The comedian and Internet star shares her experiences with family, sexuality, mental health, friendship & love in this New York Times – bestselling memoir. The wildly popular YouTube personality, star of Food Network’s I Hart Food, and author of the New York Times – bestseller My Drunk Kitchen is back! This time, she’s stirring up memories and tales from her past. By combing through the journals that Hannah has kept for much of her life, this collection of narrative essays deliver a fuller picture of her life, her experiences, and the things she’s figured out about family, faith, love, sexuality, self-worth, friendship and

fame. Revealing what makes Hannah tick, this sometimes cringe-worthy, poignant collection of stories is sure to deliver plenty of Hannah’s wit and wisdom, and hopefully encourage you to try your hand at her patented brand of reckless optimism. With a New Afterword by the Author “By turns hilarious and heartbreaking, Hannah Hart’s new book is a roaring, beautiful, and profoundly human account of an extraordinary life.” —John Green “Hannah shares her truth with an honesty that is inspiring—one that makes me believe her when she says that it’s going to get better or that laughter is just around the corner or that you aren’t alone.” —Jenny Lawson, #1 New York Times – bestselling author of Let’s Pretend This Never Happened and Furiously Happy “The topics are grim, but there is kindness in her story, and, most significantly, humor. Fans will be pleased that other stars such as comedian Grace Helbig make guest appearances, and, like a true role model, Hart uses her platform to raise awareness of the shortcomings of the current U.S. medical system in treating mental health.” —Publishers Weekly

Jack Hart, master writing coach and former managing editor of the *Oregonian*, has guided several Pulitzer Prize – winning narratives to publication. Since its publication in 2011, his book *Storycraft* has become the definitive guide to crafting narrative nonfiction. This is the book to read to learn the art of storytelling as embodied in the work of writers such as David Grann, Mary Roach, Tracy Kidder, and John McPhee. In this new edition, Hart has expanded the book 's range to delve into podcasting and has incorporated new insights from recent research into storytelling and the brain. He has also added dozens of new examples that illustrate effective narrative nonfiction. This edition of *Storycraft* is also paired with *Wordcraft*, a new incarnation of Hart 's earlier book *A Writer 's Coach*, now also available from Chicago.

THAT RISEN SNOW Book One of the Scary Tales: A Killer

Serial The zombie sequel to *Snow White* begins where the classic fairy tale ends, with the Prince's kiss waking Snow from her cursed slumber. Snow wakes up, but she doesn't wake up right. Now a deranged zombie, Snow infects both the Prince and the seven dwarfs' leader. That leaves the young dwarf Grouchy, who is secretly in love with Snow, to find a cure for her malicious curse. So begins an epic journey that pits the lovesick Grouchy against dwarf-hating human soldiers, Snow's ever-growing zombie horde, and his own bad temper. But when Grouchy and his motley crew of survivors escape Snow's clutches and seek refuge in a nearby human village, he soon finds that her affliction has spread faster and further than he ever could have imagined. Snow is hell-bent on spreading her horrid curse across the land, and it's up to Grouchy to stop her before it's too late.

Six decades of fascinating stories from the legendary “colossus of science fiction” and creator of *2001: A Space Odyssey* gathered in one compendium (*The New Yorker*). Arthur C. Clarke, along with H. G. Wells, Isaac Asimov, and Robert A. Heinlein, was a definitive voice in twentieth century science fiction. A prophetic thinker, undersea explorer, and “one of the true geniuses of our time,” Clarke not only won the highest science fiction honors, the Nebula and Hugo Awards, but also received nominations for an Academy Award and the Nobel Peace Prize, and was knighted for his services to literature (Ray Bradbury). Now, more than one hundred works of the sci-fi master's short fiction are available in the “single-author collection of the

decade” (Booklist, starred review). This definitive edition includes early work such as “Rescue Party” and “The Lion of Comarre,” classics like “The Nine Billion Names of God” and “The Sentinel” (which was the kernel of the later novel and movie, 2001: A Space Odyssey), and later works including “A Meeting with Medusa” and “The Hammer of God.” Encapsulating one of the great science fiction careers of all time, this immense volume “displays the author’s fertile imagination and irrepressible enthusiasm for both good storytelling and impeccable science” (Library Journal). “One of the most astounding imaginations ever encountered in print.” —The New York Times “As his Collected Stories helps to demonstrate, there has been no popular writer since the days of C S Lewis and Charles Williams whose disposition is more nakedly apocalyptic, who takes greater pleasure in cradling eternity in the palm of his hand.” —The Guardian

If you want an omnibus of short fiction by Arthur C. Clarke, a Science Fiction Writers of America Grand Master, then you want *The Collected Stories of Arthur C. Clarke*. If you're looking for a representative sample of Clarke's short stories, or for some examples of the creative and extrapolative abilities that established Clarke as one of science fiction's greatest and most important writers, then check out *Tales from Planet Earth*. *Tales from Planet Earth* ranges widely across time, but the stories are centered on our home world. Many SF writers confine their visions of earth to its flatlands, but Clarke is three-dimensional; his stories "Hate," "The Deep Range," and "The Man Who Ploughed the Sea" plunge into the ocean, while "The Cruel Sky" ascends the Himalayas. Some stories, like "The Other Tiger" and "If I Forget Thee, Oh Earth...," end on chilling twists. "The Road to the Sea" spans centuries and millennia to explore how humanity's exodus to the stars may affect the world left behind. "Hate" considers how transcendence of the Earth's atmosphere may affect ancient enmities. "The Parasite" demonstrates a scary nastiness not usually associated

with Clarke. "The Wall of Darkness" is set on an alternate-universe earth so different from ours, and "The Lion of Comarre" is set in a future so far away, that both stories feel like fantasy; but both are rigorously extrapolated from scientific theory. Two lighthearted entertainments, "The Next Tenants" and "The Man Who Ploughed the Sea," are from *Tales of the White Hart*. All of the stories in *Tales from Planet Earth* are recommended. “Here...is a collection of Arthur's science fiction stories, science fiction dealing with science, extrapolated intelligently. How you will enjoy it!” —ISAAC ASIMOV

"This work examines the theological relationship between creation and creativity in the works of J.R.R. Tolkien. It does so by bringing together a synthesis of various disciplines and perspectives to the creativity of J.R.R. Tolkien. Hart and Khovacs provide a fresh reading of these important themes in Tolkien, and the result captures the multifaceted nature of Tolkien's own vivid theology and literary imagination." --Amazon.com.

Hilarious, candid, and full of shenanigans: actress and comedian Mamrie Hart—the New York Times bestselling author of *You Deserve a Drink*—is back with more adventures. When Mamrie simultaneously enters her thirties and finds herself single for the first time since college, the world is suddenly full of possibilities. Emboldened by the cool confidence that comes with the end of one’s twenties, plus the newfound independence of an attachment-free lifestyle, Mamrie commits herself to living life with even more spirit, adventure, and heart than before. Mamrie dives into new experiences at full tilt and seeks out once-in-a-lifetime opportunities (like meeting the Dixie Chicks), bucket-list goals (like visiting the Moulin Rouge), and madcap adventures (like going anchors-away on a *Backstreet Boys*

cruise)—all while diving back into the dating world for the first time in a decade. In *I've Got This Round*, readers will find the same shameless honesty and I'll-try-anything-once spirit they loved in Hart's New York Times bestseller *You Deserve a Drink*. Mamrie doubles down on her strong female friendships, her willingness to engage in shenanigans, and her inimitable candor, taking the reader along for a wild and unforgettable journey through adulting.

An epic adventure awaits in the first novel of this classic fantasy series perfect for fans of J. R. R. Tolkien from an author who "writes like a dream" (St. Louis Post-Dispatch). Welcome to Isle, a land of fantasy that existed long before there were such things. Surrounded by vast oceans and dotted with thick forests, Isle was a land in which all beings lived together. There were gods and ghosts dwelling with the Old Ones, the wise ancient ancestors. During this period, the Book of Suns began its life, though little was known about its contents. The mighty marriage between Sun and Moon begins an adventure never seen before.

Tales from the White Hart SAMPI Books

In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: "A first-rate tour de force" (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind's largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to

dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times
