In the tempestuous closing decades of the sixteenth century, the Empire of Japan writhes in chaos as the

shogunate crumbles and rival warlords battle for supremacy. Warrior monks in their armed citadels block the road to the capital; castles are destroyed, villages plundered, fields put to the torch. Amid this devastation, three men dream of uniting the nation. At one extreme is the charismatic but brutal Nobunaga, whose ruthless ambition crushes all before him. At the opposite pole is the cold, deliberate Ieyasu, wise in counsel, brave in battle, mature beyond his years. But the keystone of this triumvirate is the most memorable of all, Hideyoshi, who rises from the menial post of sandal bearer to become Taiko--absolute ruler of Japan in the Emperor's name. When Nobunaga emerges from obscurity by destroying an army ten times the size of his own, he allies himself with Ieyasu, whose province is weak, but whose canniness and loyalty make him invaluable. Yet it is the scrawny, monkey-faced Hideyoshi--brash, impulsive, and utterly fearless--who becomes the unlikely savior of this ravaged land.

Born the son of a farmer, he takes on the world with nothing but his bare hands and his wits, turning doubters into loyal servants, rivals into faithful friends, and enemies into allies. In all this he uses a piercing insight into human nature that unlocks castle gates, opens men's minds, and captures women's hearts. For Hideyoshi's passions are not limited to war and intrigue-his faithful wife, Nene, holds his love dear, even when she must share it; the chaste Oyu, sister of Hideyoshi's chief strategist, falls prey to his desires; and the seductive Chacha, whom he rescues from the fiery destruction of her father's castle, tempts his weakness. As recounted by Eiji Yoshikawa, author of the international best-seller *Musashi*, Taiko tells many stories: of the fury of Nobunaga and the fatal arrogance of the black-toothed Yoshimoto; of the pathetic downfall of the House of Takeda; how the scorned Mitsuhide betrayed his master; how once impregnable ramparts fell as their defenders died gloriously. Most of all, though, Taiko is the story of how one man transformed a nation

through the force of his will and the depth of his humanity. Filled with scenes of pageantry and violence, acts of treachery and self-sacrifice, tenderness and savagery, Taiko combines the panoramic spectacle of a Kurosawa epic with a vivid evocation of feudal Japan.

Journal of the Department of Letters Grand Central Publishing
A New York Times Top Ten Book of the Year and National Book Award finalist, *Pachinko* is an "extraordinary epic" of four generations of a poor Korean immigrant family as they fight to control their destiny in 20th-century Japan (San Francisco Chronicle). NEW YORK TIMES NOTABLE BOOK OF 2017 * A USA TODAY TOP TEN OF 2017 * JULY PICK FOR THE PBS NEWSHOUR-NEW YORK TIMES BOOK CLUB NOW READ THIS * FINALIST FOR THE 2018 DAYTON LITERARY PEACE PRIZE* WINNER OF THE MEDICI BOOK CLUB PRIZE Roxane Gay's Favorite Book of 2017, Washington Post NEW YORK TIMES BESTSELLER * #1 BOSTON GLOBE BESTSELLER * USA TODAY BESTSELLER * WALL STREET JOURNAL BESTSELLER * WASHINGTON POST BESTSELLER "There could only be a few winners, and a

lot of losers. And yet we played on, because we had hope that we might be the lucky ones." In the early 1900s, teenaged Sunja, the adored daughter of a crippled fisherman, falls for a wealthy stranger at the seashore near her home in Korea. He promises her the world, but when she discovers she is pregnant--and that her lover is married--she refuses to be bought. Instead, she accepts an offer of marriage from a gentle, sickly minister passing through on his way to Japan. But her decision to abandon her home, and to reject her son's powerful father, sets off a dramatic saga that will echo down through the generations. Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history. *Includes reading group guide*

Zoologische Mededeelingen

Being honest to a fault and trusting of others do not always end well. Masakado is a sixteen-year-old orphan when his uncles send him to the capital city to study and become a civilized man capable of leading his powerful and

wealthy clan. The country boy from a frontier province gets his first lesson the moment he steps foot in the city. After a long time away, he returns home to his younger brothers and family estate to build a better life for all. But his brothers grew up to be meek and cowardly young men, and his uncles had picked his inheritance clean. Masakado asks his uncles to return what is his. Their response is a beating. Next, he appeals to the government.

Unfortunately, the superstitious elite class in the government worry only about themselves and the pirates in the southern seas. In time, this family squabble explodes into war. This rebellion went down in history as one of the greatest threats to Japan's central government. The great Japanese historical novelist Eiji Yoshikawa tells this story of a life of loyalty, insurgency, compassion, treachery, and love. Buy Taira no Masakado now to read this telling of the life of the warrior rebel.

Journal of Agricultural Research

They were the two most feared swordsmen of their age: Miyamoto Musashi, mysterious and introspective, and Sasaki Kojiro, arrogant and ambitious. In war-torn Japan, each was thrust forward as a hero of opposing sides . . . and began their final epic confrontation.

Musashi

The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai—without really knowing what it meant—he regains consciousness after the battle

to find himself lying defeated, dazed and wounded among thousands of the dead and dying. On his way home, he commits a rash act, becomes a fugitive and brings life in his own village to a standstill—until he is captured by a weaponless Zen monk. The lovely Otsu, seeing in Musashi her ideal of manliness, frees him from his tortuous punishment, but he is recaptured and imprisoned. During three years of solitary confinement, he delves into the classics of Japan and China. When he is set free again, he rejects the position of samurai and for the next several years pursues his goal relentlessly, looking neither to left nor to right. Ever so slowly it dawns on him that following the Way of the Sword is not simply a matter of finding a target for his brute strength. Continually striving to perfect his technique, which leads him to a unique style of fighting with two swords simultaneously, he travels far and wide, challenging fighters of many disciplines, taking nature to be his ultimate and severest teacher and undergoing the rigorous training of those who follow the Way. He is supremely successful in his encounters, but in the Art of War he perceives the way of peaceful and prosperous governance and disciplines himself to be a real human being. He becomes a reluctant hero to a host of people whose lives he has touched and been touched by. And,

inevitably, he has to pit his skill against the naked blade of his greatest rival. Musashi is a novel in the best tradition of Japanese story telling. It is a living story, subtle and imaginative, teeming with memorable characters, many of them historical. Interweaving themes of unrequited love, misguided revenge, filial piety and absolute dedication to the Way of the Samurai, it depicts vividly a world Westerners know only vaguely. Full of gusto and humor, it has an epic quality and universal appeal. The novel was made into a three-part movie by Director Hiroshi Inagai.
