Napoleon's Cursed War

Rachel Humphrey - D'aigle

From the author of *The Good Wife of Bath* comes this brilliant recreation of the vibrant, optimistic but politically treacherous world of London's Restoration theatre, where we are introduced to the remarkable playwright Aphra Behn, now a feminist icon but then an anomaly, who gravitated to the stage - a place where artifice and disguise are second nature and accommodates those who do not fit in. 'Karen Brooks demonstrates her

considerable talent for capturing the historical moment in this richly told, immersive read that will acquaint readers with a woman whose name we should all know. 'Pip Williams, author of *The Bookbinder of Jericho* It's 1679 and into the tumult, politics and colour of Restoration London and its lively theatre scene comes the fierce and opinionated Tribulation Johnson. Cast out from her family as ungodly and unworthy, Tribulation is determined to forge her own remarkable path. Arriving in London, Tribulation is astonished to discover that the widowed cousin she's been sent to live with is none other than the most infamous woman in London: the former spy and traitor's mistress, the playwright and polemical

poetess, Aphra Behn.

Tribulation cannot believe her good fortune as she is thrust into city life and the heady, mercurial milieu of the theatre. Under Aphra's guidance, Tribulation is encouraged to write, think and speak for herself. But women aren't supposed to have a voice, or ideas, let alone wield a pen and write for a living, and there are harsh consequences for those who don't obey society's rules. Together, Aphra and Tribulation must not only face vilification and mockery but terrible danger as plots to overturn the monarchy gather pace. When someone from Aphra's complicated past reappears, the women's loyalties - to King, country, and ultimately each other - are bitterly tested. Can their relationship survive the

burning fires of religious hatred, suspicion and deceit? When everyone plays a part, and all the world's a stage, who you trust? Praise for Karen Brooks 'So damn readable and fun ... This is the story of a woman fighting for her rights; it breaches the walls of history.' The Australian "All women together ought to let flowers fall upon the tomb of Aphra Behn". Karen Brooks has done better. She has revived Aphra and her words.' The independent women of Scotland stand up to a witch hunt, male fury and the power of the Church in a battle for survival in this compelling historical novel based on true events in early eighteenth century Scotland. 1703: The wild east coast of Scotland. Returning to her home town of Pittenweem, fishwife and widow Sorcha McIntyre knows she faces both censure and mistrust. After all, this is a country where myth and legend are woven into the fabric of the everyday, a time when those who defy custom like Sorcha has are called to account. It is dangerous to be a clever woman who 'doesn't

know her place' in Pittenweem - a town rife with superstition. So, when a young local falls victim to witchcraft, the Reverend Cowper and the townsfolk know who to blame. What follows for Sorcha and her friends is a terrifying battle, not only for their souls, but for their lives, as they are pitted against the villagers' fear, a malevolent man and the might of the church. Based on the shocking true story of the witch hunt of Pittenweem, this multi-layered novel is a beautifully written historical tale of the strength of women united against a common foe, by one of Australia's finest writers. PRAISE FOR KAREN BROOKS 'The Darkest Shore' is meticulously researched, taking a real historical event, and [Karen Brooks'] academic experience and merging it with exceptional storytelling. Daddy, please! Please don't do this!" I begged with my hands. "It's done, Tegan. The contract is signed. You will leave tonight to be the Alpha King's contracted mate. You will bear him an heir within three months, or you will regret it!" He roared out, his face showing me just how angry he truly was. I silently wept at the cards fate played me. I will be nothing more than a baby-making machine for the cruelest Alpha known, Ezra Hendricks. Tegan Declan is a shy she-wolf who was born deaf. She is starting a new life as a disabled wolf in a new pack. She is the new contracted mate to the Alpha King, Ezra

Hendricks. "Being deaf was a quality I would hate my son to have. As a wolf, you need all your senses to be able to lead, protect, and stay alive. Lacking hearing would not benefit anyone; it could lead to mass destruction and the loss of many lives. It would not be a good quality for a king. This brought me back to my question. What makes her think she is fit to be my Queen? I want to know what she thinks her strengths are. Would they outweigh her weaknesses?"
