Spartacus Lenny Manzo

The definitive book on workplace accountability by the New York Times bestselling authors of *How Did That Happen?* Since it was originally published in 1994, *The Oz Principle* has sold nearly 600,000 copies and become the worldwide bible on accountability. Through its practical and invaluable advice, thousands of companies have learned just how vital personal and organizational accountability is for a company to achieve and maintain its best results. At the core of the authors' message is the idea that when people take personal ownership of their organization's goals and accept responsibility for their own performance, they become more invested and work at a higher level to ensure not only their own success, but everyone's. Now more than ever, *The Oz Principle* is vital to anyone charged with obtaining results. It is a must have, must read, and must apply classic business book.

**Heart of the Streets** "O'Reilly Media, Inc."

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor,

---

detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Most salespeople work hard to become proficient in reaching the frontline managers in their markets. However, a salesperson who wishes to achieve long-lasting success with a client

will learn how to also appeal to top-level executives from an "above the line" perspective. Master sales trainer Skip Miller shows how to simultaneously sell to both the frontline manager as well as the executive who is more concerned with profit/loss indicators such as ROI, time saved, risk lowered, and productivity improved - a strategy used by Google, Apple, Cisco WebEx, and other powerhouses. In *Selling Above and Below the Line*, you will learn how to: Create energy by including executives early in the sales process. Ask the right questions and pinpoint big-

---

picture financial needs. Keep "below the line" managers from feeling bypassed. Uncover value propositions that target each set of decision-makers. Sales that seem locked in will stall or go dark. Customers who have been loyal to you suddenly back out of the relationship due to decisions made above the manager's head. This often could have been avoided had the salesperson been intentional to sell both the technical and financial fit. In *Selling Above and Below the Line*, learn to effectively communicate both, leading to more successful and lucrative deals than ever

before.

### One Flew Over the Cuckoo's Nest Harper Collins

As a network administrator, auditor or architect, you know the importance of securing your network and finding security solutions you can implement quickly. This succinct book departs from other security literature by focusing exclusively on ways to secure Cisco routers, rather than the entire network. The rational is simple: If the router protecting a network is exposed to hackers, then so is the network behind it. *Hardening Cisco Routers* is a reference for protecting the protectors. Included are the following topics: The importance of router security and where routers fit into an overall security plan Different router configurations for various versions of Cisco's IOS Standard ways to access a Cisco router and the security

---

implications of each Password and privilege levels in Cisco routers Authentication, Authorization, and Accounting (AAA) control Router warning banner use (as recommended by the FBI) Unnecessary protocols and services commonly run on Cisco routers SNMP security Anti-spoofing Protocol security for RIP, OSPF, EIGRP, NTP, and BGP Logging violations Incident response Physical security Written by Thomas Akin, an experienced Certified Information Systems Security Professional (CISSP) and Certified Cisco Academic Instructor (CCAI), the book is well organized, emphasizing practicality and a hands-on approach. At the end of each chapter, Akin includes a Checklist that summarizes the hardening techniques discussed in the chapter. The Checklists help you double-check the configurations you have been instructed to make, and serve as quick references for future

security procedures. Concise and to the point, *Hardening Cisco Routers* supplies you with all the tools necessary to turn a potential vulnerability into a strength. In an area that is otherwise poorly documented, this is the one book that will help you make your Cisco routers rock solid.

Cimmeria has been more than a school for Allie, it's been a safe haven. But no longer. A nefarious group - one that is tied up with Allie's family in ways she could barely imagine - is trying to destroy everything Cimmeria stands for. Even worse, it's clear that somebody they eat with, sleep with, train with is betraying them. There's a spy in Night School. As the paranoia grows and the fights begin, it's not an attack from outside they need to worry about .

Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their mission. All while Malcolm battles with a dark secret brewing deep down

---

inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

*Kindred Bond* AMACOM

"Sweet Baby Jane" Perkins has carved out a mega-selling reputation as rock's favorite bad girl. But her hard-living, tough-talking image can't prevent the sharp dose of reality that hit home when her estranged mother is killed in a car accident. As bizarre coincidences escalate in her own life, Janey grows certain that someone is watching her every move, and it's not one of her adoring fans... Since leaving the Army Rangers six months ago, Jason Wilson has been adrift, a warrior without a war. Now he's taken his first civilian assignment for his

army buddy's security firm: protecting a rock diva on her sold-out tour. Far from being a spoiled star, Janey is a revelation—sweet, modest, and incredibly sexy. Their friendship is turning to mutual, heated desire, but it's a distraction that could cost them more than their hearts... Drawn into the depths of a deadly secret, they'll face off against a killer growing more ruthless every day, and Jase will discover just how far he'll go to protect an explosive passion he never expected...

HarperCollins UK

Position your organisation's culture to attain new heights Above the Line: How to Create a Company Culture that Engages Employees, Delights Customers and Delivers Results offers all leaders a handbook for leveraging an organisation's culture to engage staff, increase customer satisfaction and streamline business performance. A groundbreaking work, this

---

book reveals what it takes to achieve optimum results from your organisational culture without employing the use of external consultants. This organic, in-house approach to company culture transformation saves both time and money. Step-by-step, author Michael Henderson illustrates how to create a culture in which employees and leaders delight those outside the company—customers, shareholder, employees' families, suppliers and the board of directors—and anyone else who may benefit from an association with the organisation. The book's proven models and ideas have been tried and tested with a broad range of of high-profile international companies. Expert author, Michael Henderson, a.k.a. The Corporate Anthropologist, has more than 30 years' experience, and a proven track record of working and consulting with organisations to enhance their workplace cultures. Reveals how to create an organisational culture that achieves desired results Puts the cultural transformation process in the hands of the people directly effected Smashes some of the established and costly myths about culture and how to work with culture This important resource is written for leaders, managers and supervisors at all levels and across industries. Principle Or Profit Sourcebooks, Inc. Are fairytale endings only in the movies? After Chase Ryan returns to his family and a job in his hometown, his best friend and fellow filmmaker Keith Ellison pairs up with former Hollywood heartthrob Dayne Matthews to finish following the dream-making movies that might change the world. Keith Ellison and Dayne Matthews have finally inked a deal to have the nation's top young actor star in their current film.

---

But at the same time, the actor takes a very public fall that threatens his reputation among his fan base. Meanwhile, healing happens for Andi Ellison in her relationship with God, her family, and those she loves, but is it too late? The new producers find they must truly act as missionaries in order to help save the film, their families, and the young movie star. Breakthroughs take place that the public will never know about, as the possibility of saving the world through film is finally a very real possibility.
