verbal Reasoning Reading Comprehension Mathematics Language Expression Answers to COOP extensions Part II: COOP Practice Tests Part III: Cracking the HSPT What is the HSPT? Vocabulary Verbal Skills Quantitative Skills Reading Comprehension and Vocabulary Mathematics Language Answers to HSPT Exercises Part IV: HSPT Practice Tests
