Talented #1 Wow, this book  
was sat on my kindle for ages  
but for some reason it never  
got started. I really regret  
that decision now, and  
devoured the book in a  
couple of sittings. I'm now  
emotionally attached to the  
characters, and although  
some of it is predictable, that  
didn't take anything away of  
any of the enjoyment.
