Another bucolic fall in northern New Hampshire, and the semester is under way at Bishop 's Hill Academy. But this year the start of school has been less than tranquil. The new headmaster, Jim Hawthorne, has liberal ideas that the staff find far from welcome; eloquent as he is on the subject of honor, rumor has it he 's taken this job to escape his past. And Hawthorne isn 't the only uneasy newcomer. There 's Jessica Weaver, a stripper at fifteen, and Frank LeBrun, a replacement cook who 's a bit too quick with a dirty joke. All three have secrets to conceal, memories to suppress. Serene on the surface, the ivy-clad, tree-lined campus gives few clues to the school 's history of special privileges, petty corruptions, and hidden allegiances. And as winter closes in, students, teachers, and staff get an education in savagery and murder. With his uncanny awareness of the intricacies of human nature, the acclaimed author of *The Church of Dead Girls* once again probes the daily life of an ordinary community to reveal the depths of good and evil.

A heated rivalry turns to sizzling passion in this beach town romance by the USA Today bestselling author of *No Strings Attached*. In the Florida resort town of Barefoot William, kicking off your shoes and baring some skin is as natural as sneaking under the boardwalk for an ice cream cone and stolen kisses. Laid-back Shaye Cates, whose family owns half the boardwalk, runs their businesses by cell phone under a shady umbrella. But Shaye's life isn't all sunshine. The incredibly irksome fly in her coconut tanning oil is steely-eyed Trace Saunders, whose family owns the opposite side of town. When the two rivals agree to co-run a beach volleyball tournament, the contentious

partnership gets all of Barefoot William buzzing. Shaye just wants to play ball, while Trace thinks only of business. But beneath the twinkling lights of the ferris wheel, opposites can attract like surf and sand.

A triumphant memoir by the former editor-in-chief of *French Elle* that reveals an indomitable spirit and celebrates the liberating power of consciousness. In 1995, Jean-Dominique Bauby was the editor-in-chief of *French Elle*, the father of two young children, a 44-year-old man known and loved for his wit, his style, and his impassioned approach to life. By the end of the year he was also the victim of a rare kind of stroke to the brainstem. After 20 days in a coma, Bauby awoke into a body which had all but stopped working: only his left eye functioned, allowing him to see and, by blinking it, to make clear that his mind was unimpaired. Almost miraculously, he was soon able to express himself in the richest detail: dictating a word at a time, blinking to select each letter as the alphabet was recited to him slowly, over and over again. In the same way, he was able eventually to compose this extraordinary book. By turns wistful, mischievous, angry, and witty, Bauby bears witness to his determination to live as fully in his mind as he had been able to do in his body. He explains the joy, and deep sadness, of

seeing his children and of hearing his aged father's voice on the phone. In magical sequences, he imagines traveling to other places and times and of lying next to the woman he loves. Fed only intravenously, he imagines preparing and tasting the full flavor of delectable dishes. Again and again he returns to an "inexhaustible reservoir of sensations," keeping in touch with himself and the life around him. Jean-Dominique Bauby died two days after the French publication of *The Diving Bell and the Butterfly*. This book is a lasting testament to his life.

A coming-of-age novel in verse set in 1980s Southern California, about a Persian American girl who rides the waves, falls, and finds her way back to the shore. Thirteen-year-old Ava loves to surf and to sing. Singing and reading Rumi poems settle her mild OCD, and catching waves with her best friend, Phoenix, lets her fit in—her olive skin looks tan, not foreign. But then Ava has to spend the summer before ninth grade volunteering at the hospital, to follow in her single mother's footsteps to become a doctor. And when Phoenix's past lymphoma surges back, not even surfing, singing, or poetry can keep them afloat, threatening Ava's hold on the

one place and the one person that make her feel like she belongs. With ocean-like rhythm and lyricism, Wave is about a girl who rides the waves, tumbles, and finds her way back to the shore.

Using surfing as a metaphor for motivational and self-improvement concepts and written in accessible, everyday language peppered with surfer slang, Staying on Top proves that the good life is available right now. Making these essential lessons fun, cartoon character Surf Master Alva appears throughout the book to dispense nuggets of wisdom that point the way to the good life, illustrating in a humorous and wise way that experts and gurus are not needed to understand and make the most of life. In other words, we don't have to learn how to achieve the good life through retreats, pills, hospitals or programs, nor do we have to wait until we find the "perfect time". In surfer parlance, "Surfz up, dude! Get your board and get to the beach." Assessing their understanding of prevailing societal values portrayed through surfing metaphors and Surf Master Alva's quirky

wisdom, Staying on Top will awaken people to the reality that living life to the fullest requires living in the present. Life right now is all anyone can truly be sure of: The secret to achieving and maintaining balance and serenity lies in accepting and embracing that truth. For long-term devotees of self-help literature and newcomers to the genre, everyone will delight in this wise yet whimsical journey to enlightenment.

I'm Luciana Wright. Everyone calls me Lucky, but when it comes to love, I'm anything but. I have a long history of dating the wrong men. You know the ones I'm talking about. The beautiful, charming guys who are quite literally too good to be true. The ones who are impulsive in love and prefer short flings over long-term relationships. I'm talking about the jerks. The guys who taste so good, but are so very bad. After going through the most ridiculous breakup in the history of breakups, I thought I'd learned my lesson. I officially put myself into jerk rehab and committed to changing my ways. But, let's be real here, love is never that easy. Especially when an arrogant, charming, he-devil of a sexy alpha man gets involved. Aussie accent. Tanned skin. Muscular, surfer bod. Gorgeous brown eyes. And the kind of sexy smile that brings women to their knees. Oh, did I mention that he's also my best friend's brother? Yeah. This story, my story, it's a real doozy you guys. The day I stopped falling for jerks, I met Oliver Arsen-the biggest jerk of all.
