"The Cage is a
tightly written and
clear-eyed
narrative about one

of the most disturbing human dramas of recent years. . . . A riveting, cautionary tale about the consequences of unchecked political power in a country at war. A must-read." —Jon Lee Anderson, New Yorker staff writer and author of *The Fall of Baghdad* In the closing days of the thirty-year Sri

Lankan civil war, tens of thousands of civilians were killed, according to United Nations estimates, as government forces hemmed in the last remaining Tamil Tiger rebels on a tiny sand spit, dubbed "The Cage." Gordon Weiss, a journalist and UN spokesperson in Sri Lanka during the final years of the war, pulls back the

curtain of government misinformation to tell the full story for the first time. Tracing the role of foreign influence as it converged with a history of radical Buddhism and ethnic conflict, *The Cage* is a harrowing portrait of an island paradise torn apart by war and the root causes and catastrophic

consequences of a revolutionary uprising caught in the crossfire of international power jockeying. Gordon Weiss has lived in New York and worked in numerous conflict and natural disaster zones including the Congo, Uganda, Darfur, Bosnia, Afghanistan, Syria, and Haiti. Employed by the United Nations for over

two decades, he continues to consult on war, extremism, peace building, and human rights.

The Sadness of Geography
University of Chicago Press
On the lush coast of Sri Lanka, a talented and beautiful young woman, Nulani, returns day after day to the verandah of a beach house to paint. Her subject is Theo, a writer attempting to heal from a tragic loss and struggling to complete a faltering novel. Just as love blossoms between them, the country is shaken by civil war.

Through the years that follow, Nulani and Theo must depend upon their memories and the art that once brought them together to find the strength to face their much changed lives. In a rare and unforgettable work, Roma Tearne captures both the fragility and the endurance of love. The story unfolds in a beguiling landscape as Tearne presents us with the turmoil of the Sri Lankan civil war, told unusually from a woman's point of view.

This is the story of the man who defined the armed struggle for an independent Eelam for over three decades and who lived by the gun and died by the gun-Velupillai Prabhakaran. A home-grown guerilla who built the LTTE into a ruthless war machine and controlled its world-wide network from his hideout and ruled territories under his control with an iron fist; who defied the world and eliminated whoever came in his way, including former Indian Prime Minister Rajiv Gandhi; who had fighters ready to kill and die in thousands for him ... yet he failed, leaving the future of Sri Lankan Tamils a big question mark. The book is a first-person account by the author based on his

innumerable visits to Sri Lanka during its turbulent years. He looks at the Prabhakaran era, a critical phase in the country's history, objectively, without being judgemental.

Two women, two great betrayals, one path to redemption. A punchy, powerful and page-turning novel about the redemptive power of great literature, from industry insider, John Purcell. Amy Winston is a hard-drinking, bed-hopping, hot-shot young book editor on

a downward spiral. Having made her name and fortune by turning an average thriller writer into a Lee Child, Amy is given the unenviable task of steering literary great Helen Owen back to publication. When Amy knocks on the door of their beautiful townhouse in north west London, Helen and her husband, the novelist Malcolm Taylor, are conducting a silent war of attrition. The townhouse was paid for with the enormous seven figure

advance Helen was given for the novel she wrote to end fifty years of making ends meet on critical acclaim alone. The novel Malcolm thinks unworthy of her. The novel Helen has yet to deliver. The novel Amy has come to collect. Amy has never faced a challenge like this one. Helen and Malcolm are brilliant, complicated writers who unsettle Amy into asking questions of herself - questions about what she values, her principles, whether she

has integrity, whether she is authentic. Before she knows it, answering these questions becomes a matter of life or death. From ultimate book industry insider, John Purcell, comes a literary page-turner, a ferocious and fast-paced novel that cuts to the core of what it means to balance ambition and integrity, and the redemptive power of great literature. '[A] mischievous commentary on...literary culture ... a commercial paean to great

literature, an elegy to words and reading.' Weekend Australian 'The Girl on the Page is funny, fast paced, frank, ribald, hip, erudite and clever ...This is an entire novel about books, writing and editing, and it's a delicious romp. At its heart, this story is about how the literary arts can cohabit with the mercantile world of publishing, and how writers and editors can help each other do better, richer, more relevant work. This is a book about the

joys of creating - both for writers and for editors.' The Listener 'A slick, sharp novel about books and relationships, drenched in delicious insider detail from the book industry. Impossible not to enjoy.' - Matt Haig, international bestselling author of Notes on a Nervous Planet and How to Stop Time 'Hilarious and heartbreaking ... I know people are going to enjoy this book as much as I did.' - Christian White, bestselling author of The

Nowhere Child 'Fast-paced, clever, funny, seriously thought and talk-provoking.' - Dervla McTiernan, bestselling author of The Ruin 'Like getting on a fast-moving train or rocket ... you cannot and don't want to get off, but must follow every dynamic, insatiable, brilliant character right to the stunning end.' - Caroline Overington, bestselling author of The One Who Got Away and The Ones You Trust 'In The Girl on the Page,

John Purcell triumphs with a scalpel in one hand and his heart in the other. It is a gripping, dark comedy of a novel which eviscerates the cynicism of contemporary publishing while uttering a cri du coeur for what is happening to writers and readers this century. Through this dark comedy - I squealed with laughter, page after page - flash questions about cultural life that Purcell asks but leaves us to ponder.' Blanche d'Alpuget 'A juicy

page turner that takes a scalpel to the literary world, written with deep insider intel and a gleeful sense of mischief, *The Girl on the Page* is a wickedly clever, razor-sharp satire of lust, betrayal and ambition.' Caroline Baum *Sri Lankan Tamil Nationalism* Allen & Unwin

In May 2009, the Sri Lankan army overwhelmed the last stronghold of the Liberation Tigers of Tamil Eelam—better known as the Tamil Tigers—officially bringing an end to nearly three decades of civil war. Although the war has

ended, the place of minorities in Sri Lanka remains uncertain, not least because the lengthy conflict drove entire populations from their homes. The figures are jarring: for example, all of the roughly 80,000 Muslims in northern Sri Lanka were expelled from the Tamil Tiger-controlled north, and nearly half of all Sri Lankan Tamils were displaced during the course of the civil war. Sharika Thiranagama's *In My Mother's House* provides ethnographic insight into two important groups of internally displaced people: northern Sri Lankan Tamils and Sri Lankan Muslims. Through detailed engagement with ordinary

people struggling to find a home in the world, *Thiranagama* explores the dynamics within and between these two minority communities, describing how these relations were reshaped by violence, displacement, and authoritarianism. In doing so, she illuminates an often overlooked intraminority relationship and new social forms created through protracted war. *In My Mother's House* revolves around three major themes: ideas of home in the midst of profound displacement; transformations of familial experience; and the impact of the political violence—carried out by both

the Tamil Tigers and the Sri Lankan state—on ordinary lives and public speech. Her rare focus on the effects and responses to LTTE political regulation and violence demonstrates that envisioning a peaceful future for post-conflict Sri Lanka requires taking stock of the new Tamil and Muslim identities forged by the civil war. These identities cannot simply be cast away with the end of the war but must be negotiated anew.

In Buddhist myth, the dead may be reborn as "hungry ghosts"—spirits

with stomach so large they can never be full—if they have desired too much during their lives. It is the duty of the living relatives to free those doomed to this fate by doing kind deeds and creating good karma. In Shyam Selvadurai's sweeping new novel, his first in more than a decade, he creates an unforgettable ghost, a powerful Sri Lankan matriarch whose wily ways, insatiable longing for land, houses, money and control, and tragic

blindness to the human needs of those around her parallels the volatile political situation of her war-torn country. The novel centres around Shivan Rassiah, the beloved grandson, who is of mixed Tamil and Sinhalese lineage, and who also—to his grandmother's dismay—grows from beautiful boy to striking gay man. As the novel opens in the present day, Shivan, now living in Canada, is preparing to

travel back to Colombo, Sri Lanka, to rescue his elderly and ailing grandmother, to remove her from the home—now fallen into disrepair—that is her pride, and bring her to Toronto to live out her final days. But throughout the night and into the early morning hours of his departure, Shivan grapples with his own insatiable hunger and is haunted by unrelenting ghosts of his own creation. *The Hungry Ghosts* is a beautifully written,

dazzling story of family, wealth and the long reach of the past. It shows how racial, political and sexual differences can tear apart both a country and the human heart—not just once, but many times, until the ghosts are fed and freed.

Big-hearted, moving and richly rewarding, *That Deadman Dance* is set in the first decades of the 19th century in the area around what is now Albany, Western Australia. In playful, musical prose, the book

explores the early contact between the Aboriginal Noongar people and the first European settlers. The novel's hero is a young Noongar man named Bobby Wabalanginy. Clever, resourceful and eager to please, Bobby befriends the new arrivals, joining them hunting whales, tilling the land, exploring the hinterland and establishing the fledgling colony. He is even welcomed into a prosperous local white

family, where he falls for the daughter, Christine, a beautiful young woman who sees no harm in a liaison with a native. But slowly - by design and by accident - things begin to change. Not everyone is happy with how the colony is developing. Stock mysteriously start to disappear; crops are destroyed; there are 'accidents' and injuries on both sides. As the Europeans impose ever stricter rules and regulations in order to

keep the peace, Bobby's Elders decide they must respond in kind. A friend to everyone, Bobby is forced to take sides: he must choose between the old world and the new, his ancestors and his new friends. Inexorably, he is drawn into a series of events that will forever change not just the colony but the future of Australia...

"An extraordinary book. This dignified, just and

unbearable account of the dark heart of Sri Lanka needs to be read by everyone." — Roma Tearne, author of *Mosquito* The tropical island of Sri Lanka is a paradise for tourists, but in 2009 it became a hell for its Tamil minority, as decades of civil war between the Tamil Tiger guerrillas and the government reached its bloody climax. Caught in the crossfire were hundreds of thousands of schoolchildren, doctors, farmers, fishermen, nuns, and other civilians. And the government ensured through a strict

media blackout that the world was unaware of their suffering. Now, a UN enquiry has called for war crimes investigation, and Frances Harrison, a BBC correspondent for Sri Lanka during the conflict, recounts those crimes for the first time in sobering, shattering detail.

The epic story of legendary band Yothu Yindi and 'Treaty', the song that gave voice to a movement WITH INTRODUCTIONS BY YALMAY YUNUPINGU & WITIYANA MARIKA

Sometimes a musical revolution can erupt from the most unlikely of places. Long before they were ARIA Hall of Fame inductees, Yothu Yindi were a bunch of Yolngu (Aboriginal people of East Arnhem Land) and balanda (non-Indigenous) mates rocking out in the remote Top End. Soon they were creating some of the coolest new music in the country, splicing traditional sounds with electric, and spreading a message of unity. Then, after singer Mandawuy Yunupiu penned the hit song 'Treaty' with

Paul Kelly and Peter Garrett, and a remix dropped in 1991, Yothu Yindi shot out of Arnhem Land and into the hearts of music lovers across Australia and the world. Writing in the Sand, by Yothu Yindi's authorised biographer, Matt Garrick, is the epic story of one of Australia's most original bands and how 'Treaty' gave voice to Indigenous Australia's hard-fought struggle for recognition. Featuring photos from the band's archives never previously published, the book is based on extensive

interviews with current and former band members, including mainstays Witiyana Marika, Stu Kellaway and Jodie Cockatoo, as well as family members such as Yalmay Yunupiu, Mandawuy's widow, and collaborators and fellow artists like Garrett, Kelly, Neil Finn, Joy McKean, Bart Willoughby and Andrew Farriss. Funny, poetic, heartfelt and steeped in the sights, smells and unique rhythms of East Arnhem Land, Writing in the Sand is a must-read for anyone who cares about Australian

music, and Aboriginal culture and recognition, all of which were brilliantly woven together by one of the most exciting bands of our time.

Focusing on the historical events of post-independence Sri Lanka, S. J. Tambiah analyzes the causes of the violent conflict between the majority Sinhalese Buddhists and the minority Tamils. He demonstrates that the crisis is primarily a result of recent societal stresses—educational expansions, linguistic policy, unemployment, uneven income distribution, population movements, contemporary

uses of the past as religious and national ideology, and trends toward authoritarianism—rather than age-old racial and religious differences. "In this concise, informative, lucidly written book, scrupulously documented and well indexed, [Tambiah] trains his dispassionate anthropologist's eye on the tangled roots of an urgent, present-day problem in the passionate hope that enlightenment, understanding, and a generous spirit of compromise may yet be able to prevail."—Merle Rubin, *Christian Science Monitor* "An incredibly rich and balanced analysis of the crisis. It is

exemplary in highlighting the general complexities of ethnic crises in long-lived societies carrying a burden of historical memories."—Amita Shastri, *Journal of Asian Studies* "Tambiah makes an eloquent case for pluralist democracy in a country abundantly endowed with excuses to abandon such an approach to politics."—Donald L. Horowitz, *New Republic* "An excellent and thought-provoking book, for anyone who cares about Sri Lanka."—Paul Sieghart, *Los Angeles Times Book Review* *The Girl on the Page* HarperCollins Canada Study of Tamil militancy in

A story of a child soldier in Sri Lanka's bloody civil war. “I am most grateful for two things: that I was born in North Korea, and that I escaped from North Korea.” - Yeonmi Park “One of the most harrowing stories I have ever heard - and one of the most inspiring.” - The Bookseller “Park’s remarkable and inspiring story shines a light on a country whose inhabitants live in misery beyond comprehension. Park’s important memoir showcases the strength of the human spirit and one young woman’s incredible determination to never be hungry again.” —Publishers Weekly In In

Order to Live, Yeonmi Park shines a light not just into the darkest corners of life in North Korea, describing the deprivation and deception she endured and which millions of North Korean people continue to endure to this day, but also onto her own most painful and difficult memories. She tells with bravery and dignity for the first time the story of how she and her mother were betrayed and sold into sexual slavery in China and forced to suffer terrible psychological and physical hardship before they finally made their way to Seoul, South Korea—and to freedom. Park confronts her past with a startling resilience. In spite of

everything, she has never stopped being proud of where she is from, and never stopped striving for a better life. Indeed, today she is a human rights activist working determinedly to bring attention to the oppression taking place in her home country. Park’s testimony is heartbreaking and unimaginable, but never without hope. This is the human spirit at its most indomitable.
