Jaden is driven and focused, Harvard Med School within reach. Parker has a past—a reputation—and the rumors about his mysterious habits abound. What they have? It isn't real. Because the truth is Parker Whalen is a liar. This has never mattered...until now. Because lying to someone you care about—someone who matters, someone who believes in you—that's when people get hurt. And Parker is about to hurt Jaden in the biggest way imaginable. COLLATERAL DAMAGE is the companion novel to CROSS MY HEART, which spent more than 100 days on the Amazon Teen Top 100 Bestseller List in its first year of release, and was a 2011 Goodreads Choice Awards Nominee for Best YA Fiction. Delia's new house isn't just a house. Long ago, it was the Piven Institute for the Care and Correction of Troubled Females -- an insane asylum nicknamed "Hysteria Hall." However, many of the inmates were not insane, just defiant and strong willed. Kind of like Delia herself. But the house still wants to keep "troubled" girls locked away. So, in the most horrifying way, Delia becomes trapped. And that's when she learns that the house is also haunted. Ghost girls wander the hallways in their old-fashioned nightgowns. A handsome ghost boy named Theo roams the grounds. Delia learns that all the spirits are unsettled and full of dark secrets. The house, too, harbors shocking truths within its walls -- truths that only Delia can uncover, and that may set her free. And she'll need to act quickly -- before the house's power overtakes everything she loves. Katie Alender brings heart-pounding suspense, gorgeous writing, and a feminist twist to this tale of memories and madness.

This is a true story of a pathological, serial workplace bully and is written by a proud survivor. Names have been changed to protect the innocent. It is a horrific tale of terror, manifested by a malevolent mind bent on selfish ambition. It is a story of how the monster worked his way into the victim's confidence, learned his strengths and weaknesses, and even boasted to him what he was going to do before implementing his evil plan. It is a legend of how kindness and compassion are crushed by the sinister whispering campaign and how the bosses and managers were too terrified to act for fear of retaliation upon themselves. It is textbook psychological torture, and it's a miracle that anyone could survive it. But it is also a book of hope, what you need to do, and of how to seek out help if you are confronted by such a bully. This is a book of reasoning and forgiveness. It is also to let us know that we are not alone. Such monsters do exist, and this is how to recognize them and thwart their insidious plots.
