Saling Silang 2 Currency

Learn more than 10,000 of the most useful words and phrases in French with this beautifully illustrated dictionary for French-language students. Building on the success of the English for Everyone course books and the Bilingual Visual Dictionary series, the French-English Illustrated Dictionary uses crystal-clear illustrations to show the meaning of over 10,000 words of French vocabulary. The words are shown in a visual context in themed sections covering practical or everyday topics (such as shopping, food, or study), providing learners with all the vocabulary they need for work, travel, and leisure. Learning French vocabulary is even easier with this visually stunning dictionary.

Anagram Solver OUP Oxford

This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, Advanced French Grammar approaches the French language primarily through the study of syntactic structures, but without excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to

understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and English words and of topics provides easy access to the text itself.

Tapis volant: workbook (P3) Cambridge University Press

The teacher companion presents all the pages from the student book with wrap-around practical teaching notes that include lesson tips, extension activities, assessment ideas, extended cultural information, cross-references to other components and a wealth of support material in a single, easy-to-use resource. All the pages from the activity book are reproduced with answers to support quick and easy correction of student work.

The Essential Victor Hugo Bloomsbury Publishing

The Australian Curriculum edition of the English Skills Builder series sees these best-selling skills resources fully revised to address the three English strands of Language, Literacy and Literature. Designed to complement any English program, this series will teach and reinforce the skills that students need at junior secondary level. Each workbook is divided into 50 units, and content explores different aspects of language use as well as different text types and genres. The English Skills Builder series are now accompanied by digital obooks for the first time. The obook is a cloud-based web-book available anywhere, anytime, on any device, navigated by topic or by 'page view'. As well as containing the student text, the obook offers additional Enriching Literature units focusing on texts relevant to the cross-curriculum priorities, as well as popular classic and contemporary texts.
