Golding ' s iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Sarah and the Big Wave Harper Collins

A celebration of the liberating power of consciousness—a triumphant book that lets us witness an indomitable spirit and share in the pure joy of its own survival. In 1995, Jean-Dominique Bauby was the editor-in-chief of French Elle, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of

seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

Endling #2: The First Bantam

"All the sizzle, chaos, noise and scariness of war is clay in the hands of ace storyteller Lynch." -- Kirkus Reviews for the World War II series Discover the secret missions behind America's greatest conflicts. Fergus Frew thought he knew what to expect when he signed up with the Navy's demolitions team. But as the Korean War rages on, Fergus and his fellow divers -- AKA "frogmen" -- are tasked with more than just scouting mudflats. Soon they're planting mines. And sabotaging tunnels, bridges... and even fishing nets. Strangest of all, it falls to Fergus to transport a spy into the country -- and that means traveling far from Navy-controlled waters. But frogmen are amphibious. And Fergus may not realize it, but he's in a position to change the way the whole world thinks about combat. National Book Award finalist Chris Lynch continues his explosive fiction series based on the real-life, top-secret history of US black ops and today's heroic Navy SEALs.

Sandy Beach Morphodynamics Entangled: Brazen

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a "compulsively readable parable for the 21st century" (Vanity Fair). When Mae Holland is hired to work for the Circle, the world ' s most powerful internet company, she feels she ' s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users ' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company ' s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can ' t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman ' s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

A heated rivalry turns to sizzling passion in this beach town romance by the USA Today bestselling author of *No Strings Attached*. In the Florida resort town of Barefoot William, kicking off your shoes and baring some skin is as natural as sneaking under the boardwalk for an ice cream cone and stolen kisses. Laid-back Shaye Cates, whose family owns half the boardwalk, runs their businesses by cell phone under a shady umbrella. But Shaye's life isn't all sunshine. The incredibly irksome fly in her coconut tanning oil is steely-eyed Trace Saunders, whose family owns the opposite side of town. When the two rivals agree to co-run a beach volleyball tournament, the contentious partnership gets all of Barefoot William buzzing. Shaye just wants to play ball, while Trace thinks only of business. But beneath the twinkling lights of the ferris wheel, opposites can attract like surf and sand.

Desperate to break free... I've spent my entire life under my father's thumb, but now I'm finally free to make my own choices. When my roommate dragged me to my first college party, I met Finn Coram and my life turned inside out. He knows how to break the rules and is everything I never knew I wanted. A Marine by day and surfer by night, he pushes me away even as our attraction brings us closer. Now I am finally free to do whatever I want. I know what I want. I choose Finn. Trying to play by the rules... I always follow orders. My job, my life, depends on it. I thought this job would be easy, all the rules were made crystal clear, but when I met Carrie Wallington, everything got muddy. She's a rule I know I shouldn't break, but damn if I don't inch closer to the breaking point each time I see her. I'm ready to step out of line. And even worse? I'm living a lie. They say the truth will set you free, but in my case...

The truth will cost me everything.

In this wonderfully “clever and compelling” (Kirkus Reviews) retelling of the infamous—and torrid—love affair between Anne Boleyn and King Henry VIII, history collides with the present when a sizzling romance ignites in a modern-day high school. Henry Tudor’s life has been mapped out since the day he was born: student body president, valedictorian, Harvard Law School, and a stunning political career just like his father’s. But ever since the death of his brother, the pressure for Henry to be perfect has doubled. And now he’s trapped: forbidden from pursuing a life as an artist or dating any girl who isn’t Tudor-approved. Then Anne Boleyn crashes into his life. Wild, brash, and outspoken, Anne is everything Henry isn’t allowed to be—or want. But soon Anne is all he can think about. His mother, his friends, and even his girlfriend warn him away, but his desire for Anne consumes him. Henry is willing to do anything to be with her, but once they’re together, will their romance destroy them both? Inspired by the true story of Anne Boleyn and King Henry VIII, Anne & Henry beautifully reimagines the intensity, love, and betrayal between one of the most infamous couples of all time.

Stunning." —Time Magazine “We were all heading for each other on a collision course, no matter what. Maybe some people are just meant to be in the same story.” At first, Jude and her twin brother are Noah and Jude; inseparable. Noah draws constantly and is falling in love with the charismatic boy next door, while daredevil Jude wears red-red lipstick, cliff-dives, and does all the talking for both of them. Years later, they are barely speaking. Something has happened to change the twins in different yet equally devastating ways . . . but then Jude meets an intriguing, irresistible boy and a mysterious new mentor. The early years are Noah’s to tell; the later years are Jude’s. But they each have only half the story, and if they can only find their way back to one another, they’ll have a chance to remake their world. From the acclaimed author of *The Sky Is Everywhere*, this exhilarating novel will leave you breathless and teary and laughing—often all at once.
