Laura Florand: Ruthless.
That was what they said
about Damien Rosier.
Handsome. Wealthy.
Powerful. Merciless. No
one messed with his family,

because to do so they would
have to get through him. No
one thought he had a heart.
Not even the woman he
gave his to. Cynical. That
was what they said about
Jasmin Bianchi. A top
perfumer of her generation,
Jess had achieved
commercial success by

growing a protective shell over a tender heart. The one time she cracked it open to let Damien in, he crushed it—after a night of unbelievable passion. Lovers. That one magical night couldn't survive the harsh light of dawn. When Jess woke up to discover the man in bed beside her had stolen her company, she fled. Enemies. Now she's come to the south of France with something of his. If he wants to reclaim both his family heritage and the woman who walked away from him, he's going to have to fight as dirty as only Damien can. But Jess

knows how to fight dirty, too. And these days, she has nothing left to lose. Certainly not her heart. Come explore the south of France, a world of heat and fragrance and tales as old as time, through the stories of the five powerful Rosier cousins and the women who win their hearts. A Wish Upon Jasmine, book two in Florand's addictive new series, *La Vie en Roses*. "Explosive, sensual, and utterly sweet" (Eloisa James). [The Proposal](#) AB

As Beirut exploded with the bombs and

violence of a ruthless civil war in the '80s, a nine-year-old Salma Abdelnour and her family fled Lebanon to start a new life in the States. Ever since then—even as she built a thriving career as a food and travel writer in New York City—Salma has had a hunch that Beirut was still her home. She kept dreaming of moving back—and finally decided to do it. But could she resume her life in Beirut, so many years after her family moved away? Could she, or

anyone for that matter, the changes in her ever really go home again? Jasmine and Fire is Salma's poignant and humorous journey of trying to resettle in Beirut and fumbling through the new realities of life in one of the world's most complex, legendary, ever-vibrant, ever-troubled cities. What's more, in a year of roiling changes around the Middle East and the rise of the Arab Spring, Salma found herself in the midst of the turmoil. As she comes to grips with all

life—a love left behind in New York and new relationships blossoming in Beirut—Salma takes comfort in some of Lebanon's enduring traditions, particularly its extraordinary food culture. Through the sights, sounds, and flavors of a city full of beauty, tragedy, despair, and hope, Salma slowly begins to reconnect with the place she's longed for her entire life.

Based on years of groundbreaking research, this book supplies a look at the unique relationship between each text and the individual reader that results in a satisfying, pleasurable, and even life-changing reading experience. Following up on her critically acclaimed *Reading Matters: What the Research Reveals about Reading, Libraries, and Community*, Catherine Sheldrick Ross takes a new look at pleasure reading through 30

thought-provoking essays based on themes arranged from A to Z. In short lively chapters, she discusses topics ranging from "Alexia," "Bad Reading," and "Changing Lives" to "Romance Fiction," "Self-help," "Titles," "Vampires," and "Year of Reading." Drawing on her own research as well as other published sources, Ross comments on the significance of each theme, provides examples of the phenomenon, and

develops the topic chronologically, through further examples, or through reversals. The essays are unified by an underlying theory of reading that views readers as sense-makers, actively engaged in reading themselves into the text and reading the texts back into their own lives. It gives educators and librarians insights into their roles with readers and offers a message about the importance of pleasure reading. A short list of

resources for further reading is supplied with each topic. Unbreakable Laura Florand

This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents of the complete works of Oscar Wilde, containing more than 150 works. Oscar Fingal O'Flahertie Wills Wilde (1854 – 1900) was an Irish writer and poet.

After writing in different forms throughout the 1880s, he became one of London's most popular playwrights in the early 1890s. Today he is remembered for his epigrams and plays, and the circumstances of his imprisonment which was followed by his early death. At the turn of the 1890s, he refined his ideas about the supremacy of art in a series of dialogues and essays, and incorporated themes of decadence,

duplicity, and beauty into his only novel, *The Picture of Dorian Gray* (1890). The opportunity to construct aesthetic details precisely, and combine them with larger social themes, drew Wilde to write drama. He wrote *Salome* (1891) in French in Paris but it was refused a licence. Unperturbed, Wilde produced four society comedies in the early 1890s, which made him one of the most successful playwrights of late Victorian London. At

the height of his fame and success, while his masterpiece, *The Importance of Being Earnest* (1895), was still on stage in London, Wilde had the Marquess of Queensberry, the father of his lover, Lord Alfred Douglas, prosecuted for libel, a charge carrying a penalty of up to two years in prison. The trial unearthed evidence that caused Wilde to drop his charges and led to his own arrest and trial for gross indecency with other men.

After two more trials he was convicted and imprisoned for two years' hard labour. In 1897, in prison, he wrote *De Profundis* which was published in 1905, a long letter which discusses his spiritual journey through his trials, forming a dark counterpoint to his earlier philosophy of pleasure. Upon his release he left immediately for France, never to return to Ireland or Britain. There he wrote his last work, *The Ballad of Reading Gaol* (1898), a

long poem commemorating the harsh rhythms of prison life. He died destitute in Paris at the age of forty-six. Content: The Plays: *VERA*, *THE DUCHESS OF PADUA*, *LADY WINDERMERE'S FAN*, *A WOMAN OF NO IMPORTANCE*, *SALOMÉ*, *SALOME* (English Version), *AN IDEAL HUSBAND*, *THE IMPORTANCE OF BEING EARNEST*.
