But when a generations-old obligation calls Jehan home, the reluctant desert prince finds himself thrust into an unwanted handfasting with Seraphina, an unwilling beauty who's as determined as he is to resist the antiquated pact between their families. Yet as intent as they are to prove their incompatibility, neither can deny the attraction that ignites between them. And as Jehan and Seraphina fight to resist the calling of their blood, a deadly enemy seeks to end their uneasy truce before it even begins....

In a world of shadows and dark, consuming hungers, desire is the deadliest weapon... For journalist Dylan Alexander, it began with the discovery of a hidden tomb, thrusting her into the center of a

gathering storm of violence and secrets. But nothing is as dangerous as the scarred, lethally seductive man who rises from the shadows to draw her into his world of dark desire and endless night. Fueled by pain and rage over a shattering betrayal, the warrior Rio has pledged his life to the war against the Rogues. He will let nothing stand in his

way—least of all a mortal woman with the power to expose the entire vampire race. For an ancient evil has been awakened, and a stunning darkness is on the rise. Suddenly Dylan is powerless to resist Rio's touch, even as she uncovers a shocking link to her own past. And now she must choose: Leave Rio's midnight realm, or risk it all for the man who has shown her true

passion and the infinite pleasures of the heart. . . .

Return to the "addictively readable" (Chicago Tribune) Midnight Breed vampire romance series with an explosive novel of paranormal seduction and dangerous thrills from New York Times and #1 international bestselling author Lara Adrian.

Daywalker Brynne Kirkland survived a hellish upbringing as a product of a madman's lab. Tough, driven, and devoted to her work in law enforcement, Brynne has never dared to

risk opening her heart to anyone-least of all a handsome immortal from a world on the verge of war against hers. Atlantean warrior Zael left the intrigue of his realm several lifetimes ago, along with the battles he fought as one of the queen's legion. As a free-spirited loner walking the fringe of two worlds-that of his secretive and powerful people, and the outside world belonging to mankind and the Breed-it was never his intention to return to combat and bloodshed. Nor had he imagined that he might ever be tempted into anything

stronger than desire . . .

until he meets Brynne.

Thrust together as allies of the Order in the fight against a diabolical enemy, Zael and Brynne embark on a mission that will ultimately force them to decide between duty to their people, and a passion that defies all bounds.

Midnight Breed vampire romance novel from New York Times and #1 international bestselling author Lara Adrian, passion explodes between a daywalking member of the Order and a fiery female warrior whose shadowy past will test the bonds of both duty and desire. As the son of a formidable Breed warrior, Aric Chase has been devoted to the Order all his life. With his training completed, all he needs is one successful mission before he can join the fight to destroy the Order's chief nemesis, Opus Nostrum. His rare ability to daywalk lands Aric an assignment in Montreal,

where he learns he's to be teamed with another new recruit, a beautiful, but tough-as-nails Breedmate named Kaya Laurent. Independent and driven, Kaya wants nothing more than to become a full-fledged member of the Order. Having grown up in squalor and neglect on the streets of Montreal, she longs for the close-knit family she's found during her training to be a warrior. Eager to prove herself, she is thrilled to be given the chance at a key operation-even if she must share the mission with an arrogant, far-too-seeductive Breed male who's practically Order royalty. Their unwanted

partnership soon erupts into a desire neither of them can resist. But when Kaya's past reaches out from the shadows to call her back, she must decide between protecting a dark alliance that could shatter her dreams of joining the team and a truth that could not only forfeit Aric's faith in her, but bring the enemy right to the Order's door.

How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at

Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award – winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a

revolution in youth culture. At WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone “Listener Line” fielded questions on any subject, day and night. From 1968 to Watergate, Boston’s WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters,

news clippings, photographs of performers in action, and scenes of joyousness on Boston Common. Interwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the “news dissector” Danny Schechter, Marsha Steinberg, and Mitchell Kertzman. Lichtenstein’s documentary *WBCN and the American Revolution* is available as a DVD sold separately. *Midnight Rising* Oxford University Press. *Bound by blood*, addicted to

danger, they’ll enter the darkest—and most erotic—place of all. A warrior trained in bullets and blades, Renata cannot be bested by any man—vampire or mortal. But her most powerful weapon is her extraordinary psychic ability—a gift both rare and deadly. Now a stranger threatens her hard-won independence—a golden-haired vampire who lures her into a realm of darkness...and pleasure beyond imagining. A combat-loving adrenaline junkie, Nikolai dispenses his own justice to enemies of the Breed—and his latest quarry is a ruthless assassin. One woman stands in his way:

the seductive, cool-as-ice bodyguard, Renata. But Renata's powers are put to the test when a loved one, a child, is threatened and she's forced to turn to Niko for help. As the two join forces, as desire fans the flames of a deeper hunger, Renata's life is under siege by a man who offers the exquisite pleasure of a blood bond—and a passion that could save or doom them both forever....

A delight for readers of *Where'd You Go, Bernadette*, this blockbuster debut set in 1960s California features the singular

voice of Elizabeth Zott, a scientist whose career takes a detour when she becomes the star of a beloved TV cooking show. Elizabeth Zott is not your average woman. In fact Elizabeth Zott would be the first to point out that there is no such thing as an average woman. But it's the 1960s and despite the fact that she is a scientist, her peers are very unscientific when it comes to equality. The only good thing to happen to her on the road to professional fulfillment is a run-in with her super-star colleague Calvin Evans (well, she stole his beakers). The only man who ever treated her—and her

ideas—as equal, Calvin is already a legend and Nobel nominee. He's also awkward, kind and tenacious. Theirs is true chemistry. But as events are never as predictable as chemical reactions, three years later Elizabeth Zott is an unwed, single mother (did we mention it's the early 60s?) and the star of America's most beloved cooking show *Supper at Six*. Elizabeth's singular approach to cooking ("take one pint of H₂O and add a pinch of sodium chloride") and independent example are proving revolutionary. Because Elizabeth isn't just teaching women how to cook, she's

teaching them how to change the status quo. Laugh-out-loud funny, shrewdly observant and studded with a dazzling cast of supporting characters (including the best canine character in years), *Lessons in Chemistry* is as original and vibrant as its protagonist.
