Tank Girl 1993-1994. Tank Girl was originally published in the legendary Deadline Magazine between the years of 1988 to 1995. Drawn and written, for the most part, by Jamie Hewlett and Alan Martin, it mixed a punk aesthetic with Looney Tunes style adventures. In this anniversary series we reappraise the initial run of comics, giving them a shiny new full-color treatment in a style consistent with their age and original production, and add context with artwork, strips, and photos from the Hewlett & Martin archives. Happy Birthday Tank Girl!
