The Many Lives of Stephen
Leeds. From #1 New York
Times bestselling author
Brandon Sanderson, Stephen
Leeds is back in a new, double-
length novella that Library
Journal says has "the pulse of a
thriller and the hook of a
fascinating hero balancing on
the edge of psychosis." It's not
his own genius that Stephen

Leeds gets hired for. Clients want to tap into the imaginary experts that populate his mind—and it's getting a bit crowded in there. Now Stephen and his internal team of "aspects" have been hired to track down a stolen corpse—but it's not the corpse that's important, it's what the corpse knows. The biotechnology company he worked for believes he encoded top-secret information in his DNA before he died, and if it falls into the wrong hands, that will mean disaster. Meanwhile, Stephen's uneasy peace with his own hallucinations is beginning to fray at the edges, as he strives to understand how one of them could possibly have used Stephen's hand to shoot a real gun during the previous case. And some of those hallucinations think they know better than Stephen just how many aspects his mind should make room for. How long will he be able to hold himself together?

The time has come to venture into the wilds of the northern mountains and the arctic coast. Far beyond the borders of Svelgard, the truth about the origins of my mark and my wife's mysterious wings can be found deep inside the den of the wolves, in the bowels of the old world. I will fight as many savage Farthegns, vicious beasts, and brutal elements as I have to in order to get the answers I'm after. And what I find on this journey will change everything, even my

fate .

The Empress almost has control of the world she was promised and soon her enemies will not be able to thwart her. There is just one man keeping her from her prize: Kaiyer.

Spies in Disguise Dragonsteel Entertainment

As the new Queen's Rider, Ezaara faces monsters, but who is worse? Her dragon masters or the beasts she fights? In Lush Valley, it's a crime to even talk about dragons... When Ezaara meets Zaarusha the Dragon Queen, she's swept up in a blaze of color and they imprint, forming a deep bond. She must give up her home and family to become the new Queen's Rider. Ignorant and unprepared, how can she possibly succeed? Luckily, she has a dragon master - although rumors say she'd be better off

with the enemy. Plunged into a world of cutthroat politics and traitors in every shadow, who can Ezaara trust as Commander Zens and his army of bestial tharuks march closer, razing villages and enslaving the people of Dragons' Realm? What personal price must Ezaara and her Dragon Master pay to save their people? A great fantasy read. Dean O'Gorman, actor, Fili the dwarf in *The Hobbit*

Coloring pages (80 pages) - Each dinosaur (40 in total, from field guide) will have a 2 page spread. ?On the left will be fun facts/a different type of activity (search and find/word search/coloring based on a fact like as long as a school bus). ?On the right will be the dinosaur for them to color in. Field guide experiment pages (16 pages) -Guided experiments for kids to do.

The way we learn about dinosaurs is comparing them to animals today. Examples:
-Finding an animal footprint (and drawing that in) and comparing with a dino footprint in the book. -Pasting in outdoor samples (e.g. leaves)
-Draw a bird and compare
-Some blank pages for kids to fill in with their own dino experiments (or experiments of any kind!)

A world made by the Eight Creators on which to play out their games of passion and power, Paradise is a sprawling, diverse, often brutal place. Men and women live on Paradise as do dogs, cats, ferrets, goats, and horses. But dinosaurs predominate: wildlife, monsters, beasts of burden and of war. Colossal plant-eaters like Brachiosaurus; terrifying meat-eaters like Allosaurus, and the most feared of all, Tyrannosaurus rex. Giant lizards swim warm seas. Birds (some with teeth) share the sky with flying

reptiles that range in size from bat-sized insectivores to majestic and deadly Dragons.

Control dinosaurs. Tame women. Rule the world. Victor Shelby ends each day wondering when his life is going to get better. His parents are dead, he struggles to pay rent, and his boss at the animal control shelter has him cleaning cages instead of working in the field. His dream of helping animals seems destined to end in a mop bucket. Then Victor is abducted by aliens and deposited on a prehistoric world filled with hungry dinosaurs and beautiful alien women. He doesn't know why he is here or what his purpose is, but he finds himself fighting for survival. Most men would have been lizard kibble in a few moments, but Victor's natural ability to empathize with animals has grown stronger, and he finds himself

able to control the most docile of the terrible lizards. Victor will have to use his taming powers to provide food, water, and shelter for the three women that he has sworn to protect. Success means they get to live another day, failure means a horrible death in the jaws of Earth's most deadly predators.

The Dinosaur Knights

Ballantine Books

In 1914 crew members of the lighthouse tender Hyacinth rescued a stray puppy from the Milwaukee River and named him Sport. For the next twelve years, this charming Newfoundland-retriever mix lived the life of a ship dog, helping the Hyacinth crew as they carried supplies to lighthouses and maintained the buoys and other safety features around Lake Michigan. Sport quickly became a valued companion to his crew and a recognizable mascot of the lake—making friends in

every port. In this beautifully illustrated children's book based on historical documents and photographs, readers share in Sport's adventures while discovering the various ways lighthouse tender ships helped keep the lake safe for others. Helpful diagrams, a map, and a historical note supplement this engaging story for young readers.

The Destroyer Book 4

Epic adventures, sexy ladies,

and awesome Dinosaurs! Nate is the hardworking CEO of SouthernCool, an AC company in Florida. After years of toiling to get rich, he finally takes a well-deserved vacation to Australia. A chance encounter ties him to a gorgeous gal named Senna. Right as things between the two are heating up on the Great Barrier Reef, pesky aliens intervene. Humanity is doomed, they tell him, destined to become extinct in the not-too-distant future. Nate and Senna are forced to compete for a spot on a human preserve. The competition turns out to be similar to a Real Time Strategy (RTS) 4x game. That means, in order to score points, you have to eXpand your empire, eXterminate your foes, and eXplore & eXploit your environment. Warning: contains nontraditional relationships, adult interactions that would steam up the windows of an old pickup truck, and violent action. 18+ recommended.

Note: This book includes interior art by FIFTEAN - images are SFW and PG13.

Dinosaur Warlord

Control dinosaurs. Tame women. Rule the world. Victor and his tribe of beautiful women prepare to leave their fort and journey to their new base, but as usual with Dinosaurland, things never go according to plan. Now Victor must protect all of his tribe without the aid of walls, and an old enemy gathers an army to give chase. Victor will have to use every power at his disposal to protect his women, and the journey will uncover new secrets of this strange world.
