Hunted by  
Darkness Katie  
Klein Books  
Twenty year old,

Allison Slater has  
been in love with  
her brother's  
bandmate, Rhys  
McGowan, since  
she was thirteen  
years old. But to  
him, she'll always  
be Jake's little sister  
and off limits. Now  
a college  
sophomore and  
licking her wounds  
from a bad  
breakup, she sets  
her sights on  
making Rhys see  
her as someone he  
could date...maybe  
even love. Her  
opportunity comes  
when Rhys visits his  
parents in Savannah  
where she is  
attending college.  
But the night she's  
dreamed of turns to  
heart-break, and

---

she realizes she'll never be the one for Rhys. For Rhys McGowan, his nightmare began when he woke up, naked and hung-over, next to his bandmate's little sister. Unable to remember a thing from the previous night, he only makes matters worse by lying to Allison about not being interested in her. The truth is he's spent the last year to ignore his body's reaction whenever Allison is around. His resolve is tested when Allison comes on tour with Runaway Train, as both Jake and Abby's nanny

and to fulfill her fashion design internship. The more time he spends with her in the close quarters of the bus, the harder it is for him to resist. Will Rhys realize that having a relationship with Allison is worth fighting for even if it means that he has to fight his best friend for a chance?

Ever wonder what type of stories horror authors tell their children? These six stories by horror novelist Robert Holt answers that question. Wrapped in

morals, they will make kids laugh, cry, and maybe even shiver.

These stories are great for children and the grownups that read to them. They will stimulate dialogue of more important issues and lead to character building conversations.

Enjoy this book, but make sure you put it back on the book shelf. We wouldn't want the dirt monsters to take it!

have been changed to protect the innocent. It is a horrific tale of terror, manifested by a malevolent mind bent on selfish ambition. It is a story of how the monster worked his way into the victim's confidence, learned his strengths and weaknesses, and even boasted to him what he was going to do before implementing his evil plan. It is a legend of how kindness and compassion are crushed by the sinister whispering campaign and how the bosses and

managers were too terrified to act for fear of retaliation upon themselves. It is textbook psychological torture, and it's a miracle that anyone could survive it. But it is also a book of hope, what you need to do, and of how to seek out help if you are confronted by such a bully. This is a book of reasoning and forgiveness. It is also to let us know that we are not alone. Such monsters do exist, and this is how to recognize them and thwart their insidious plots. Destined Mate
